TWO KILLED IN AUTO WRECK

Three Other Warren Persons Injured As Car Smashes Into Post At South Hill

DOUBLE FUNERAL HELD

A double funeral was held at the Baptist church on Monday afternoon at 3 o'clock for Mrs. Delia Sing of near Norlina and William Cleaton of Henderson, victims of an automobile accident at South Hill which not only brought death to them but injuries to three other occupants of the car—Mr. and Mrs. Robert Rivers and William Hicks, all of Wise.

The five were injured when their car, driven by Hicks, skidded out of control and struck a pole at South Hill, Va. The car was demolished by the impact.

Following the accident all occupants of the car were carried to the Parham Hospital in Henderson where Mrs. St. Sing died Sunday afternoon and Mr. Cleaton Sunday night. Mr. and Mrs. Robert Rivers and Mr. Hicks were painfully hurt but they survived the accident.

The party, all related, had been visiting Mr. and Mrs. J. W. Moody of South Hill and were returning to their homes when the crash occurred.

Mrs. St. Sing was the mother of Mrs. Robert Rivers and Mr. Cleaton was her nephew. In addition to Mrs. Rivers, she is survived by two other daughters, Mrs. Lawrence Rivers and Mrs. Jim Darnell, six grandchildren and four great grandchildren. Her husband, Charles St. Sing, died in 1909, and her parents also preceded her to the grave by many years. Mrs. St. Sing was 78 years of age.

The funeral services were in charge of the Rev. Mr. Walker, pastor of the Wise Baptist church, who was assisted by the Rev. R. E. Brinkhouse, pastor of the Baptist church at Warrenton. Both were buried in the church cemetery.

Locals And Norlina Play Scoreless Tie

By COACH WARD

John Graham High School and Norlina football teams battled to a scoreless tie on Friday. The game was featured by all the thrills that go with football—long runs, hard tackling linemen and two teams that were giving their all in an effort to win.

The score doesn't indicate the opportunity shown by the John Graham team, who on no less than three occasions had the ball on Norlina's one-yard line, but failed to score.

To those who took the time to witness the game, which was played on the John Graham field, they went away feeling satisfied that they had seen a strong team of Norlina outplay and outsmart the larger team from Norlina.

The big thrill of the game came when from punt formation Terrell passed a pass to Ridout who ran 40 yards through the Norlina team except the safety man who stopped him on the 20-yard line. From there, with Davis and Peete plunging and Terrell throwing passes, the ball advanced once again to the one-yard line, but the Graham team failed to score. It was really a tough game for John Graham to win.

The team of John Graham was expected to be proud of Friday. They expected that they were coming back rapidly, giving warning to all Norlina teams they play not to underestimate them.

Maternity Center Well Attended

The Maternity Center held at the post office in Warrenton on Wednesday of this week was exceptionally well attended. Mrs. J. S. Jones, county nurse, stated yesterday there were 36 mothers and babies examined by Dr. C. H. Peete, attending physician, she said. The next Center will be held at the Dr. T. J. Holt's office on Wednesday afternoon, November 4, at 2 o'clock.

Congressman Kerr Painfully Hurt In Automobile Wreck

Congressman John H. Kerr is confined to his home here on account of injuries he received near Nashville on Saturday afternoon at 6 o'clock when his automobile was struck and practically demolished by another driven by Arthur Parker of Nashville, Route 2.

While Judge Kerr received no cuts in the accident, the force of the impact caused him to be badly shaken up and to receive injuries to his back which have kept him confined to his bed. It is not known when he will be able to leave his home.

Neither Parker nor his companion, Miss Jane Griffin, was hurt in the accident. Likewise, Judge Kerr's negro chauffeur, Jerome Jiggetts, escaped injuries.

The accident, which took place on the Wilson road three miles out of Nashville, was witnessed by John Q. Taylor and John Thorne, Nashville youths, who offered Congressman Kerr and his chauffeur a ride to Nashville.

After officers at Nashville had been notified, Representative Harold D. Cooley offered his colleague an automobile and provided him with a driver to continue to his home in Warrenton. He showed the effect of his injuries as he stepped into Congressman Cooley's car.

Patrolman T. R. Burdett Jr. investigated the crash immediately after it occurred and arrested Parker for drunken and reckless driving. Parker, at a hearing held immediately afterwards, stated that the car belonged to Miss Jane Griffin, who was riding with him. The trial has not taken place yet.

Judge Kerr said that the wreck occurred on a straight stretch of road where there was nothing to obstruct Parker's sight for several hundred yards. The Congressman said that he saw the approaching car leaning towards his side of the road and had just told his driver he had better get clear off the concrete when the crash occurred.

The Congressman's car was struck on the left front side, tearing down the left front wheel and causing the car to drag across to the left side of the road. The automobile did not overturn.

Duck Season Opens On November 26th

The duck season opens on November 26th and extends through December 25th, E. Hunter Pinnell, Warren county game warden, stated yesterday with the explanation that there is some misunderstanding over the county in regard to the time the curtain lifts for shooting these birds. The season in Warren is the same as that throughout the state and is governed by Federal regulations.

Although the season for shooting duck opens on the 26th of November, there are certain types of these birds, due to their scarcity, which the Federal regulations prohibit shooting at any time. They are as follows: Wood duck, Ruddy duck, Bufflehead duck, Redhead duck, Canvasback duck, Brant, Ross' Goose, Snow Goose, Swan.

The Federal regulations also require that every hunter of migratory waterfowl have a stamp, which may be obtained from the post office.

The misunderstanding in regard to the opening date for shooting duck is attributed to the change in the opening date for shooting partridges, rabbits and turkeys. Several years ago when the bird and rabbit season opened on the 20th of November, the duck season opened several days previously—on the 15th. Last year when the bird season was changed to Thanksgiving day, which came on the 28th of November, it was lawful to shoot duck at that time. Due to the fact that the bird season has this year been moved back to the 20th of November, some hunters are under the impression that duck may also be hunted at that time. That is a mistake, the game warden explained.

Four Defendants In Recorder's Court Here On Monday

Three white men and one negro faced Judge Taylor in Recorder's court Monday morning as the result of violating the law while drinking whiskey and for failure to contribute to the support and happiness of a wife.

The only negro to be tried in court this week was Green Reynolds, charged with operating a car while under the influence of whiskey. After he had been pronounced guilty of the charge and a sentence of four months had been meted out to him by Judge Taylor, he gave notice of an appeal in open court and his bond for appearance at the January term of Superior court was set at \$300.

Edward Bell was found guilty of being disorderly while under the influence of whiskey and was fined \$5.00 and costs. The charge of resisting an officer which was written in the warrant on which he had been arrested was dismissed after it had been testified that he did no more on this charge than to tell the arresting officer that he was not going with him. Despite his declaration, he did go with the officer without violence, it was stated.

Bailey King was found guilty of driving an automobile while under the influence of whiskey and was fined \$50.00 and taxed with the costs. He submitted to the charge.

Early Matthews, whose domestic relationship caused him to be charged in a warrant with non-support and forcible trespass, came before Judge Taylor and, through his attorney, submitted to a plea of forcible trespass which the state accepted. The charge of non-support was dismissed. On the forcible trespass charge prayer for judgment was continued upon payment of the costs.

Macon Gridders Win First Victory

Macon, Oct. 27—Macon chalked up her first football victory of the season Wednesday afternoon by defeating the Littleton junior team 27 to 0 in a cleanly played game.

Macon scored in quick order after the opening kick-off. Drake passed to Hilliard for 30 yards and again for 35 yards, which gave the locals their first touchdown. In the second quarter, runs of 25 and 75 yards by Drake accounted for 13 more points. The final score came on an intercepted pass by Shaw, which he ran back 20 yards.

The entire Macon team played a good brand of football and outclassed the Littleton team in every department.

The Macon line-up was as follows: Right end, Shaw; right guard, Weaver; right tackle, Loyd; center, Palmer; left guard, P. Riggan; left tackle, Harris; left end, H. Riggan; quarterback, Hilliard; right half, Drake; left half, Haithcock; fullback, Ross.

Ask Voters To Vote For Amendments

Although at odds about almost every thing pertaining to the state government in the June primary, four of the candidates for governor and lieutenant governor have now agreed on one thing, and that is that the voters of North Carolina should give their endorsement to proposed Constitutional Amendment to increase the number of Supreme Court Justices from five to seven.

In a letter to Julius Banzet urging the adoption of this amendment was enclosed the following statement from the former candidates: "To The Voters of North Carolina: We, the undersigned, who were candidates in the recent Democratic Primaries for the nomination for Governor of North Carolina, are in favor of the adoption of the constitutional amendment to be submitted at the November election (Continued on Page 8)

Widening Route 1 To Be Requested

Henderson, Oct. 29.—A petition asking for the widening of Route 1, the national highway from Maine to Florida, between Henderson and Norlina will be presented to the State Highway & Public Works Commission at an early date, probable in November, Chairman Samuel M. Watkins of the Vance Board of County Commissioners stated today. The board of commissioners several weeks ago passed a resolution calling on the commission to give the matter consideration and to order the work as soon as possible.

Chairman Watkins and County Attorney B. H. Perry were instructed by the commissioners to present the matter to the State authorities. An opportunity to do so has not offered itself as yet, but at the November meeting the two local officials may appear and make formal request for the inclusion of this highway in projects to be improved.

It is pointed out that this highway bears perhaps as much traffic between Maine and Florida as any in the country. Between Henderson and Norlina the already heavy traffic is greatly augmented by traffic from Norfolk back toward Durham and Greensboro and other points in this and other states.

It is proposed that one or two feet be added to the highway on each side of the pavement. Mr. Watkins understands the State of Virginia is contemplating widening the route within the bounds of that state, and this is considered good reason for North Carolina giving its cooperation. It is not anticipated that anything could or would be done before spring, but local county officials hope to have the matter well enough in hand so that work can be started by that time, if possible.

Young Men's Club Seeks To Bring Out Big Vote Tuesday

Interested in having Warren county cast a large vote in the general election next Tuesday, the Executive Committee of the Young Men's Club swung into action last Saturday afternoon at 2:30 o'clock when John Kerr Jr., club president, invited all members of the committee, women vice chairmen from each precinct, and candidates whose names are on the ballots, to gather in the court house and discuss ways and means of getting the voters to the polls. Practically every township of the county was represented at the meeting which was attended by around 25 Democratic leaders of the county.

Upon motion of J. A. Dowtin and John Picot, the matter of getting the vote out in each precinct was left to the precinct chairman and committeemen, who, in turn, are expected to hold meetings and provide means of transportation to the voting booths for those unable to get there otherwise. Several meetings of this nature have already been held in the county this week, it was stated.

Women present at the meeting here Saturday afternoon were Mrs. W. D. Rodgers, a member of the State Executive Committee, Mrs. J. E. Adams, vice-chairman of the Warren County Democratic Club, and Mrs. T. J. Harrington, vice-chairman of the Sandy Creek precinct committee. Mr. Kerr presided at the meeting.

In commenting on the meeting last Saturday Mr. Kerr said that he hoped that all members of the Democratic party will go to the polls and vote and will endeavor to get their neighbors to cast their ballots next Tuesday in order that this county may make a showing that will reflect creditably upon Warren. The larger the vote for Governor the more representation Warren county will be entitled to in state matters, he reminded.

Opposition To Gov. Landon In Kansas

Despite the fact that Gov. Alf Landon is expected to carry his native state of Kansas in the Presidential election on November 3, opposition has developed there among leading Republicans who are unable to "swallow" his farm program, according to the following article taken from the News of Lansing, a newspaper published at Lansing, Michigan, and brought to this office this week by A. C. Stanton, a native of Kansas, and a staunch supporter of President Franklin D. Roosevelt:

Lansing, Oct. 16.—A strong indication of the unfavorable reaction in his own State to Gov. Alf M. Landon's long-delayed announcement of his two-way "farm program" was supplied by joint statements of five prominent Kansas Republicans in announcing the formation of "The Kansas All-Party Agricultural Committee" to support the re-election of President Roosevelt.

State Senator William Schoen of Downs, Kansas, for years a GOP leader, stated: "The Republican candidate for President; his record and his political associates offer nothing to Kansas farmers."

State Senator Simon Fishman, of Tribune, Kansas, one of the most prominent members of the upper branch of the Legislature, and long a prominent agricultural leader, declared: "Without President Roosevelt's agricultural program, my section of the country . . . would have been depopulated during the past years of drought."

Fred B. Shacklett, also of Western Kansas, a member of the Kansas House of Representatives, said: "I have only the highest personal regard for Gov. Landon, but it is quite evident that he has deserted the principles for which I have stood. To support Gov. Landon now would be supporting Jim Reed, Hearst, the Liberty Leaguers, who are ultra anti-labor and opposed to any real farm relief."

H. H. Kirchner of Osage City, Kansas, former member of the Legislature, issued this statement: "The reason I am for Roosevelt is that he has tried to do something to improve farm conditions. When a public official is true to his trust, I hold he is entitled to a second term."

Douglas A. Graham of Topeka, former state fire marshal, said: "As a progressive Republican I can support neither the platform nor the candidate of the Republican party. This reactionary platform can be worthy of but one thing—defeat."

VOTERS TO GO TO POLLS TUESDAY

Indications Are That Vote Will Be Heaviest Ever Cast In County

VOTE ON AMENDMENTS

From sunrise to sunset on Tuesday, November 3, voters of Warren county, along with other citizens throughout the nation, will go to the polls to express their choice of candidates from the President of the United States to township constable.

Indications are the vote will be the heaviest ever cast in the country. Several millions of new names have been added to the registrations books throughout America, according to press reports.

Approximately 4,000 people in Warren county are eligible to participate in the election. Claude Haithcock, chairman of the Warren County Board of Elections, stated yesterday.

Mr. Haithcock said that a few new names had been added to the registration books within the past few weeks but the majority of the voters of Warren registered several months ago in order to take part in the county primary.

It is expected that nearly 3,000 voters of Warren will cast their ballots Tuesday. Estimates of seasoned politicians have ranged from 2,500 to 2,700. In the general election four years ago, Warren cast 2,665 votes for Candidate Roosevelt and 110 ballots for Candidate Hoover.

County Chairman Haithcock expressed the hope that every man and woman in the county whose name is on the registration books will avail himself or herself of the opportunity to cast a ballot next Tuesday.

In addition to the Presidential ballot, state and county ballots, voters will be given an opportunity to express themselves on five constitutional amendments. The amendments are:

- (1) To permit the legislature to add as many as two additional associate justices to the Supreme Court, and to allow the court to sit in divisions except in cases involving the federal or state constitutions.
- (2) To permit the legislature to exempt from taxation homesteads occupied by the owners up to \$1,000 in tax valuation.
- (3) To permit classification of property for taxation.
- (4) To permit levy of income taxes up to 10 per cent, instead of only to six per cent as now.
- (5) To limit debt of public governmental units, state and local, by requiring that no new debts, except for certain necessary purposes listed, may be incurred by any unit in an amount in excess of two-thirds of the amount by which the outstanding debt was reduced during the preceding fiscal period, unless such debt be approved by a majority of the voters of the unit.

Skinner To Speak At Court House

John L. Skinner, executive secretary of the State Association of County Commissioners and a member of the Local Government Commission, will speak in the court house at Warrenton on Monday afternoon, November 2, at 1:30 o'clock on the proposed state constitutional amendments to be voted on in the election on November 3.

Mr. Skinner, who is perhaps one of the best informed men of the state on county government and tax problems, comes to Warrenton under the auspices of the State Association of County Commissioners and the North Carolina League of Municipalities. The public is invited to hear his talk.
