WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't take any other pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. ©1931 C. M. Co

Miss Daphne Person, accompanied at the piano by her mother, Mrs. W. T. Person, sang "Southern Soldier Boy". After the program a delicious fruit salad with coffee was served.

HOSTESS TO BRIDGE CLUB

Mrs. Horace Palmer was hostess to the members of her bridge club on Thursday afternoon. High score prize, an attractive sampler, went to Mrs. B. L. Rives, and Mrs. M. Rives, M. Nelson, H. A. House, J. N. Moseley, J. N. Johnston and L. E. Williams.

RESOLUTION OF RESPECT

Now the laborer's task is o'er; Now the battle day is past; Now upon the Farther shore Lands the voyager at last.

"Earth to earth, and dust to dust." Calmly now the words we say. Left behind, we wait in trust For the resurrection day.

Since God in his infinite wisdom has seen fit to take from our midst one of our beloved Gold Star Mothers, in the person of Mrs. R. H. Walder, we the members of the American Legion Auxiliary bow in submission to the will of God.

Be it resolved:
1. That we cherish her memory.
2. May we be ever mindful of her patriotism and strive to emulate her example of loyalty, faithfulness and devotion.

3. That a copy of these resolutions be spread upon the minutes of the American Legion Auxiliary; one sent the Warren Record; one to the Roanoke Rapids Herald; and one to the family so sorely grieved, with the deep and sincere sympathy of each member of the American Legion Auxiliary.

Signed,
MRS. P. A. JOHNSTON,

BLACK-DRAUGHT

"Such a Good Laxative," Says Nurse Writing from her home in Festus, Mo., Mrs. Anna LaPlante says: "I am a practical nurse and I recommend to some of my patients that they take Black-Draught, for it is such a good laxative. I took it for constipation, headache and a dull feeling that I had so much. A few doses of Black-Draught—and I felt just fine."

Because so many people know from having used it that Theodor's Black-Draught is a good, purely vegetable laxative, millions of packages of it are sold every year.

Big Crop Contest Announced By Fertilizer Distributor

ANNOUNCEMENT has been made locally of a \$5,000 crop contest, open to all farmers. This contest, which is sponsored by the Agricultural Development Bureau of a large distributor of American nitrate of soda, provides for 338 cash prizes. These awards range from the substantial first prize of \$1,000 to \$5.00.

An interesting feature of the contest is the calibre of the men who are to act as honorary judges. They are: Senator Ellison D. Smith, Chairman of the Senate Committee on Agriculture; the Hon. Allen J. Ellender, Speaker of the Louisiana House; and Dr. B. W. Kilgore of Raleigh, N. C., former director of the North Carolina Experiment Station and Extension Service.

Since the prizes are to be based on the answers to five simple questions, with spelling and grammar not counting, the sponsors of the contest feel that every farmer who follows the rules will have an equal chance, regardless of the size of his farm or the fertility of his land. Special prizes are provided for 4-H Club and Future Farmer chapters and fertilizer suppliers who help

their customers win will also be rewarded.

Practically all fertilizer manufacturers and suppliers are active in the contest and can furnish an entry blank to farmers. The only requirement for entering is that the farmer buy at least 100 lbs. of the American product sold by the firm sponsoring the contest.

SUNDAY SCHOOL LESSON

by Charles E. Dunn

Peter Preaches at Pentecost. Lesson for February 10th. Acts 2. Golden Text: Acts 2:38.

The day of Pentecost, when Peter preached the famous sermon that led to the conversion and baptism of some 3000 souls, is of momentous significance in the history of the Christian church. The common opinion, however, that it is the birthday of the church is false, for the church existed before Pentecost. Neither was it the day upon which began the descent of the Holy Spirit,

WHEN YOU TAKE A LAXATIVE

... use a spoon

It isn't what brand of laxative you take that's so important—it's the form. A liquid laxative can be taken in any required amount. If only a little is needed, you need never take a bit too much.

Doctors favor the easily measured liquid laxatives. Instead of any form that does not encourage variation from the fixed dose. A fixed dose may be an overdose for you—or your child.

Always remember this one thing about constipation: the secret of any real relief is reduced dosage.

Give the bowels only as much help as may be needed, and less help as the need grows less. You will find Dr. Caldwell's Syrup Pepsin an excellent aid in regulating the bowels. It contains senna and cascara (natural laxatives) and it will clear-up any bilious, sluggish condition without upset. Delightful taste, and pleasant action. Your druggist has it.

His frightened disciples had all fled in dismay. And now in the very city where their Master had been executed, and in utter disregard of what the authorities responsible for the crucifixion might think, they joyfully spoke in various tongues, and proclaimed the resurrection and triumph of Jesus!

Now Peter's address is of more than ordinary interest because, as Dr. McGiffert says, "it constitutes the earliest extant Christian apology." At pentecost Peter, speaking not simply for himself, but for all of the disciples as well, offered proof that his Master, though done to death at Calvary, was the promised Messiah.

And what a profound impression this sermon made! Stung to the depth of their hearts the people cried, "Brothers, what shall we do?" Peter answered with the historic call to penitence and baptism with its accompanying gift of the Spirit.
