Cooper of Warrenton, Mr. and Mrs. H. C. Capps, Mr. and Mrs. Rufus

Bradley Jr., Mr. and Mrs. E. L. Crawley, Mr. and Mrs. C. H. Lambeth and Miss Louise White.

Tells How 1937 Soil Payments Are Shared

Soil-conservation payments for 1937 will be divided between North Carolina landlords and tenants according to the following rules, said J. F. Criswell, of State College.

Cotton and peanut diversion payments: 37-1-2 per cent to the producer who furnishes the land, 12-1-2 per cent to the producer who furnishes workstock and equipment; the other 50 per cent to be shared in the same proportion that the crop is divided.

Diversion payments for tobacco and general soil-depleting crops: 15 per cent to the producer furnishing the land, 15 per cent to the producer furnishing workstock and equipment; the remaining 70 per cent to be divided as the crop is divided.

Payments for soil building practices will be divided among the producers according to the amount of work and expense incurred by each in carrying out these practices.

The soil-building payments will be divided on the same basis used last year, Criswell stated, but a change has been made in the method of dividing the diversion payments.

Last year diversion payments were divided thus: 16-2-3 per cent to the producer furnishing the land, 16-2-3 per cent to the producer furnishing workstock and equipment, and 66-2-3 per cent to be divided in the proportion that the producers shared in the soil-depleting crops.

It is believed that the method of dividing the payments this year will be more equitable and less complicated to work out, said Criswell.

Drewry Items

Mrs. J. C. Watkins and son, John C. Watkins Jr., spent several days in Gatesville recently with Mrs. Watkins' mother, Mrs. Riddick.

Mr. and Mrs. Herbert Petar of Ridgeway visited friends here Wednesday afternoon.

Mr. R. T. Walston went to Duke hospital in Durham Monday for treatment.

Mrs. C. C. Seigling and son, Cass Jr. of Charleston, Mrs. Walter Vaughan and children of Middleburg, and Mrs. John Vickers of Goldsboro visited their aunt, Miss Nena White Tuesday.

Mrs. J. Hope Bullock and Mrs. H. B. White attended the lecture given by Mrs. Bingham on Friday at the Presbyterian church in Henderson.

Nine Gaston farmers purchased 4200 pounds of lespedeza seed from three other Gaston farmers last week thus keeping both the seed and the money within the county.

When Women Need Cardui

If you seem to have lost some of your strength you had for your favorite activities, or for your housework . . . and care less about your meals . . . and suffer severe discomfort at certain times, . . . try Cardui!

Thousands and thousands of women say it has helped them. By increasing the appetite, improving digestion, Cardui helps you to get more nourishment. As strength returns, unnecessary functional aches, pains and nervousness just seem to go away.

HELP KIDNEYS

To Get Rid of Acid and Poisonous Waste
Your kidneys help to keep you well by constantly filtering waste matter from the blood. If your kidneys get functionally disordered and fail to remove excess impurities, there may be poisoning of the whole system and body-wide distress. Burning, scanty or too frequent urination may be a warning of some kidney or bladder disturbance. You may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel weak, nervous, all played out. In such cases it is better to rely on a medicine that has won country-wide acclaim than on something less favorably known. Use Doan's Pills. A multitude of grateful people recommend Doan's. Ask your neighbor!

DOAN'S PILLS

At Grain Problem Conference

WASHINGTON . . . Farm leaders from all parts of the country conferred here with the Secretary of Agriculture, Henry Wallace, to study plans for an "ever-normal" granary. The plan calls for storage of excess production in good years. In the conference, left to right, seated: Senator Ellison D. Smith, Secretary Wallace and Rep. Marvin Jones. Standing: E. H. Everson, Farm Union President; Louis J. Taber, National Grange Master; H. R. Tolley, AAA; and Edward A. O'Neal, president, American Farm Bureau Federation.

One hundred and fifty years ago the Constitution of the United States was signed—to promote the general welfare and secure the blessings of Liberty.

Today, our first President would proudly survey our American achievements. He would find that the Carolinas have grown great by devotion to those original American principles.

Here in the Carolinas, George Washington would discover a new contribution to Freedom undreamed of in his philosophy. Today electricity brings us Freedom from drudgery — from monotonous living.

Here in the Carolinas electricity has been made available for the masses—and at a cost within the reach of all. Now cheap electricity is cheaper than ever before. It brings to Carolinians modern "life and liberty"—it is helping them succeed in their "pursuit of happiness."
