Committees Are Organized To Help Poor In County

Finding it impossible for Miss Lucy Leach, superintendent of welfare in Warren, to visit and investigate all calls for relief now coming in, the Welfare Board is organizing the county in an effort to meet these conditions.

Representative citizens in each township have been written to requesting that they form an investigating committee to co-operate with the board in this work. These various committees are asked to investigate each needy case called to its attention and to try and get help through the Woman's Club or some church organization in its respective neighborhood.

Miss Leach pointed out that industrial depression has caused calls for relief to multiply rapidly in the county and expressed the hope that citizens would co-operate to the fullest extent in relieving suffering among unfortunates in the county.

Half Proceeds Seal Sale Stays In County

Half of the proceeds from the sale of Christmas Health Seals this year will be used for a milk fund for undernourished school children, Mrs. C. P. Allen, local chairman, announced this week. The other half of the proceeds go to national headquarters of the Tuberculosis Association to be used in the fight being waged against the Great White Plague.

Seals will be put on sale here around the first of December, Mrs. Allen said.

"Stamps were used as a means of raising money for hospitals as long ago as the Civil War," the chairman pointed out. "In 1897 such a stamp was sold in Australia to secure funds for the establishment of a tuberculosis hospital. But it is to the inspiration of a Danish postal clerk, Einar Holboell, that we owe the Christmas Seal idea as it has developed in the past 25 years. He it was who in 1903 interested his government in the idea of a sale of stamps at Christmas time to build a hospital for tubercular children. The idea was adopted in this country in 1907. From the first such stamps have had a double value. They have been effective as a means of money raising and they have been a potential vehicle for the spread of health education."

Commenting on the Seal Sale yesterday, R. C. Cox, principal of the John Graham high school, said that there were more than 100 undernourished children enrolled at the local school. Pointing out the need for funds to provide milk for these children, he expressed the hope that citizens would respond liberally in purchasing the seals, not only to aid in the fight on tuberculosis made over the nation, but also to help in a splendid cause locally.

Accidental Shot Proves Fatal To Boy On Sunday

Robert Coleman, 14-year-old son of Mr. and Mrs. C. C. Coleman of Paschall, was instantly killed on Sunday morning when the load from a pump gun entered his right side at close range.

The young Coleman boy, W. T. Paschall, J. Van King and Claude King were enroute to the river with guns and dogs, it is reported, when the car became stuck on a muddy stretch of road. The men got out of the car to push when the explosion of the fatal shot was heard. It is believed that one of the dogs, frisking in excitement, struck the trigger of the gun.

Funeral services were conducted from the home on Monday afternoon at 4 o'clock by the Rev. Mr. Midyette, Methodist minister of Norlina. Interment was in Jerusalem church cemetery.

The young boy is survived by his mother and father and one sister.

Mrs. H. B. Arrington Celebrates Birthday

With as much activity and alertness as could be expected of one a score of years younger, Mrs. Hannah Arrington celebrated her 91 birthday at her home here on Monday entertaining her family and giving a warm welcome to her many friends who dropped in at her home to express love and best wishes of the day.

From 4 to 5 o'clock in the afternoon Mrs. Arrington entertained her children and sisters at a three-course dinner. Mrs. Sue Prewell of Franklin, Va., and Mrs. Mary Beckwith of Petersburg, Va., were the only out-of-town members of her fourteen guests who composed the family party. Chrysanthemums and candles graced the table on which was a beautiful birthday cake covered with 91 candles.

In addition to her many callers, a large number of friends from distant places remembered Mrs. Arrington on this occasion with telegrams and letters carrying best wishes.

Miss Hunter Says Growers of Cotton Must Co-operate

Farmers must work together to put the cotton growing industry back on a paying basis, Miss Margaret Hunter, local employee of the North Carolina Cotton Growers Co-operative Association, says in an open letter to The Warren Record in which she urges citizens to pool their cotton. Her letter follows:

"Opportunities are always open to those who can see, hear, and understand. Now, as always, opportunity is knocking—not once, but many times.

"We haven't time to puff at our pipes, pull our ears and grumble over hard times. Now is the time to tighten our belts, roll up our sleeves and go to work. Not blindly, pushing frantically with no idea where the cart is going; but with eyes open, brain alert, and a clear vision.

"Now, more than ever before, we need teamwork, cooperation. How much happier is the family in which all of the members work together toward a common cause! Aren't we, the farmers of North Carolina, all members of one huge family? We are working with one

Auxiliary Nets \$75 From Minstrel Show

Approximately \$75 was netted as a result of the Dixie Blackbird Minstrel's staged at the John Graham high school auditorium on last Friday night under the auspices of the American Legion Auxiliary, a member of the committee in charge said yesterday.

While the play failed to reach as high a standard as other productions staged here in years past, this was felt to be due in large part to the type of play, rather than to any lack of histrionic ability. Especial mention is due L. C. Kinsey, who played the most difficult part well, to little Miss Mary Harrison of Henderson for vocal numbers, to Misses Arline Lindsay and Anna Cohoon, to the juvenile choruses, to John Henderson and Henry Anderson for their harmonica selections, and to A. J. Ellington who starred as the negro preacher in perhaps the best scene of the minstrel proper.

Proceeds from the play will be sent to Oteen for disabled World War Veterans, it is said.

False Alarm Cause Many to Leave Play

A false alarm was thrown in at the fire switch in south Warrenton last Friday night about 9:30 o'clock. It is not known who threw in the switch.

The siren shrieked for only a few minutes before the falsity was discovered, however the alarm drew many from their seats at the local school where a home talent play was in progress. The play continued and those who left the auditorium soon returned, as did those who had been called from their fireside and various other places.

LOCALS TO CLASH A BENEFIT GAME

John Graham School Football Players to Clash With Spring Hope Tuesday

Football players of the John Graham high school have battled for the fun of the game and for the glory of their school in weekly clashes since the formation of a football team here this Fall. Next Tuesday afternoon they will clash with Spring Hope in order to provide funds for undernourished schoolmates.

The game will be called at 3:15 o'clock and is expected to draw the largest crowd of the season. Spring Hope defeated Warrenton two weeks ago at Spring Hope. The local boys are determined to have their revenge Tuesday afternoon as well as to provide funds for a good purpose.

The local boys will play Whitakers this afternoon at Whitakers. This is the second game that Warrenton will play with this team. Whitakers met the locals in the first game of the season here and took home the big end of a 13-7 score.

Warrenton defeated Norlina here last Friday afternoon to the tune of 20 to 12 in one of the hardest fought games of the season. Starving for the locals were Halthcock and Terrell, the former scoring two touchdowns and the latter one. John Drake kicked across the goal bar twice for extra point. A pass for extra point failed.

Duke, Weldon and Watkins furnished the driving punch for Norlina. Duke scored both touchdowns for Norlina. Tries for extra points failed.

The Warrenton Kiwanis club entertained members of the football squad at supper last night at which time various members of the club expressed their appreciation of the fighting spirit shown by the team and told them to go to Whitakers day with a determination to win.

"The formation of the football team marks a new area in education in Warren county," J. Edward Allen, superintendent of school, said. "Their example will, I believe, be followed by other schools, and will mean a better balanced system of education."

E. E. Gillam, president of the Kiwanis club, told the players how glad the organization was to have them as its guests and expressed his appreciation of the work of Manager Bob Bright and Coach Jimmy Mayfield, and for the fine spirit shown by the whole squad in all its games.

Both Manager Bright and Coach Mayfield told of how much the backing of the Kiwanians had meant to the team and what a splendid bunch of boys they had with which to work. They expressed their thanks to L. C. Kinsey for his work as referee during the various games in which the team has engaged. "It is not whether you win or lose that counts in an athletic contest, but how you play," Mr. Bright continued, "and I am happy to say that these boys play the cleanest, most sportsmanlike game that I have ever seen. The lessons they learn on the football field will be of great value in the game of life."

Loyd Kinsey said that in his refereeing that he was impressed by the clean play by members of the team, and how much pleasure he derived from his association with the boys.

James Poindexter, captain of the team, speaking in behalf of the squad, expressed his appreciation of the Kiwanians' hospitality and for the splendid backing given the team by the organization.

Bruce Howell, team mascot, was called on for a speech and responded "I think that's its a fine team."

Announcing that a benefit game will be played with Spring Hope here next Tuesday afternoon, President Gillam appointed W. N. Boyd, M. C. McGuire and Bill Hunt a committee to ask the merchants to close their stores on the afternoon in order that the town may turn out in full force.

Tickets will be placed on sale by the school children today and it is expected that a large crowd will be present to cheer the boys on next Tuesday.

Members of the squad present with Coach Jimmy Mayfield and Manager Bob Bright were Pettis Terrell, Clifton Tucker, Edward Grant, John Baird, Frank Ridout, Gill Allen Jones, James Poindexter, Allen Peoples, Thomas Overby, Jack Riggan, Raymond Harris, Jim Frazier Jr., John Drake, Edward Hunter, Wallace Hayes, Edward Hall, Albert Paschall, Woodrow Parker, and Bruce Howell, mascot.

Negro Man Shoots Father When He Refuses Shelter

Because his father refused to feed him during the winter, George Davis, negro, fired a load of bird shot into the back of his head at close range and as a result is in Warren jail awaiting trial at January term of Superior court on a charge of assaulting Henry Davis with a shotgun. Henry Davis was not fatally hurt.

George Davis had been leaving home for several years during the summer, according to evidence at the preliminary hearing before Magistrate W. C. Ellington at Warrenton on Wednesday. In the winter he would come home and board without cost upon his father at his home near Churchill. This year the head of the family grew tired of this practice and told his son that he would have to leave home as he was unable to feed him.

Obtaining a shotgun, George Davis, it is charged, hid behind a barn late Monday afternoon and fired upon Henry Davis as he was entering his house. The load of bird-shot struck Henry Davis in the back of his head at a range of about 30 steps. A few inches lower and death would have resulted, officers declare.

George Davis was arrested at Henderson on Tuesday by Vance officers and brought back to Warrenton late that afternoon by Constable R. O. Snipes.

Magistrate Ellington found probable cause at the preliminary hearing on Wednesday and bound the negro to court under \$1,000 bond. Unable to raise this amount, George Davis is in jail.

Citizens Asked To Give to Orphanages

Several thousand helpless children are in dire need," M. L. Shipman, chairman of the orphanage publicity committee, said this week in appealing to citizens to contribute the income from one day's labor to their favorite orphanage as a Thanksgiving offering.

"These children do not know their own sad plight," he said. "They are mute, indulging in the rosy dreams of childhood, thinking all will go well, but we know better and will refuse to accept the challenge at the peril of the coming generation. Surely the offering will be big and generous.

"Orphanages and other agencies are crippled by the falling off of contributions due to the industrial depression. Especially is this true of the last few months. Our generation has had no such challenge as this. The very difficulty of the situation ought to call out the greatest Thanksgiving offering made in years. It is characteristic of a great hearted people to rush to the breach in the ranks at any time of great peril."

Those interested are asked to forward contributions to the orphanage of their choice, or through their church, fraternal order or community club.

"We wish all contributions sent to my home the day before Thanksgiving," Mrs. Pendleton continued. "I will see that they are properly packed and delivered. They must reach my house by 1 o'clock on Wednesday.

"Christmas dinner can be left at Burrough's Grocery Company the day before Christmas for Mr. Powell to take to the home."

MANY RESPOND TO ROLL CALL

Indications Are That Warrenton Will Oversubscribe Red Cross Quota

CANVASS HERE SUNDAY

With outlying communities to be heard from, Warrenton county's annual Red Cross Roll Call will exceed its quota of 400 members, according to all indications, Mrs. Katherine P. Arrington, county chairman, announced yesterday.

Two hundred and twenty-six members were secured on the canvass of Warrenton by committees operated at Hunter Drug Co. on Monday and at Boyce's on Monday and Tuesday by Misses Katherine Arrington, Sara Ward and Maxine Drake added 78 more names. Macon, Norlina and Littleton will make their roll call on Sunday and it is expected that these towns, with scattered memberships from other sections, will bring the total number well above the 400 mark and give Warrenton county an honor flag again this year.

Mrs. Arrington expressed her appreciation to the members of the committees who have secured these memberships and to the citizens of Warrenton for their response.

The canvass of Warrenton began on Sunday afternoon when committees met at the Episcopal church at 2:30, heard prayer by Dr. J. T. Gibbs, Methodist minister, and a poem on the meaning of the Red Cross read by Mrs. Ellis Mulliken, National Field Representative. After the roll call here in the afternoon the committees reported to (Continued on page 8)

Mr. Polk's car when found by the Pitt sheriff is said to have contained several automobile tires, cigarettes, candies and clothing.

Jernigan is reported to have told officers that there were two other men with him at the time of the car theft. They, he said, had stolen a car belonging to a minister of Franklin, Va.
