

WARREN GIVES ROOSEVELT 2665

Hoover Fails To Receive Single Vote In Three Precincts: 1 In Roanoke

VOTE REPUBLICAN

Official election returns for Warren county, released at the courthouse door at Warrenton yesterday afternoon at 4 o'clock by C. F. Wender, chairman of the Warren County Board of Elections, revealed that Governor Roosevelt received 2665 votes; President Hoover, 110; Norman Thomas, Socialist, 4; Upshaw, Prohibitionist, 6.

In the race for Governor J. C. B. Ehringhaus, Democratic nominee, polled 2707 votes. His Republican opponent, Clifford Frazier, received 2713 votes.

Democratic nominee Robert R. Reynolds, candidate for the United States Senate, polled 2633 votes for the short term, and 2686 votes for the long term. Jake F. Newell, his Republican opponent, received 27 votes for the short term and 92 for the long term.

Commissioners Hold Uninteresting Session Monday

The Board of County Commissioners meeting in regular session at the Warrenton courthouse on Monday with all members present, passed one of the quietest days in its history and adjourned in the early afternoon.

Passage of routine matters, interspersed with speculation as to the outcome of the election the following day, occupied the attention of the members. No delegations and few spectators were present.

The board voted that a telephone be installed in the office of the superintendent of public welfare, to be used during the rush relief season when this office is handling large numbers of calls.

Hunters Agree On Changes In Law

Proposed changes in the game laws were agreed upon by Warren county sportsmen who gathered in the courthouse Saturday afternoon and appointed E. Hunter Pinnell and J. A. Dowlin to represent Warren at the State-wide meeting of sportsmen which is to be held at Raleigh on November 15.

After matters pertaining to fishing and hunting had been freely discussed, the following agreement was reached:

That no hunting with gun be allowed except between the dates of November 15 and February 15. That the hunting of opossums and raccoons be forbidden except between October 1 and February 15. That it was unanimously agreed to make that no change in fishing law be made, and that hares may be hunted with dogs all the year, with change in the trapping law.

Bank of Macon Pays 10 Per Cent

The bank of Macon, which closed its doors on December 31, 1930, this week paid its depositors 10 percent of their claims. This, the first payment made by the bank, totaled \$2300, according to J. A. Dennis, Liquidating Agent.

CITIZENS GATHER AROUND RADIOS

Early Returns Show Drift And Results Are Known Before 9 o'Clock

VOTING VERY ORDERLY

The shouting and the tumult dies. The Captains and the Kings depart.

Voters nearly 3000 strong marched to the fourteen voting precincts of Warren county on Tuesday to add their votes to the avalanche of ballots that swept Republicans from power over the nation.

Voting was orderly in every section with a holiday atmosphere as merchants in the towns of the county waited on an occasional customer and spent most of the day speculating rather gleefully over the Democratic prospects.

Within less than an hour after the polls closed, the presidential vote was announced in each of the precincts and citizens gathered around radios in their homes to receive returns from over the nation.

A few scattering returns began coming in around 6 o'clock in a broadcast by the two great broadcasting systems, aided by nationwide newsgathering agencies.

By 7 o'clock these returns were sufficiently strong to indicate the drift in several states. As minutes passed it was indicated in state after state that it was going Democratic. Roosevelt early gathered a lead which he held throughout the indicated Hoover electoral votes swinging from 41 to slightly more than a hundred, gradually receding to 59 as the night wore on.

At 8 o'clock it was practically a certainty that New York would drop into the Democratic column, blasting any hope of success that the Republicans might have entertained.

At 8:20 o'clock, with less than one-tenth of the ballots reported and with less than half of the vote of New York tabulated, William Ford, political commentator of the Columbia Broadcasting system, announced that, upon the basis of reports, Governor Roosevelt would be elected.

Before 9 o'clock extras were on the streets of New York, Chicago and other cities conceding the defeat of President Hoover.

From this hour on until morning, mounting returns indicated (Continued on Page 8)

Routine Matters Occupy Attention Board Education

District budgets of Afton-Elberon and Norlina Special School Districts, held up by committeemen on account of high school's disputes, were approved and ordered signed by the Board of Education, meeting at Warrenton on Monday in an unusually light session, occupied mostly with routine matters.

Edward Alston, citizen of Fork and familiar figure around meetings of the county boards during the past few years, appeared before the Board of Education to protest against the attempt of a colored P.-T. A. committee of his community to collect a fee from users of trucks for colored pupils going to Warrenton.

It was explained to the Fork citizen that the colored people had bought a second hand cheap truck and were aware of the fact that it would soon be necessary for them either to stop riding or buy a permanent vehicle, since the state operates vehicles but does not buy new ones except for replacement of like kind and that the county will not buy them; and the fee was to be used to get a permanent truck. It was stated that since the state operates the vehicle, the county board was not concerned in the question, but Mr. Powell was requested to hear the parties concerned and announce the disposition of the matter.

Masons To Hold Dinner At Hotel

The Masonic lodges of Warrenton and Norlina will hold their annual Thanksgiving dinner at Hotel Warren on Friday night, November 18. C. K. Proctor of the Oxford Orphanage and other well known speakers are expected here for the occasion.

The ticket committee is composed of L. O. Robertson of Johnson Caswell No. 10 and Harry Walker of Norlina No. 630 and those who can attend the dinner are asked to communicate with these representatives.

Victors In Tuesday's Election

WATER CHARGE IS CUT 10 CENTS

Strickland Says Earnings Of Company Justify Decrease In Minimum Rate

When Warrenton water users pay their bills next month they will find their minimum charge reduced 10 cents. Heretofore the charge has been \$1.60 for the first 3,000 gallons; hereafter, it will be \$1.50.

W. R. Strickland, chairman of the Water committee, told the Board of Town Commissioners on Monday night that earnings of the town-owned plant justified some slight decrease in the water rates, and if it met with the approval of the board that a reduction of 10 cents would be made. Unanimous approval was given.

Mr. Strickland, in presenting his views to the commissioners, stated that it was not the purpose of the company to make profits, but to render efficient service to consumers at as low a cost as is consistent with good business judgment. He said that he knew the reduction was small, but that he thought the (Continued on Page 8)

Conference To Be Held At W. Plains

The fourth quarterly conference of this year for the Warrenton charge will be held at the Warren Plains Methodist church tomorrow, Nov. 12, the Rev. E. C. Durham, pastor, announced yesterday.

The presiding elder, Rev. L. B. Jones of Rocky Mount, will preach at 11 o'clock, after which dinner will be served on the grounds. In the afternoon the business session of the conference will be held.

The Rev. Mr. Durham said that this is a very important conference and that all officials of the four churches in the charge should make a special effort to be present for both services.

Haithcock Asks Return of Glasses

Wort Haithcock, election official, placed his glasses on a table at the voting booth in Sixpound township on Tuesday. Some one walked away with them. Mr. Haithcock, in town yesterday, asked that, through this paper, that person be requested to return them.

"If I don't get those glasses I can not hold another election," Mr. Haithcock added, "for I shore can't buy any more."

Warrenton May Adopt City License For Automobiles

Warrenton automobile owners may be required to buy a town license tag as well as a state license on January 1. This was suggested at the meeting of the town commissioners here on Monday night as a means of raising funds to carry on necessary street improvement work.

E. E. Gillam, chairman of the street committee, made the proposal, after a suggestion that street work that the board deemed necessary would have to be held up on account of lack of funds. Various members of the board entered into the discussion. It was pointed out that many towns of this size required such a license and that it was believed that there would be but little objection to such tax on the part of automobile owners; many of whom, it was stated, would be glad to pay \$1 for a registered town license plate.

Commissioner J. E. Rooker Sr. said that while under normal circumstances he felt that the proposal would be a good one, he doubted the wisdom of it under present conditions when all citizens were counting the cost of every penny of expenditure.

The board was not committed to the idea of the license tax and voted to defer action until the December meeting in order that the wishes of the citizens might be determined.

Mayor Frank H. Gibbs, discussing finance, stated that while it was true that values were slightly higher here on account of action taken by the county in raising valuations and the rate remained the same as last year, that such gain was more than offset by shrinkage in personal property listed. The town has for years accepted the valuations placed upon property by the county.

Taylor Addresses Young Democrats

Tyre C. Taylor, national president of The Young Peoples' Democratic Club, and Huet Dorsett, State president, addressed Warren County's unit of the organization here in the courthouse last Friday night.

Mr. Taylor told of the formation of the national organization and Mr. Dorsett discussed the club from a State standpoint. There are around 3,000 Young Peoples' Democratic Clubs in the United States and 96 in North Carolina.

Both speakers were introduced by John H. Kerr Jr., president of the Warrenton county club.

ASK FUNDS FOR LIBRARY TODAY

Canvassers To Appeal For Money To Keep County Institution Open

The town and county will be canvassed today in an effort to raise funds to keep Warren County Memorial Library functioning.

No stipulated sum will be asked for, but patrons of the library and others who do not read a great deal but are cognizant of the service being rendered by the public institution will be asked to contribute what they will.

The drive for funds is being made due to the fact that the very existence of the library is threatened on account of the shortage of money due to the depression, the withdrawal of county support and to a cut in the town's appropriation.

In commenting on the drive and the need for support, Miss Mabel Davis, librarian, said last week:

"Let us remember that these men and women who will appeal for funds are giving their time without compensation other than the satisfaction of working for the continuance of the memorial to our Warren County Boys who gave their all in their county's service, and to the end that you and yours may have books to read. Nothing but dire necessity could induce one of them to ask for money at this time."

"We face the necessity of closing the library, or the alternative, spending a little more to save the investment and perpetuate the memorial to our dead. There will be many dull evenings ahead if the library is forced out of business this winter. But, if at this critical moment, every one of us should do his duty, no one would feel it a hardship and success will be assured."

Those who will solicit funds today are H. C. Montgomery, Miss Mamie Williams, Mrs. John Dameron, Mrs. A. V. Lawson, Mrs. Frank Allen, Bignall Jones, Mrs. M. C. McGuire, Mrs. J. E. Allen, Mrs. J. P. Scoggin, Mrs. C. A. Tucker, Mrs. Claude Bowers, Mrs. Haywood Duke, Mrs. J. E. Rooker Jr., Mrs. J. E. Banzet, C. R. Rodwell, John Mitchell, M. C. McGuire, W. H. Dameron.

Norlina will be canvassed by Mrs. Marshall and Mrs. Mustian. Miss Emily Milam will solicit funds in Wise and Oakville, and Macon will be canvassed by Mrs. Emma Nowell. Afton will be canvassed by Mrs. M. C. Duke.

Mr. William Taylor, a student at Wake Forest College, was a visitor here yesterday.

Victory Without Parallel In Century of American Political History

WIN IN EVERY SECTION

Riding the crest of an unprecedented wave of ballots that swept the Republicans in almost every section from power, Governor Franklin Delano Roosevelt was elected to the Presidency of the United States on Tuesday. His victory stands without parallel in a century of American history. He left to President Hoover only six states with 59 electoral votes.

With final returns not complete, Governor Roosevelt captured 17,107,331 popular votes out of 30,000,000. President Hoover received 12,321,164; Thomas 372,645.

The six states won by President Hoover are Pennsylvania, Connecticut, Delaware, Maine, New Hampshire, Vermont.

Senator Reed Smoot, co-author of the Smoot-Hawley tariff act, was defeated by a Democrat. Senator Jim Watson, Senate leader and friend of the President, met his Waterloo at the hands of his Democratic opponent.

Senator George Moses, who a few years ago characterized the Progressives as the "Sons of Wild Jackasses," will hereafter wise-crack in private. He was swept out of power and his seat captured by a Democrat.

The Democrats captured the Senate. They increased their majority in the House of Representatives. Less than a dozen Republican Governors remain in the 48 states of the Union.

In the State, the voters rolled up unprecedented majorities for the entire Democratic ticket with majorities close around the 200,000 mark.

Healing Wounds

There was a definite attempt to heal the wounds of the campaign when Roosevelt, in thanking President Hoover for the message of congratulation, said he joined in "your gracious expression of a common purpose in helpful efforts for our country."

This thought was echoed by Will Hays, Postmaster General in the Harding administration. He said the (Continued on Page 8)

Warrenton Scores An Easy Victory

Warrenton scored an easy victory over a team from Henderson last Friday. Gordon and Roy Haithcock each scored two touchdowns, Warrenton winning 25 to 6. Henderson's score came when a blocked punt was downed behind Warrenton's goal by a Henderson player. It was expected that the game would be with Warrenton's rival of last year, but that team was playing elsewhere and a lighter team was sent here for the game. The strong Warrenton second team made a good showing in the game and easily held the visitors in check, using practically every man on the Warrenton squad. During the half the band of the Jesse James Company furnished inspiring music and proclaimed the offerings to be seen under the big top that night. This afternoon John Graham High School meets the Littleton team at Littleton. It is understood that the Littleton team is stronger this year and an exciting game is anticipated.

SON BORN

Mr. and Mrs. J. T. Powell of Grove Hill announce the birth of a son, Richard Alton, on Friday, November 4.
