CLOSING OUT SALE J. E. MILES HARDWARE COMPANY

Stock Now in the Throes of Complete Price Destruction

THIS SALE IS
Cash Only
No refunds, exchanges or ap-
provals. All sales final.

I've Got to Close Out \$25,000.00 Stock I'm The Man--

Nothing can stop me! Nothing! I came 2000 miles to sell out this stock of merchandise for J. E. Miles Hardware Company. That's the Cold Blooded Commercial Truth. Sell it I WILL.

I came to town and locked up the store employed extra salespeople who are working like beavers hunting and digging high and low, arranging this stock and marking in PLAIN FIGURES, showing the enormous price reductions on on all lines. When I leave here after this sale which lasts until entire stock has been sold, you will know me as I am known throughout the South as a Price Cutter. People who have attended my sales will tell you that I stop at nothing to sell a stock of merchandise. I am here to sell

these goods until only four bare walls remain. I have full authority to go the limit and if low price cutting will sell goods, I'll leave nothing undone to make this the greatest sale ever attempted in this vicinity, Don't let anything keep you a way.

Signed: H. B. JOHNSON, Sales Manager.
