

## R. R. SHOPMEN QUIT IN WAGE PROTEST

Dept. of Agriculture Issues  
First 1922 Cotton Report—  
Gettysburg Battle Refought

### MANY CELEBRITIES THERE

Railroad shopmen from the four corners of the country quit work Saturday in answer to the call from their union leaders. Although the walkout was reported general, it was impossible to estimate the percentage of the 400,000 union shop workers who laid down their tools.

No disorder of consequence has been reported in connection with the strike but in some localities extra guards are held in readiness to cope with any emergency.

Railway executives declare the railroads of the country will continue to operate, and the public will not feel the effects of the strike.

The six railway shop crafts unions which went on strike Saturday were outlawed by the United States Railroad Labor Board on Monday.

In a formal resolution the board declared that the unions, by their action, forfeit all rights by the board as railway employees and that a new organization of shop men taking the string men's jobs should be formed to represent the shop employes in dispute before the board.

The board requested employes remaining in the service and the carriers to take steps immediately to form new organization for the purpose of representing the shopmen before the board.

This year's cotton crop will be about 11,065,000 bales, the Department of Agriculture announced Monday in its first forecast of the season.

The total production was calculated on a condition of 71.2 per cent of a normal on June 25 and an estimate of about 34,852,000 acres in cultivation that date. The crop may be larger or smaller, according to conditions developing during the remainder of the season prove more or less favorable to the crop than average.

The area under cultivation June 25 and the condition of the crop on that date by state follows:

- Virginia: Acreage, 51,000; condition, 85 per cent.
- North Carolina, 1,601,000 and 76.
- South Carolina, 2,230,000 and 60.
- Georgia, 4,129,000 and 58.
- Florida, 122,000 and 75.
- Alabama, 2,995,000 and 68.
- Mississippi, 3,200,000 and 76.
- Louisiana, 13,111,000 and 69.
- Texas, 12,312,000 and 72.
- Arkansas, 2,853,000 and 80.
- Tennessee, 819,000 and 83.
- Missouri, 156,000 and 92.
- Oklahoma, 2,840,000 and 91.
- California, 210,000 and 91.
- Arizona, 105,000 and 85.
- New Mexico, 46,000 and 85.

The area this year is 34,852,000 acres, or 10 per cent more than the revised estimate of area in cultivation a year ago, which was 31,678,000 acres.

The conditions on June 25 forecasts a yield per acre of about 151.9 pounds compared with an acre yield of 125.5 pounds last year.

The June condition compared with 69.5 per cent of a normal on May 25 this year, 69.2 on June 26 last and 76.9, the average condition for last ten years on June 25.

President Harding was encamped tonight with 5,000 marines on the historic Gettysburg battlefield. Accompanied by Mrs. Harding and a few friends he went by automobile from Washington, arriving at the camp established by the marine corps in time to witness a late afternoon re-enactment of Pickett's famous charge. Shortly after arriving at Camp Harding, the presidential party went to an observation tower on Cemetery ridge to watch the maneuvers staged by the fifth and sixth regiments of marines, which helped bring fame to the second division overseas. Carefully rehearsed, the re-enactment of the Confederate charge was carried out with realistic effect.

No effort was made by the marines to represent the defense of the union forces during the three-day battle, which was fought on the spot 59

## Completes 50 Years Teaching at 81

There are very few persons in Little Rock, Ark., who have not come in contact with this very successful woman. She is Mrs. Bene B. Sterling, who now at 81 years of age has just completed fifty consecutive years of teaching in the public schools there. She started, in 1872. It is estimated 6,000 pupils have been in her classes.

years ago. The defense was theoretical entirely and the maneuvers were carried on by troops representing Pickett's men.

The campaign hats of the tanned marines were creased down the middle instead of piqued, to resemble the battered headgear of the Confederate soldiers. None of the men wore leggings and many of them were dressed in fatigue uniforms, others appearing in the sham battle without their olive drab suits.

After a fifteen minute cannonade by the tenth artillery, the marines in mass formation as Pickett's advanced, moved slowly forward. Adding to the realism of the spectacle men fell in their tracks as they advanced, while their comrades moved on toward what was once the union line. On reaching the "high water mark" the troops retreated and the maneuvers were over.

Among those who witnessed the spectacle with the President were General Perhing; General Lejune, commandant of the marine corps; General Smedley D. Butler, in command of the camp; Assistant Secretary of the Navy Roosevelt; Speaker Gillett; Senator Pepper, of Pennsylvania, and Governors Sproul, of Pennsylvania, and Trinkle, of Virginia.

## BOYS BEAT VISITING WOMEN IN BALL LOT

Hitting the apple hard and often this afternoon, the Warrenton team won from the American Athletic Girls by a score of 6 to 3 before a record crowd at League Park.

After two scoreless innings, Jones advanced to first with a single. Coach Clark slapped the horsehide forty feet over the fence but halted at third on account of ground rules. He tallied soon afterward on a fielder's choice. Other runs came in two later innings. Ellington caught a good game. Lefty Spain twirled for three innings and Loyd finished the game.

The visitors made their runs in one inning. The first basewoman played a good game but the women were slow on the paths.

Warrenton was credited with 12 hits and the women with 5. The game was played without squabbling and the crowd was pleased with the contest. The Warrenton team played good ball, with Manager Clark at first base.

## ALLEN SUPERVISES TOWN HIGH SCHOOL

Supt. of Schools J. Edward Allen, by permission of the County Board of Education, has been employed as city superintendent of Warrenton schools in addition to his regular duties as head of the school forces in the county, it became known here yesterday following a meeting of the Board of Trustees of the State High School.

Mr. Allen will not teach but his experience in school work will add greatly to proper functionings of all departments of the high school, the Board believes.

Supt. Allen and Mr. V. F. Ward are in Chapel Hill today for the purpose of finding a principal for the school. Misses Mariam Boyd, Gladys Gory and Lillie Belle Dameron have been re-elected teachers.

## CHIEFS RAID TWO STILLS ON FOURTH OTHER HONORS FOR WARRENTON LADY

Capture Two Negroes; One At  
Point of Gun, In Search For  
Booze Outfits In Shocco.

### IN COURT HERE MONDAY

"Drop that gun!" Chief Green told Mark Richardson, 35 years old, on July 4 at the colored man's home in Shocco Township. The negro slowly obeyed and was put under \$200 bond to appear here before Recorder T. O. Rodwell on Monday. Chief T. H. Robertson stood guard over him as Mr. Green searched for Cephas Thomas in the woods nearby. He arrested Thomas without any trouble and he is under bond to appear on Monday.

The two town officers left here early Independence Day and spotted a still between Shady Grove and Lickskillet about 9 o'clock. The plant had been in recent operation and 150 gallons of mash was poured out. The paths led to the Richardson home and the officers found Thomas and Richardson there. Richardson was about drunk.

He denied knowledge of the still but stepped into the house. Green was waiting for him when he came out on the opposite side. Richardson had a shotgun, loaded with number 2's, and started to run. He hesitated and turned toward Green with the gun. "I'll kill you if you don't drop it," Chief argued down the barrel of his pistol. The shot gun came down.

Thomas had taken to the woods in the melee, but he was overtaken and arrested.

The officers, after bonds had been arranged for these two negroes, raided another plant within a mile of the first. No one was seen.

Both stills were made of steel barrels with copper attachments.

Two Games With Littleton. Warrenton and Littleton will play ball here on next Friday and in Littleton on Tuesday.

Mrs. V. L. Pendleton Presented  
To State Convention At  
The First Service.

### CALLED AN INSPIRATION

Christened "the mother of the N. C. Philatheas" at the Baraca-Philathea Convention of 1921 in Henderson and presented to the convention at the opening service in Hendersonville in 1922 were honors thrust upon Mrs. V. L. Pendleton of Warrenton.

Mrs. Pendleton, now in her 85 year, has been thoroughly identified with the social, civic and religious life of Warren for three decades. She has recently returned from the Baraca-Philathea convention in Hendersonville where she was on the program for a brief address and where she was an inspiration to the State workers in this Christian cause.

Mr. Hudson, founder of the movement, said in Hendersonville, "I shall remember you and your wonderful face so long as I live." Dr. Morrison of Kentucky in saying farewell added "you have been an inspiration to me." Among resolutions passed by the convention thanks were returned that the oldest member of Philathea had been spared as a living example of righteousness to both old and young.

Obtaining these facts from one in attendance upon the convention, we asked Mrs. Pendleton to give us an account of her trip which we will publish in the next edition. We are certain that her many friends will anticipate it with pleasure.—Editor.

## COACH CLARK NOW IN CHARGE OF TEAM

R. M. Clark, former manager at Henderson, came to Warrenton on Wednesday as playing coach with the local club. A letter from the manager of the Henderson team highly recommends Mr. Clark.

Coach Clark is originally from New York. He has played professional baseball for a number of years and he has also played professional basketball. He will have entire charge of selecting players and the management of the team on the field.

"Every man who comes out here," he told the squad at League Park yesterday, "will get a square deal. We want to be good fellows together and want a spirit of pulling together all the time for the good of the club. We don't want any crabbing. When a man misses a ball, he regrets it more than any one else. Talk to him, cheer him up and keep pep in the old game all the way through," he concluded.

More than 15 candidates were out yesterday and Coach Clark will have, a player said yesterday, the co-operation of the fellows in turning out a winning team.

In North, East and Central Texas the crops were especially poor.

## GARDNER LEADS IN RACE FOR REGISTER

Dowtin Loses Democratic Nomination By More Than 100;  
Many Women At Polls.

### CLOSE RACE FOR SHERIFF

Simon M. Gardner carried Warren County by a majority of 108 in the second primary of Saturday and won the democratic nomination for Register of Deeds over J. A. Dowtin, who has been in power in Warren since 1900. H. E. Rodwell, the other new ticket candidate, lost to Sheriff R. E. Davis, who has been in office 22 years, by a majority of 13.

The vote for Rodwell was a surprise here as many persons, keeping tab on the Gardner-Dowtin record, did not even tally the vote for Sheriff Saturday night, conceding the nomination to Davis. The vote in Roanoke Township, where Davis had 25 to 1, was the deciding factor.

The official vote:

Precinct	Dav	Rod	Dow	Gar
River	123	143	111	154
Six Pound	62	150	56	168
Hawtree	166	145	187	132
Smith Creek	33	60	32	60
Nutbush	89	43	88	44
Sandy Creek	45	41	32	53
Shocco	48	55	49	55
Fishing Creek	40	65	42	64
Judkins	127	89	129	90
Warrenton	292	242	259	282
Fork	53	38	47	45
Roanoke	25	1	24	2
Norlina	95	105	92	107
Total	1199	1186	1148	1256

"The election rewrites the political map of Warren County," a new ticket man said on Saturday night to a group of friends.

J. A. Dowtin said today when asked for a statement by The Warren Record: "I wish to thank the public for their support during the past years. I harbor no hard feeling. Some of those from whom I had reason to expect support did not give it to me, but that's all over now."

Said Simon M. Gardner: "I appreciate the expression of confidence nominating me at the polls on Saturday as the democratic candidate for Register of Deeds in Warren. It will be my earnest endeavor to merit your continued confidence by a faithful discharge of the duties of the office, after the general election in November."

Hugh E. Rodwell of Macon, who was in town on Monday, said in speaking of his candidacy for Sheriff "I was disappointed at my vote in Warrenton."

"Weren't you surprised at the run you made?" he was asked.

"No. The vote was much like I had expected."

Sheriff Davis: "I haven't anything to say. You know, I don't talk much."

Many women took part in the campaign and there was interest by a large crowd from over the county in town on Saturday night. The election was quietly conducted, and the will of the voters was written.

## As Four Horsemen Ride In Coal Fields

The four horsemen are stalking in the coal fields of the United States, despite the seeming unconcern of the nation for an early settlement of the strike. Conquest, War, Famine—and Death—those are the silent riders which mine families are facing hourly in the struggle between operators and miners. Even while President Lewis of the United Mine Workers was in Washington, conferring with Secretary of Labor Davis—(below), and later with President Harding, riot was ruling at Herrin, Ill., where forty were killed and many wounded before order was restored. Above is shown all that was left of the power house at a strip mine in Herrin, Ill., after dynamite and the torch had been applied. President Lewis refused to agree to plans proposed by President Harding and Secretary Davis to end the strike.
