

### MANY MATTERS FACE ASSEMBLY

#### Introduce Bill To License All Operators of Motors Vehicles In State

#### AGAINST SLOT MACHINE

Raleigh, Jan. 10.—With introduction of bills calling for the licensing of all operators of motor vehicles, the establishment of a port commission at Southport, the outlawing of slot machines, and the amendment to consolidated statutes relative to the State Highway and Public Works Commission so as to provide for the acquirement of rights of way for parkways, the State Senate met for half an hour on the second day of its 1935 session, adjourning until 7 o'clock in the evening when the Governor will deliver his biennial address before both houses of the General Assembly.

Absent during the initial session of the body, Senators Weathers of Wake and Ramsey of Transylvania took the oath of office Thursday before Lieutenant Governor Graham. Senator Weathers, who had been confined to his bed with influenza for several days stated that he was "feeling fit."

#### WOULD LICENSE DRIVERS

Senator Corey of Pitt introduced the driver licensing bill, which was referred to the roads committee, yet to be selected. Under its measure all drivers would be subjected to an examination as to their competency to operate automobiles and trucks, but this requirement could be waived by officials of the Motor Vehicle Bureau.

Private drivers, the bill provides, would be charged a fee of \$1.20 for licenses and chauffeurs would be charged \$3. No private driver under 16 and no chauffeur under 18 years of age could secure a license.

#### What Bill Provides

It would be mandatory that licenses be revoked from persons convicted of manslaughter by a motor vehicle, of driving while drunk, or perjury or false affidavit in secur-

#### Best Athlete at 40

TORONTO . . . Harold Webster (above), 40 year old Canadian marathon runner and winner at the 1934 British Empire games, has been voted Canada's outstanding athlete of 1934 by a nation-wide poll of sport writers.

ing a license, of a felony under motor laws or a felony involving a motor vehicle, or of hit and run driving. Persons convicted twice in 12 months of reckless driving also would be forced to forfeit their right to operate a motor vehicle.

The bill provides for radio communications between sheriffs, police departments and other law enforcing agencies in the State. All fees received under it would be held by the State treasurer in a special fund.

Introduced by Senator Johnson Patronize the Advertiser.

of Duplin, the slot machine bill would make it unlawful to manufacture, operate or allow operation of any slot machine in North Carolina.

#### County Council Of P. T. A. To Meet

The Warren County Council of Parent-Teacher Associations will meet Saturday evening, January 19, at 2:30 o'clock, Mrs. H. Evans Coleman of Wise announced this week.

Mrs. W. B. Aycock, president, and Mrs. N. L. Walker, district president, will be the speakers, Mrs. Coleman said. Every one is invited, especially all members of all associations.

#### Wise Items

Messrs. H. Evans Coleman, Felix Williams, Boyd Stegall and T. J. Williams left for Florida Saturday to spend a week or ten days.

Mr. Nat Hayes and family of Greensboro visited their parents, Mr. and Mrs. M. H. Hayes, last week end.

Miss Elizabeth Powell of Richmond spent several days last week with her mother, Mrs. Sal. Powell.

Mr. H. Evans Coleman Jr. of the Medical College of Richmond, Va., spent the holidays with his parents, Mr. and Mrs. H. Evans Coleman.

Miss Lorena Wallace Paschall returned to St. Mary's, Raleigh, Friday after spending the holidays with her father, Mr. W. T. Paschall.

The Chatham County Ispedeza cleaner is running every work day averaging recleaning about 100 bushels of seed a day. More than 10,000 bushels of good seed have been saved for planting in the county.

#### New Army Air Chief

WASHINGTON . . . Lieut.-Colonel F. Andrews (above), has been named commander of the newly organized General Headquarters Air Force. The move is to establish a general headquarters for our air force which will embrace virtually every army combat unit in the U. S. In effect his appointment supplants Maj.-Gen. B. D. Foulois.

A survey in Currituck county shows an average of over nine prospective consumers per mile for the rural electric lines being planned. Each consumer has promised to furnish his share of the poles needed.

#### State Recognizes Work Negro School

Outstanding work done during the year by the Warren County Training School, at Wise, was recognized on January 1 when negro vocational teachers of the state, accompanied by leading corn growers from their respective communities, met in Raleigh for their annual banquet.

Representatives of the Warren County Training School won two prizes for outstanding achievements—one for the best community program for growing corn, and another for a ten ear sample of corn which was placed on exhibition at the corn show, held in connection with this event. One of these prizes was won by the vocational teacher of the negro school and the other was awarded to the school.

Attending the banquet from Warren were J. L. Bolden, teacher, James Dunson, student of Warren Plains, and Jacob Jordan, adult farmer of Warren Plains.

Some of the leaders of state affairs were there and gave short talks, it was said. Among them were: Clyde A. Erwin, State Superintendent of Public Instruction; Mr. James M. Gray, State Representative of the Chilian Nitrate of Soda Company; Mr. Roy M. Thomas, State Supervisor of Vocational Agriculture, and Mr. C. R. Hudson, State Agent of the Smith-Lever Act.

Prof. S. B. Simmons of Greensboro was in charge of the banquet.

#### National Crime Drive

WASHINGTON . . . J. Weston Allen, of Boston (above), is the newly named chairman of the National Crime Commission in the offensive launched against underworld forces. He voices the opinion that Congress will provide for the establishment of a national police school.

Reports from local flour mills in Union county indicate that more than 2 1-2 times as much flour has been ground from home-grown wheat as compared with previous years.

#### Attractive Colors In New Ford V-8

Four attractive body colors, three of them appearing in all models, and a fifth color which is new this year, are available in the new Ford V-8 for 1935, now on display in the showrooms of Boyd-Boyce Motor Co., local Ford dealers.

The new color is gunmetal, available on de luxe models only. The gunmetal finish is used on the entire body, fenders and wheels, with a bright apple green body stripe. The Ford baked enamel finish is used on the exterior of all bodies.

Other colors available in the new Ford V-8 cars are medium lustre black, Dearborn blue, Cordoba gray and Vineyard green. Dearborn blue is available only in the de luxe models. In all models, bodies and fenders are of one color, with harmonizing wheel colors in de luxe models.

De luxe cars in black have wheels and striping in bright apple green. Black cars without de luxe appointments have black wheels. De luxe cars in Dearborn blue have wheels and striping of poppy red. In the three light colors in de luxe cars there is a choice of wheel colors; on Cordoba gray or Vineyard green cars which do not have de luxe appointments the wheels are black. Headlamps are finished in body colors with rims of rustless steel—steel—Adv't.

## Enjoy a Comfort Zone Ride-

**WITH V-8 POWER** **FORD ECONOMY**

IN THE new Ford V-8, you get the proved V-8 engine—and, in addition, new features that give you a car that meets every 1935 driving need.

A single ride will show you how completely the new Ford V-8 does this:

Wherever you sit in this new car—at the wheel or in the rear—you will enjoy "front seat riding comfort."

It required a major engineering development—the Full-floating Springbase with Comfort Zone Seating—to accomplish this. But the new Ford V-8—all the way through—is a car of major developments.

The new clutch enables you to start and shift gears with hardly noticeable foot pressure. The mechanical brakes, likewise, are new in design—easier to apply, yet stronger, longer-lived, surer-holding.

The car is longer, wider, with more room for passengers and baggage. It is distinguished inside and out—with luxuri-

ous upholstery and instrument panel—beautiful streamlining.

Everything needed for safety is included—welded all-steel body, low center of gravity, strong axle construction. In addition, Ford provides large, sure-traction tires and safety glass all around at no extra cost.

Whatever you want in a car—comfort, safety, speed, power, size, style, dependability, economy—the Ford V-8 for 1935 gives it to you in full measure. Be sure to see it at your nearest Ford dealer's.
