the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, min-eral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is noisoned.

It takes those good, old CARTER'S
LITTLE LIVER PILLS to get these two
pounds of blie flowing freely and make you
feel "up and up." They contain wonderful,
harmless, gentle vegetable extracts, amazing
when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a

Thousands of Women Benefited By Cardui

The benefits many women obtain from Cardui give them great confidence in it. . . "I have four children," writes Mrs. J. L. Norred, of Lagrange, Ga. "Before the birth of my children, I was weak, nervous and tired. I had a lot of trouble with my back. I took Cardui each time and found it so helpful. Cardui did more to allay the nausea at these times than anything I have ever used. I am in very good health and believe Cardui did a lot of it."... Thousands of women testify Cardui benefited them.
