TONSIL AND ADENOID CLINIC AT WARRENTON

Dr. Gibson, Prominent Raleigh Specialist Will Perform Operation

Beginning Tuesday morning, June and continuing for as many days as necessary up to four the State Board of Health will conduct a tonail and adenoid clinic for school children between the ages of 6 and 12 years inclusive, needing the operation for removal of diseased tonsils and adenoids, at an improvised emergency hospital at Warrenton. This hospital will be arranged and the nursing facilities will be under the direction of Miss Birdie Dunn, the State Board of Health School Nurse who'is well known in Warren county, having recently examined several thousand school children in this county. child will be operated on until after first being examined by the speialist and found not only needing the oper-

Crawley told one of his friends who was wounded at the time he was he would soon pass over but was not afraid to die.

Crawley was the oldest child of Brother and Sister William S. Robertson and was baptized into the Fellowship of Reedy Creek Church when he was 17. He was a faithful loving son and a good soldier and lived for his Lord and therefore did not fear death.

His remains were laid to rest on the afternoon of April 10, 1921 in the presence of a large number of relatives and friends at his home; a spot selected by himself before going to the army. The pall bearers were Percy Ayscue, Willie King, Sidney Odom, Perry Conn, William Hardy, and Earnest Thompson. The casket was covered with the flag he lov-An experience specialist will do the ed so well, and Daniel Capps held the operating o these children. OUR BOYS MAK-ING PROGRESS

Sergt. Wagner, a rgular U. S army drill sergeant, is dividing his time between Henderson and Warrenton. He was here Tusday night and instructed Co. G. in triangular sighting. Next week classes will be conducted in bayonet work, physical exercise, care of the rifle, automatic rifle and machine gun, tent pitching and other subjects. Co. G. is making rapid progress. In attendance for April its record was the highest of any company.

The unsanitary privy is the most dangerous of these breeding places for it is directly from such sources that the fly carries the germs of ty-

eation safely and successfully done. As many as twenty children per day will be operated on if requesting operation. Every precaution is taken to take thoroughly good care of the children during the operation and afterward. A full force of experienced trained nurses will be present, and every child operated on will be put in a comfortable cot and watched closely until the morning after the operation. The anesthetic will be administered by a capable experienced physician, and every attention possible to assure the safety of the children will be available.

Any parent or guardian of a school child between the ages mentioned above who needs this operation may immediately file an application with Miss Birdie Dunn, Warrenton, N. C. in care of Superintendent J. Edward Allen.

More than twenty of the best pecialists in the State of North Carlina have volunteered their services to the State Board of Health for the future conduct of these clinics. Clinics have already been held in thirty-five counties. More than twen ty-five hundred children have been operated on during the past two years. The North Carolina State Medical Society in its recent meeting at Pinehurst endorsed by an overwhelming vote the conduct of this work and the best physicians of the State heartily endorse and commend the clinics.

Every physician in Warren county s hereby cordially invited to attend as much of the clinic as possible. (Signed) GEO. M. COOPER, M. D. Director

COKESBURY DEFEATS WARleaving poor stands. Big lettuce **RENTON IN 12-INNING GAME** crop shipped from Wilmington sec-

A twelve inning game was played on the Warrenton diamond Tuesday evening by Cokesbury's live youngsters against Warrenton's business men-so to speak.

It was an interesting game from the start-Cokesbury leading with two runs in the first inning. After Warrenton "found" Cokesbury's pitcher things began to even up and it was anybody's game to the twelfth inning when Cokesbury pushed one man over home plate breaking a tie score of six-six.

Two factors gave the game to the visitors: two costly errors, and slowness in base running. In base running Cokesbury had Warrenton from the beginning. In fielding and head work Warrenton was leading. Cokesbury's men were light and active and stole bases-just like the "greasy pig"; but Warrenton would cut them down by superior fielding.

The feature of Cokesbury's game was the pitching of Wayland Stainback; while Warrenton could mention with pride the pitching of More and of Lloyd and the fine work of Booth at second base.

It was a good game. Umpires Poindexter, and Pinnell

WARREN COUNTY BAPTIST

SUNDAY SCHOOL ASSOCIATION

About five hundred enthusiastic Baptist Sunday school folks met at Reedy Creek Baptis church Sunday for the purpose of discussing Sunday School problems and to listen to an address by Prof. H. T. Hunter of Wake Forest College.

Dinner was served in abundance. Interesting and instructive short talks were made by Mr. H. V. Scarborough of Macon, and by Miss Rodwell of the Southern Baptist Training School.

It was a great crowd and a great occasion and much good will be evolved from this commigling of Sunday School folks. The organization was made permanent, and the next meetto be decided later.

Mr. N. B. Weldon was elected treasurer and Mr. Jesse Gardner elected Secretary, with the re-election of Messrs. H. A. Nanney, H. E. Rodwell and J. Edward Allen as the Executive committee.
