say its true," said the former Gov- ernor of New York.

"It is a labor of love for us and we have spent our time together working on it.

"We will make our announce- ment in a short time. We have everything ready."

North Carolina Industrial Review

The following record of industrial activity lists items showing invest- ment of capital, employment of labor and business activities and opportunities.

Mt. Airy—Salvation Army moved headquarters in Banner building.

Danbury—Work started on plac- ing oil, tarvia and gravel on high- way between this place and Buck Island bridge.

Kinston—Tobacco receipts for season passed 2,000,000-pound mark recently.

Pinehurst—Pinehurst Printing Co. changed hands.

Spindale—Sunday school build- ing of Methodist church formally opened.

Aberdeen—Tobacco market open- ed for business.

Mt. Airy—Rockford Street Metho- dist Church formally dedicated.

Aberdeen—Vass Cotton Mills Company started operations.

Durham—American Tobacco Co. plans addition of five tobacco warehouses to East Durham hold- ings.

Hickory—New equipment to be purchased by fire department.

Morgantown—\$150,000 Grace hos- pital building dedicated.

Construction of highway from Columbia to Fort Landing com- pleted.

Fuquay Springs—Tobacco market opened.

Canton—\$300,000 bond issue to be voted upon to provide funds for

construction of three school build- ings.

Lexington—Plans discussed for construction of courthouse building for Davidson county.

Wendell—Tobacco sales for season passed 1,000,000-pound mark.

Mineral Springs—Bids opened for construction of school building.

West Hickory—\$1,500 bond issue to be sold to provide funds for erec- tion of municipal building in this place.

Southern Bell Telephone and Telegraph Company made applica- tion to War Department for per- mission to raise its wires over new intra-coastal waterway between Beaufort and Cape Fear River at points where waterway is to cross Wilmington-Carolina Beach high- way near Carolina Beach.

Raleigh placed on air mail route.

Wilmington—Hangar to be con- structed at local airfield.

Asheboro—Acme Hoisery Mill building addition to plant.

Raleigh—State fairgrounds im- proved at cost of over \$63,000 in preparation for fair this week.

Public utilities absorb one-fourth of all money invested each year in the United States.—New England Utility News.

Efforts being made toward ration- alizing production of petroleum and its conservation will produce bene- fits which will accrue to the pres- ent and future consumer of pe- troleum products.

Total expenditures of Federal government in 1903 were \$521,000,000 as compared with \$3,848,000,000 in 1928, or an increase of 640 per cent in 25 years.—Frank E. Packard, Attorney for Standard Oil Company of Indiana.

proceed with increased revenue to the farmer.

Combined monthly statements of the State Treasurer and Auditor recently made public show a cash balance in the general fund on September 30 of \$2,565,681.70 and in the highway fund \$5,922,996.65.

Total indebtedness of the State at that time was placed at \$174,792,600. Receipts for the fiscal year for the general fund total \$4,925,896.61 and for the highway fund for the same period \$5,922,996.

The State Highway Commission recently opened bids on projects in- volving the construction of twelve projects in eleven counties of the State in which around three-quar- ters of a million dollars will be ex- pended. The projects include hard-surface highway jobs, im- proved earth type roads, an over- head crossing and one bridge.

The Supreme Court holds, in an opinion written by Justice Connor, that the National Bank of Green- ville was liable for the amount of \$359.03 paid out on a tobacco check presented by a party other than the one to whom it was made pay- able, the defendant having con- tended that it was customary for the tobacco checks, although made to definite payee, to go through as though made to bearer.

Commissioner of Agriculture Wm.

A. Graham has decided on a tour of the State in company with seed authorities from the Federal Gov- ernment in the hope of preventing the further practice of the distri- bution of spurious seed which, it is said, has been foisted on the pub- lic by unscrupulous dealers. The

Gardner slogan is pure bred seed and to make this a fact rather than a theory it is proposed to use more than a pound of cure.

Fisheries officials of the State re- port the annual production of oys- ters to be approximately 560,000 bushels and an increased demand

for all sea food products. The sea- son for speckled trout, gray trout, croakers, spots, flounders, corned herring, sea-bass, drum, bluefish, mackerel, mullets, and shrimp has also opened and is welcomed by consumers throughout North Car- olina.
