Mr. and Mrs. Green Now Have a Horse

NEW ORLEANS . . . Mr. and Mrs. P. J. Green, two daughters and a son of Jena, La., were too proud to go on relief. They had a patch of ground but no horse. During 1934 and 1935 they tilled the soil by "human horse" power, taking turns in twos of pulling the plow in the cotton patch. This year the Rural Settlement Administration heard . . . and supplied a horse. ## BEULAH DEAN FOUND GUILTY

Road Sentence Is Suspended Provides She Leaves County Within Ten Days

CONVICT JUNK DEALER

Beulah Dean, who was jointly accused with Ray Weston in the original bill of indictment charging possession of whiskey for the purpose of sale after 81 pints of government booze had been siezed at the Pine Tops Service Station by officers who raided the place in May. 1935, was on Monday found guilty by a jury in Recorder's court, and was rined \$100 and given a jail sentence of four months, the jail sentence to go into effect if she is in this county after ten days from the

time of this judgment. Weston was tried last week and

asquitted by a jury. Since the case has been hanging in court it has been tried several times and continued for various causes. At each trial the Dean woman has maintained that the whiskey was her property, that she bought it for her own use, that she owned and operated the Pine Tops Service Station and Weston worked for her on a salary. In seeking to convict Weston the state argued to the jury that Weston was the one dealing in whiskey and he was us-

ing the woman as a shield.

Woman Seeks Place As Register of Deeds; Three-Cornered Affair

BOARD PLACE IN FAVOR

Interest in county politics received added impetus this week when opposition developed in the race for Register of Deeds, the Sheriff's office and for membership on the

Board of Education. Among the new candidates in the field is a lady, Mrs. Sam Davis, who seeks the position now held by Register of Deeds Joseph C. Powell. Vernon C. Brown of Vaughan also announced his candidacy for this place this week, making it a three-

cornered affair at present. Frank Neal, deputy during part of former Sheriff O. D. Williams' regime, stated to a representative of this paper yesterday that he would oppose Sheriff W. J. Pinnell for the place of high sheriff of Warren county. No other opposition has developed in this camp to

date. Jesse Harris of River township filed his candidacy this week for a berth on the Board of Education, and on Friday of last week former Sheriff R. E. Davis became a candidate for the Board of County

Commissioners. Roger Williams has filed his candidacy for constable of River township with the Board of Elections,

#### Judge Kerr Replies To Gov. Ehringhaus

Washington, April 29.-"It appears to many of us that the Governor has all along endeavored to make this compact impossible rather than help make it effective," today declared Representative John H. Kerr, author of the Kerr tobacco compact act, in answer to the Tuesday night radio speech of Governor J. C. B. Ehringhaus.

The Kerr statement was the only one for publication from any member of the North Carolina delegation today, but Representative A. C. Gasque, of South Carolina, made the following statement:

"If we could get some cooperation from North Carolina, we could get the bill passed in South Carolina in the form desired.

"Governor Ehringhaus' coolness toward the proposed tobacco compact reduction program has caused the Legislature of South Carolina to think there is no chance for a program this year. That explains the present situation there."
