**Built Up Strength By Taking Cardui**  
Here's her own account of how Mrs. T. W. Hardin, of Greer, S. **HOW WOMEN CAN WIN MEN AND MEN WIN**  
The Favor of Other Men  
Unless two pints of bile juice flow daily from your liver into your bowels, your food decays in your bowels. This poisons your whole body. Movements get hard and constipated. You get yellow tongue, yellow skin, pimples, dull eyes, bad breath, bad taste, gas, dizziness, headache. You have become an ugly-looking, foul-smelling, sour-thinking person. You have lost your personal charm. Everybody wants to run from you.  
But don't take salts, mineral waters, oils, laxative pills, laxative candles or chewing gums and expect them to get rid of this poison that destroys your personal charm. They can't do it, for they only move out the tail end of your bowels and that doesn't take away enough of the decayed poison. Cosmetics won't help at all.  
Only a free flow of your bile juice will stop this decay poison in your bowels. The one mild vegetable medicine which starts a free flow of your bile juice is Carter's Little Liver Pills. No calomel (mercury) in Carter's. Only fine, mild vegetable extracts. If you would bring back your personal charm to win men, start taking Carter's Little Liver Pills according to directions today. 25c at drug stores.  
Refuse "something just as good", for it may gripe, loosen teeth or spill re-tum. Ask for Carter's Little Liver Pills by name and get what you ask for. ©1933, C. M. Co.
