BRADLEY-BREWER

Miss Floy Brewer and Rufus Bradley Jr. were married on Saturday night, October 26th, at 8 o'clock in Emporia, Va., in the home of Dr. Conrad Blackwell, Methodist minister, who officiated.

Mrs. Bradley is the daughter of Mr. and Mrs. C. C. Thomas of Monroe and has been a member of the Littleton High School faculty for several years.

Mr. Bradley is the son of Rev. and Mrs. Rufus Bradley of Littleton. He is engaged in the mercantile business here.

Mr. and Mrs. Bradley are making their home with the groom's parents at present.

ENTERTAINS STUDY CLUB

Mrs. J. B. Latham was hostess to the Wyanoke Study Club on Thursday afternoon. Autumn flowers in bright hues were arranged in the living room where the guests were received.

Following the minutes and the roll call, which was answered with current events, an interesting program dealing with "Scotland" was presented. The program was led by Mrs. J. P. Pippen, who gave a brief outline of the history of Scotland and also took up several outstanding figures of Scotland. She was assisted by Mrs. J. B. Latham, whose paper was about "Mary, Queen of Scots."

Following the program, Mrs. Latham served a delicious sweet course.

HOSTESS TO CLUB

On Tuesday night Mrs. E. L. Crawley entertained the Friendly Dozen Bridge Club. The home was attractively decorated with bright autumn flowers, and a Halloween motif was emphasized in the tallies and refreshments. Miss Louise White received the ladies' high score prize, and the men's prize was awarded to Mr. P. A. Johnston.

At this time the club honored Mr. and Mrs. Rufus Bradley, who were married on Saturday, with a kitchen shower. The young couple received many useful gifts which were graciously accepted. Mrs. P. A. Johnston toasted the bride and groom.

Get Rid of Malaria!

Banish Chills and Fever!

To conquer Malaria, you must do two things. (1) Destroy the infection in the blood. (2) Build up the blood to overcome the effects and to fortify against further attack. There is one medicine that does these two things and that is Grove's Tasteless Chill Tonic! The tasteless quinine in Grove's Tasteless Chill Tonic destroys the malarial infection in the blood while the iron builds up the blood. Thousands of people have conquered Malaria with the aid of Grove's Tasteless Chill Tonic. In addition to being a noted remedy for Malaria, it is also an excellent tonic of general use. Grove's Tasteless Chill Tonic is pleasant to take and contains nothing harmful. Even children like it and they can take it safely. For sale by all drug stores. Now two sizes—50c and \$1. The \$1 size contains 2 1/2 times as much as the 50c size and gives you 25% more for your money.

Everyday Cooking Miracles

BY FRANCES WEEDMAN

Director Hotpoint Electric Cookery Institute

What family doesn't tingle with delight when prospects for apple pie are more than encouraging? And what meal isn't eaten up quickly when pie is the last item on the menu? There's no getting around it—pie reigns in the realm of the super-elegant dessert classics! Summer or winter, rain or shine, in whole or in part, preferably the former, pie always answers the appetite longings of everyone, almost at every time.

If you agree, then, that apple pie is a favorite, what about the makings of that tender, flaky, velvety

oven, you can forget all you please when you are using the electric oven. Then too, when pies are placed in this well insulated, moist-air oven, a touch of the heat regulating dial measures and controls the units of clean, electric heat. The pastry bakes to a golden-brown doneness while the apples attain a tender, luscious consistency.

Should you choose to bake your pie while you are out doing the marketing or away playing bridge, just tell the trusty Timer Clock when to begin and when to end the baking. Set the Temperature

Pie may be started in a cold oven when baked in an electric range

variety of dessert? Even if pies did come from heaven, they'd probably fall with a smash, so why not make the best of it and be contented with making these delectable desserts at home yourself? They are not hard to cope with and the new automatic electric range makes the expression "easy as pie" blush with shame!

What's that about the new electric range? There are lots of things about this versatile, resourceful servant that will literally make you wide-eyed with surprise. But one thing that will particularly delight you—whether you be a present or a prospective pie maker—is the nonchalant way in which this miracle range yields melt-in-your-mouth pies!

A One-Step Process

Pies aren't one bit fussy to make when they are baked under the watchful eye of this range's Miracle Oven—they just take it easy and make themselves at home. They may be started in a cold oven, mind you, making the business of baking a one-step process. So, if you are prone to forget to turn on the

Control and turn the switch to Bake; the next thing you'll know is that you have a delicious pie in your midst.

You'll not be able to resist this apple pie, not only because the early harvest apples are appearing on the market now and they are particularly delicious for pies, but because an apple pie is quite the easiest pie to eat that was ever made. Here is our favorite recipe:

Easy Apple Pie

(Makes one two-crust pie)
1 1/2 cups flour Apples
1 teaspoon salt Sugar
1/2 cup fat Butter
Ice water Spice

Sift, measure and again sift flour. Add salt. Cut in fat. Add ice water (about 6 or 7 tablespoons). Divide pastry, roll and line pie plate with one portion. Fill pastry lined plate with pared, sliced or quartered apples, sugar, butter, and spice. Add top crust or strips and flute edges. Place pie in cold electric oven. Set temperature control to 400° F. or 475° F. Turn switch to Bake and bake 1 hour.

with an appropriate verse. The hostess served a delicious salad course following the games.

Those playing were Mr. and Mrs. H. S. Capps, Mr. and Mrs. P. A.

Johnston, Mr. and Mrs. Rufus Bradley, Miss Louise White, Mr. J. L. Seal, Mr. Johnnie Johnston, Mr. P. W. Cooper of Warrenton, and Mr. and Mrs. E. L. Crawley.

New Free Booklet Gives Information About Pamphlets

The United States Government collects information about almost every subject in the world. It publishes thousands of pamphlets containing that information. It furnishes these pamphlets to the public at very small cost.

A list of some of the pamphlets, and a brief description of what they contain, has been prepared as a small booklet by the makers of Cardui and Black-Draught. It gives many people, for the first time, a handy record of some of the pamphlets that the United States Government furnishes.

Everyone should know what information he can get from the Government, and how to get it. This booklet, entitled "Information," explains. Write to The Chattanooga Medicine Co., Chattanooga, Tenn., for a free copy.

Inez Items

Mr. and Mrs. Leon Dillard and little daughter spent Saturday night and Sunday in the home of Mr. and Mrs. H. C. Davis.

Misses Dell Overby and Estelle

Benson spent the week end near Warrenton with Mrs. Mattie Harris.

Mr. and Mrs. Claude Coleman were recent visitors at Scotland Neck.

Mr. and Mrs. L. H. Benson and children visited Mr. and Mrs. E. J. Alston at Hollister Sunday afternoon.

Get Rid of Poisons

Produced by Constipation

A cleansing laxative—purely vegetable Black-Draught—is the first thought of thousands of men and women who have found that by restoring the downward movement of the bowels many disagreeable symptoms of constipation promptly can be relieved. Mr. J. P. Mahaffey, of Clinton, S. C., writes: "I have found that Black-Draught is very effective in the cleansing of the system. When affected by the dull headache, the drowsiness and lassitude caused by constipation, I take Black-Draught." A natural, purely vegetable laxative.

BLACK-DRAUGHT

How Calotabs Help Nature To Throw Off a Bad Cold

Millions have found in Calotabs a most valuable aid in the treatment of colds. They take one or two tablets the first night and repeat the third or fifth night, if needed.

Second, Calotabs are diuretic to the kidneys, promoting the elimination of cold poisons from the system. Thus Calotabs serve the double purpose of a purgative and diuretic, both of which are needed in the treatment of colds. Calotabs are quite economical; only twenty-five cents for the family package, ten cents for the trip package. (Adv.)
