GIBBS MAKES Cooper Is Named **District Councilor** Of Junior Order

P. W. Cooper, principal of the Afton-Elberon school, was named Councilor for the 20th district of the Junior Order of American Mechanics at an officers conference held at Kittrell on last Friday. Sam Davis, mail carrier and member of the Norlina chapter, was named Inside Sentinel.

Ten of the fifteen councils in the district were represented at the meeting in the fternoon and represenatives of others appeared at the night session. The sessions opened at 4:30 in the afternoon and lasted well into the night. A supper was served to those present by a group of ladies at 6 o'clock and a night meeting followed at 8

T. P. Gholson of Henderson was the chief speaker at the conference. His subject was "What the Junior Order Means to the Com-

Plans for the coming year were discussed at the conference of officers. The Granville council of Oxford was awarded the December meeting and the Franklinton council the meeting to be held next April. Officers elected at the meeting were: F. A. Roth, Louisburg, Junior Past Councilor; P. W. Cooper. Elberon, Councilor; J. W. Freeman, Youngsville, Vice-Councilor; G. S. Gilliam, White Level, Warden; J. S. Albright, Henderson, Recording Secretary; Hill Yarborough, Louisburg, Conductor: Sam Davis, Norlina, Inside Sentinel; Charles Hudson, Louisburg, Outside Sentinel; A. W. Gholson Jr., Henderson, Publicity.

Branch Suspended From Tar Heel Team

CHAPEL HILL, Oct. 14.-Johnnie Branch, of Salisbury, quarterback, and Roy McDade, of Lenoir, tackle, both all-State men in 1930, were suspended from the University ry him through the winter. The cotof North Carolina's football squad ton was grown on 45 acres of land, today for the "remainder of the season" by Coach Chuck Collins.

Collins called the squad together the two players had been suspended for "breaking training in Florida." The Tar Heels battled Florida to a scoreless tie in Gainesville last Saturday. He did not enlarge upon his statement.

Branch has been the mainstay of the Tar Heel offense for the last two seasons.

Polk To Speak At Library Tonight

William T. Polk will talk tonight demains Unchanged at 8 o'clock at the Warren County Memorial Library. The subject of his talk will be his recent cruise around the world. The public is invited to attend.

WHITE MEN ARE **CAUGHT AT STILL**

Given Hearing Before Com-missioner Hardy; Two Out On Bail; One Is In Jail

DESTROY COPPER OUTFIT

Three white men were arrested and a 30-gallon copper outfit was destroyed when a raid was made back of the George Holtzman place near Drewry on Saturday by J. T. Ellington, H. E. Brewer, W. C. Watkins, W. G. Watkins Jr. and L. B. Watkins

The men-Carl Holtzman, West. ley Allen and J. C. Rocher-were given a hearing before U.S. Federal Commissioner J. C. Hardy at Norlina on Saturday afternoon Holtzman was placed under \$400 bond and Allen and Rocher were placed under bonds of \$300 each. In default of bond Holtzman was carried to the Vance county jail to await trial in Federal court. Bond was furnished by the other two

According to the evidence before the Federal Commissioner the men were caught "red-handed" at the still. The still was manufacturing what was termed as banana brandy when the officers swooped down on the distillers, it was said.

Girl Scouts Hold Meeting Wednesday

The Cherokee group of Girl Scouts met Wednesday in the scout oom. The meeting was called to order by Miss Kimpall, who acted as chairman since one has not been elected. The secretary called the roll. Scout Holt held the flag while we pledged allegiance. The report from the treasurer was that we had fifty cents (50c) taken at the elected flagholder and Scout Law.

The time for the meeting is 3:30.

walls as a class project. The meeting was then adjourned.

The scouts are making aprons and pressing wild flowers as points of merit for badges.

SCOUT DAMERON.

Telegraphone May

CHICAGO.-Every home can use Julius Rosenwald. The instrument, invented by Poulsen of Copenhagen by William Dubilier of New York.

The telegraphone takes calls in the absence of its owner. It replies to calls that nobody's home, but

The vocal registration is simply a reproduction of the voice, similar to a dictaphone. The phone then switches to a recording setup and takes down the message of the caller. When the owner returns, he and larceny were the counts which switches on the reproducing device and hears messages received in his absence.

A German is manufacturing the
