

BUILDING & LOAN DIRECTORS CANVASS TOWN FOR STOCK TODAY AND SATURDAY

Losing Team To Be Host At
Dinner In The Hotel Warren
On Next Tuesday.

WILLIAMS NAMED ATTY

Enthusiasm in the building and loan campaign in Warrenton was much in evidence last night at a harmonious session of the Board of Directors in the Bank of Warren of the recently formed home builders association and the teams which canvass Warrenton today and tomorrow were eager to help carry the total subscription to the goal of 1000 shares.

The town has been divided into two camps with Milton C. McGuire leading the Northern end of the city and President W. N. Boyd heading the rival clan of stockholders from the Southern end of Warrenton. The campaign will close on Saturday night at 9 o'clock when a stock vote will be held in the office of Sec-Treas. Witherspoon.

The losing team will pay for a supper at the Hotel Warren on Tuesday evening. Members of the North End Canvassing Committee are Chairman M. C. McGuire, C. R. Rodwell, E. E. Gilham, Weldon Hall, C. F. Moseley, S. E. Burroughs. The Southern team is composed of Chairman W. N. Boyd, Walter M. Gardner, W. Brodie Jones, Gordon Pindexter, James B. Boyce Jr., W. R. Strickland. Market Street, running East and West by the Citizens Bank, is the dividing line.

The Board of Directors elected B. B. Williams as attorney for the first year of the association and passed upon other matters relative to by-laws.

More than 700 shares have already been sold by L. C. Witherspoon, promoter of the association, and this stock is to be divided between the two teams. The contest comes in a race for the other shares which will carry the association shares to the total of 1,000 or more.

Remit to Mr. Witherspoon. Shares of stock will be payable at the office of Secretary-Treasurer L. C. Witherspoon on Saturday. The series opens on that date and those who subscribe for the paid-in stock as well as those who subscribe by the week are to remit immediately to Mr. Witherspoon. Stockholders who will pay by the month must make their remittances before the 15th.

Highway Commission Authorizes Survey of Road to Lee Grave

Believing that Hon. John Sprunt Hill, Highway Commissioner for this District, would be delighted to do all in his power to aid in paying honor to the daughter of General Robert E. Lee who died in Warrenton County in 1862 and is interred in North Carolina soil, I asked that he designate one of the Highway Engineers to lay off a road from the Jones Springs-Henderson road to the cemetery in which Miss Lee is buried. I stated that this road would be about half to three-quarters of a mile in length, and that I desired that a calculation be made of the cost of a sand-clay road, it being my purpose to ask the General Assembly to construct the road as a testimonial of love and esteem for the Lee family. I explained the fact that it was a private cemetery and why she was buried there and why the condition of the road and the surroundings are such as they are.

Mr. Hill replied that he doubted his authority to designate a State engineer to do this work, but that he was in hearty accord with my plan and suggested that I appear before the full Commission at Raleigh on the 27th of October; that if the Commission did not feel that this work should be done by the State as a testimonial of gratitude for the care of Miss Lee's grave, that he would donate \$50.00 to aid in having this survey made.

I appeared before the Commission as suggested. Mr. Hill stated the purpose of my presence, I made a three minutes talk, and on motion of Hon. J. Elwood Cox, the Commission unanimously ordered the work done.

I write this for the information of the citizens of the county and because I feel that Mr. Hill should have credit for the interest he has taken in this patriotic enterprise.

Bringing a message of cheer and courage from beyond the 85th milestone and from a wealth of experience gleaned from years of active teaching, Mrs. V. L. AIRPLANE DROPS FROM NEW YORK

First Lieut. Sam M. Connell Calls
Unexpectedly Upon The
Folks At Home.

500 MILES IN 4 1-2 HOURS

A big DeHaviland airplane soars aloft this afternoon between Warrenton and Warren Plains, heads to the East and Lieut. Sam Martin Connell and Sergeant W. R. Selig turn toward Langley Field and New York after a short visit to Mr. and Mrs. W. A. Connell. Lieut. Connell dropped in upon the folks on Tuesday from New York, having flown from Mitchell Field, Long Island, to Warrenton in four and a half hours.

The plane left for North Carolina at 7:30 o'clock on Tuesday morning, stopped in Washington for half an hour, again at Langley Field, for one hour and forty-five minutes and breezed over Warrenton at 2:15, after covering a distance of more than 500 miles.

Fire Ruins Meeder's Store at Vaughan

Fire completely destroyed the store and stock of J. A. Meeder at Vaughan near midnight Tuesday, jumped the road and wrecked a blacksmith shop belonging to the Rev. D. A. Fishel and made a complete night of destruction of everything in the block by sweeping away a storage house which belonged to J. A. Myrick. The fire started soon after the midnight train had passed and it was said at Vaughan on Wednesday afternoon that a spark from the train probably caused the blaze.

When discovered by J. H. Harris Harris the fire had wrapped the large wooden, two-story building in a sheet of flame. Three automobiles, a horse, and the stock of goods of J. A. Meeder went away in smoke. Heroic efforts by a volunteer fire force saved the surrounding dwellings. There was little insurance upon the property.

MORE ROOMS FOR HOTEL WARREN

Stockholders Authorize Board
To Spend \$30,000 For
An Annex.

WORK TO START AT ONCE

Thirty thousand dollars was voted by the stockholders of The Hotel Warren at a meeting on Monday evening to build an annex to the present building. One of the directors said yesterday that this would provide and furnish, in the opinion of several members of the Board, about twenty-two rooms.

An architect was here this week to submit plans and the Board plans to commence work at an early date. The funds are to be raised by a mortgage on the property.

The addition contemplates no amusement or large banquet hall as had been suggested, a member of the Board told this week. "We feel like every addition should be to provide more room for persons to sleep," he said.

The action of the stockholders was practically unanimous for the hotel has been crowded again and again and persons wishing to live there have had to be turned away.

The annex will be built in the rear of the hotel and will face "Fifth Avenue."
