

GOVT. MAY BUILD AN ARMORY HERE

Community Is Required To Provide Site For National Guard Building

COMMITTEE APPOINTED

Warrenton is in line for a new armory if the people of this community co-operate with the government in the construction of such a building.

The government proposes, according to information Capt. Claude Bowers has received from headquarters, to erect a \$25,000 building here for the soldiers of Warrenton if the town or community will contribute the site.

The proposed building is to be 110x110 feet, and is to rest on a site of 22,000 square feet, which, it is presumed, will be used as a drilling ground.

The government's proposal has been submitted by Capt. Bowers to the commissioners and a committee, composed of A. A. Williams, from the town board, William Burroughs, chairman of the county board, and Capt. Bowers, has been appointed to look for suitable property for the construction of an armory.

Mr. Burroughs said yesterday that the committee had looked over several desirable pieces of property, but that no report has yet been made. It is understood that they are waiting the return of the Misses Annie and Lucy Hawkins, who are visiting in Charlotte, before recommending any action.

Company B, Warren's military unit, is now using the town hall as an armory, but lack of space there requires that the boys drill on the streets and the court house lawn.

It is understood here that the government is planning to erect armories in all towns where there is a military unit.

Two Governors Send Messages

Featured by special messages from the Governors of North and South Carolina, the second edition of our State Farmer Section is a part of this issue of The Warren Record.

Governor Johnston of South Carolina stresses the fact that the rural population should have all the facts relative to their industry clearly and accurately presented to them. He congratulates the weekly newspapers on their efforts to convey to farmers in their respective territories, information through the State Farmer Section that will be of material help to them.

Governor Ehringhaus of North Carolina, states that he was much interested in looking over copy of the first edition of The State Farmer Section, and congratulates the newspapers on their enterprise in giving rural readers interpretive news on the commodities they are growing. "I hope that they may continue to make substantial contributions to our agricultural life," he said.

The August issue of The State Farmer Section, which is a part of this week's Warren Record contains vital information on every type of farming activity.

There is a page of 4-H Club and Future Farmer news; a page of interest to women, and departments that will be of value to truck growers, poultrymen, dairymen, fruit growers, cotton and tobacco farmers, grain producers, livestock men and all others engaged in farming enterprises.

As special features this issue contains a message from Hon. W. I. Myer, Governor of the Farm Credit Administration, addressed specifically to Carolina farmers, a story on soil conservation under the TVA; an exclusive message from D. W. Watkins, director of the South Carolina.

The entire personnel of Company B will have supper at Hotel Norlina tonight at 8 o'clock. Invitations have been extended to all former commanding officers, members of the Board of Town and County Commissioners and a limited number of friends, it was said.

Mr. and Mrs. F. M. Drake Jr. of Roxboro are spending some time visiting in the home of Mrs. Drake's parents, Mr. and Mrs. J. C. Powell of Inez.

Trys G.O.P. Poll

P.A.S.

WASHINGTON . . . Robert H. Lucas of Kentucky (above), former director of Republican National Headquarters, has mailed 4,250 letters with questionnaires listing 24 names, asking G.O.P. leaders who want to nominate for the presidency next year.

Tobacco Contracts To Cover 4-Year Period, Says Agent

By R. H. BRIGHT

The new tobacco contracts will cover a period of four years. Starting in 1936, the contract will run until 1940, or through 1939. This contract will show base acres and base pounds, but will not have acres and pounds shown for the base years. Any contract signer may cancel his or her contract by notifying the Secretary of Agriculture in writing on or before July 1 preceding the year he or she wishes to cancel. There will not be any rental paid under the contract but a payment will be made on production.

It is not known at the present time just how much tobacco will be needed in 1936 therefore the per cent of the base acres that may be planted is not stated in the contract, but the producer will be notified not later than February, 1936, how many acres he may plant under his or her contract. In no case will a producer be required to reduce more than 35 per cent of the base acres as shown in the contract. The base acres and base pounds will be written in the contract at the time the operator signs and these figures will not be changed.

Our present plans are to complete the marketing cards for this year and notify the producers that they may sign for their cards and also sign the new contract at the county agent's office. This notice will go out soon and all producers are urged to attend to this matter at once as it is believed that a good sign-up will have some influence on the market.

Shakes-Up Crime

P.A.S.

ST. PAUL . . . Wallace Jamie, 27, (above), crime student at the University of Chicago, is the young man who brought about the shake-up of the police department here and was made Deputy Commissioner of Public Safety.

W. C. Traylor Dies At Norlina

Norlina.—Funeral services for W. Corbitt Traylor were held from the home of his mother here Monday afternoon. The body was carried to Rich Square for burial.

Mr. Traylor died Sunday after an illness lasting many months. He leaves his mother, who just a few months ago lost her husband, B. F. Traylor, and seven brothers as follows: Paul, Donnie, Clyde, Lloyd, Brady and Watts Traylor.

Mrs. Fielding Frye and daughter, Miss Martha, and Mr. Van Wyche Williams of Greensboro were guests of the Misses Rie and Laura Alston Tuesday.

Negro Boys Win Plack For Efforts At National Meet

With a plack in their possession for making the third highest score in the nation, Parry Jones and Paul Green, negro students of the Warren County Training School, returned to their native county from the Tuskegee Institute, Tuskegee, Ala., where they participated in a national contest of vocational students. They were accompanied by Prof. J. L. Bolton, vocational teacher, and Professors Cheek and Wynn.

The two other states to make a better showing than North Carolina at the national contest were Mississippi, with a score of 1602, and Georgia, with a score of 1587, as compared with a score of 1509 made by this state. The 1509 points made by the representatives of this state gave North Carolina the highest score of any eastern state.

The Wise Training school won the right to participate in the national contest by winning out in a state contest held at A. & T. College, Greensboro, on April 10-11-12.

Jones served as a member of the state judging team, and received a cash prize of \$4.00 for making an outstanding score in judging mules. Green served as secretary for the national organization and, according to Prof. Bolden, performed his duties in a manly way. He is the son of Paul Green of Manson, and Jones is the son of Waverly Jones of Wise.

According to Prof. Bolden, none of the party had ever before been so far south and all were impressed with the large school plant that was founded by Booker T. Washington. The school, he said, has everything that goes to make a small city, from bank, post office and drug stores, to church and cemetery. "It would inspire anyone to see this extended school plant."

Seeking To Raise Funds, Give Parties

"The members of the United Daughters of the Confederacy and the Daughters of the American Revolution chapters very much appreciate the cooperation shown during the past two weeks by the ladies of the town and county who have entertained for the benefit of the Nathaniel Macon project," one of those interested in further restoring the home-place of the statesman stated this week, and added, "The proceeds from the entertainments and all contributions should be sent to Mrs. H. A. Moseley, treasurer."

Among those who have given parties to raise funds are Mesdames J. P. Scoggin, John Tarwater, J. C. Powell, A. A. Williams, W. R. Baskerville, F. M. Allen, J. B. Massenburg, W. R. Boyce, J. B. Boyce, Roy Davis, Arthur Petar, J. D. Palmer, W. W. Kidd, W. B. Fleming, and the Misses Katherine and Ann Scoggin.

Others have pledged their support to the movement and have contributed to the cause by sponsoring tables, it was said.

Asks Help In Finding Missing Colored Boy

Miss Lucy Leach, welfare officer, asks for the public's aid in locating Melvin Hohn, negro boy of about 14 years, who was last seen around the Vaughan post office on Wednesday, July 24.

Miss Leach described the negro as being "ginger cake" color and about four feet tall. When last seen, Miss Leach said, he was wearing brown pants, a white shirt and a white hat. He is the son of Charley Hohn of near Vaughan.

ACCEPTS POSITION

Mr. J. L. Brown of Weldon has accepted a position as Sales Manager for Scoggin Motor Company. Mr. Brown recently resigned his position with the General Motors Acceptance Corporation of Raleigh to become connected with this local business firm, and will room in the home of Mr. and Mrs. G. W. Poindexter while here.

LEAVES FOR NEW YORK

Mrs. Orlinton Thorne Davis leaves tonight for New York City where she will be enrolled as a student in The Arts Students League of New York.

TEACHERS PAID BACK SALARIES

Hard Times Hold Up Pay Of Teachers In 1932; Are Sent Their Vouchers

TOTAL IS OVER \$800.00

Teachers of the John Graham High School who offered to give their services during the latter part of 1932 when a financial crisis arose in the educational field have been rewarded for their generosity and cooperation.

It was learned from the office of Supt. J. Edward Allen this week that checks have been mailed out to these teachers who expressed their willingness to go on with their work the latter half of the eighth month of the school year when there occurred a shortage in funds.

The money which has gone out to these teachers was paid from the collection of back taxes, due in 1933-31. The checks amounted to \$843.68.

Supt. Allen Is In Europe; Way Is Paid By Masons

Supt. of Schools J. Edward Allen is expected to return to Warrenton on September 4 from Europe where he is visiting in the interest of masonic bodies. He sailed from New York on the S. S. Majestic on August 7 for England, and while abroad will visit Edinburgh, Scotland, and Paris, France. Mr. Allen, who ranks high in Masonic circles, was given the trip by the Masonic bodies.

Rev. Taylor To Preach On Sunday

The Rev. Louis Taylor of Columbia, S. C., will preach at the 11 o'clock services in Emmanuel Episcopal church, Warrenton, on Sunday morning, the Rev. B. N. de Foe Wagner announced this week.

The Rev. Mr. Taylor is rector of the Church of the Good Shepherd at Columbia, and a brother of Joe Taylor of Warrenton. On several occasions in recent years he has conducted services here to large congregations.

In making the announcement that his pulpit will be filled by the visiting minister on Sunday morning, the Rev. Mr. Wagner issued an invitation to the public to attend the service. He also announced that there will be Holy Communion at Emmanuel Church on Sunday morning at 8 o'clock.

Littleton Board Holds Meeting

Littleton, Aug. 15.—The Board of Commissioners of the Town of Littleton met in regular session on Thursday night. At this time the Chief of Police was advised to advertise for sale all property on which 1934 taxes have not yet been paid. Steps were also taken to foreclose on 1932 tax sales certificates.

The matter of restoring the traffic signal at the intersection of Mosby Avenue and the Highway was discussed but no action was taken at this meeting.

The time for adopting the 1935-36 budget was extended until the next regular meeting in September. A number of bills were ordered paid and other routine matters dispatched.

Miss Ethel Thomason of the Atlanta Zone Chevrolet Motor Co. has accepted a position as office manager and bookkeeper for the Scoggin Motor Co. Mrs. Dawn E. Shearin goes to Henderson in the same capacity for the Scoggin Chevrolet Company.

SON GRANT ILL

Friends regret to learn that Mr. Edward (Son) Grant has been confined to his home this week on account of arthritis. His condition was reported yesterday as much improved.

Miss Grace Wagner has returned to her duties at the Citizens Bank after spending two weeks at Atlantic City.

Messrs. Pett Boyd and Howard Jones Jr. were visitors in Henderson Sunday night.

Heads Business Women

NEW YORK . . . Miss Charl Ormond Williams (above), is the newly elected president of the National Federation of Business and Professional Women's Clubs. She was born and educated in Tennessee, is past president of the National Education Association and the winner of many high college honors.

Fight On Cotton Mill Hill Results In Road Sentences

A fight on the cotton mill hill Saturday afternoon resulted with Creighton Kelly and James Jones being sentenced to jail, assigned to work the roads under the supervision of the State Highway and Public Works Commission, for a period of 40 days when they were tried before Judge W. W. Taylor in Recorder's court Monday on charges of being drunk and disorderly and simple assault. Whether it was bootleg liquor or legal whiskey which set the men on their rampage was not brought out in court.

A fine of \$15, plus costs, was placed on Harvey Taylor after he had been convicted of disorderly conduct in a public place. It was testified that he went to the Pine Tops Service Station, near the Vance county line, after a girl and while there used profane language and threatened to strike a woman with knuckles. The defendant denied that he had any knucks or threatened to strike any one. Sheriff Pinnell, who was called to the service station, said that he made a search of Taylor and his companions but failed to find any knucks.

D. Dawson, Littleton negro charged with reckless driving and exceeding the speed limit, was found guilty of exceeding the speed limit. Judgment was suspended upon payment of the costs in the action.

Free-Style Champ.

NEW YORK . . . Little Mavis Freeman (above), led all the way in the National Junior A.A.U. freestyle 100-meter swim in the final just featured here. She's now national junior champion.

Two Norlina Teachers Resign

Two teachers of the Norlina school faculty have resigned. It was learned this week from the office of the superintendent of schools.

Those tending their resignations are Miss Lottie H. Wall and Miss Helen Reed Gill. Miss Wall, English teacher, leaves the Norlina school to teach in Greensboro, and Miss Gill, science teacher, will become a member of the school faculty at Wilson.

It could not be learned here whether the vacancies caused by these two resignations have been filled.

Frank Lancaster Succeeds In Raising Bond Of \$5000.00

Succeeding in raising a \$5,000 bond, Frank Lancaster, contractor, farmer, and erstwhile preacher, was on Monday released from the Warren county jail where he has been held for several weeks for assaulting John Alston with a weed hoe on the highway near Odell, in which community both men live.

The \$5,000 bond was set by Judge Taylor in Recorder's court on Monday, August 5, to hold Mr. Lancaster until the outcome of Mr. Alston's injuries became known and the solicitor appointed a time for holding the preliminary hearing.

Efforts to reduce the bond to \$4,000 failed in Recorder's court on Monday morning and Mr. Lancaster returned to jail where he remained until the afternoon when the county was given surety for his appearance on September 12, the date set for the preliminary hearing.

Mr. Alston remains in a serious condition but it is thought that his life is out of danger.

Welfare Officer Tells Of Increased Need For Relief

Stating that the ERA is giving no direct relief now and as a result the welfare department has had to become responsible for more bills than it can pay, Miss Lucy Leach asks for assistance in caring for the following cases:

1. A young white woman, a widow, with two small children, needs food and clothes.
2. Money is needed for a brace for a crippled white girl.
3. Money, food and clothes needed for an old colored couple who has been burned out. They lost their home and nearly everything they owned. They have no children to aid them.
4. Money, food and medicine needed for a colored woman who has cancer, goiter and tuberculosis.
5. Destitute colored family with eleven in the family and one girl sick is in need of food and clothes. They will accept anything.
6. T. B. ex-service man, colored, who will have to go off for treatment, leaving a wife, who is sick, is in need of food and clothes.

"Since the E. R. A. is giving no direct relief now and for nearly all of last month gave no direct relief or employment to the needy, the Welfare Department, in order to avoid suffering, has had to become responsible for more bills than they are able to pay, consequently they will be unable to help these cases above," Miss Leach said. "If you are interested in any particular case please let me know. Otherwise, we would be glad to have you make a financial contribution to the Charity Chest," the welfare officer stated.

Continuing, she said: "Under the new W. P. A. set-up only employable people will be given aid and they will only be given work-relief. The unemployables will continue to be turned back to the county or to the charitable people in the county."

Leaf Prices Are Still Strong

Raleigh, Aug. 15.—Heavy receipts were reported from the border belt tobacco market Thursday while prices remained strong.

Around 750,000 pounds were on the floors at Lake City yesterday morning and about 500,000 at Lumberton. Dillon reported increasing receipts and other markets said offerings were heavy.

Prices in general were in line with bids earlier in the week, although common types were reported stronger.

Sales at Lake City Wednesday were reported as 600,000 pounds at an average of \$22.90 a hundred. Fairmont's Wednesday sales were 373,472 pounds at an average of \$24 a hundred. Receipts were heavier there Thursday.

Mullins, the largest South Carolina market, reported Tuesday's official sales at 560,000 pounds at an average of \$24.90, prices generally were reported to be ranging above those at the same time last year.

Solicitor Joe Phippen of Littleton was in town yesterday.

NEW POSTOFFICE IS AUTHORIZED

Congressman Kerr Wires H. A. Moseley That Building Has Been Authorized

SITE IS NOT PURCHASED

A new post office has been authorized for Warrenton, it was learned yesterday from H. A. Moseley, who had with him a wire to this effect from Congressman John H. Kerr.

The telegram from Congressman Kerr to Mr. Moseley simply stated that "Construction of post office in Warrenton authorized," and gave no hint as to plans for the erection of the Federal building here.

So far as could be learned yesterday afternoon from officials in the local post office and business men here, the site upon which the new building is to rest has not been purchased.

A government official was here several weeks ago looking over suitable sites for a post office, and, it was stated, found some property which met with his approval, but a check-up at the Register of Deeds office yesterday showed that the real estate which he inspected had not changed hands.

Among the places the post office official looked over were the Harrison Taylor corner, where Miss Bessie Taylor maintains her millinery establishment; the Standard Oil Company property, opposite Hotel Warren; the A. A. Williams property, where W. R. Lancaster carries on his mercantile business; the Ben Powell property, where his home is located; the Summerfield lots, between the Citizens Bank and R. R. Rodwell's store.

Although some of the places mentioned were found to be too small on account of the fact that post offices are not erected adjacent to other buildings, some of the property was found to be suitable, it was stated.

At the time the government official was here he was quoted as having stated that the chances of Warrenton receiving a new post office would be more favorable if the people of the town and community cooperated with the government and not raise the price on the property sought by the government.

Authorization of the new post office does not mean that the building will be constructed if the people served fail to show that they want it, one of those who was in close contact with the government official when he was here inspecting the property stated.

Reduces Rate On Petroleum Products

Raleigh, Aug. 15.—Stanley Winborne, State utilities commissioner, Thursday afternoon issued an order granting rail freight carriers in North Carolina immediate reductions in transportation rates for petroleum products, estimated to be equivalent to about one-half cent per gallon of gasoline handled between Wilmington and some 200 inland North Carolina points, but refused to write in a condition that the lowered rates expire June 30, 1937, as petitioned by the railroads.

Commissioner Winborne said he could not estimate how much the reduction might amount to in dollars annually. Similar reductions were scheduled to become effective in a number of Southern States Thursday for interstate rates in this section.

The reductions apply on hauls as far as 270 miles from Wilmington and vary according to destinations with the average cut being about eight cents per hundred pounds. The scale moves from three to 17 cents.

Motor truck carriers of petroleum products opposed the railroad rate reductions but Commissioner Winborne set forth that at a hearing on the matter, held August 8, the truckers failed to present testimony showing that the reduced rates would be non-compensatory or would put truck operators out of business as alleged in the petition of protest. The order includes there was no evidence that the reduced rates are "even as low as now charged by the contract motor operators."
