

SET SALARIES OF MEMBERS OF ABC BOARD

Three County Boards Meet In Conjoint Session To Discuss Affairs County Whiskey Stores

SUPT. ALLEN PRESIDES Board Members Frown On Two Frequent Meetings Being Held

Salaries of members of the Warren County Alcoholic Beverage Control Board were set at a conjoint meeting of the Board of County Commissioners, the Board of Health and the School Board on Wednesday afternoon.

The salary of \$50.00 a month which James B. Boyce receives as chairman of the Control Board was not altered nor was the pay of \$7.50, plus mileage, which Ernest Moseley and H. P. Bonney receive for each time they meet changed, but if they follow out the order of the three boards they will not meet as often as they have in the past.

After members of the three boards had assembled in the commissioner's room and appointed J. Edward Allen as chairman and W. H. Burroughs as secretary, a resolution was submitted by Commissioner Capus whereby the two members of the board would each receive \$50.00, plus mileage, for their meetings but they were not to meet more than once a month. Dr. W. W. Taylor pointed out that the law under which they were appointed set their salary at \$7.50, plus mileage, for each meeting and said that he did not think the board on which he was serving had authority to change this figure. Other members of the three boards then agreed to leave their compensation at \$7.50 for each meeting they held but ruled that they should not meet.

W. T. Carter, Former Member Of Board, Dies

William T. Carter, a magistrate of this county for many years and at one time a member of the Board of Education, died at his home in Vaughan on Monday morning following a heart attack. For the past two or three weeks he had shown evidence of declining health. He was 78 years old.

Funeral services were conducted from the Vaughan Methodist Church Tuesday afternoon at 2 o'clock with the Rev. Mr. Phipps officiating. Burial took place between two of his former wives in the churchyard.

Mr. Carter is the father of Chief of Police Will Carter of Norlina, Mrs. Dan Barnes of Vaughan, Mrs. Joe Porter of Aurelian Springs and several other children, the names of whom could not be learned here. In addition, he is survived by his wife, who before marriage was Miss Polly Harris.

Squire Carter, as he was known throughout the county, took an active part in the politics of Warren for many years and up until a few weeks ago he was to be found at the court house on practically every first Monday talking matters of a political nature, both from a county and national standpoint. He continued to conduct his magistrate's court up until a short time before his death, and at times was known to appear in Recorder's court to argue a case in behalf of a defendant.

EPISCOPAL SERVICES

Holy Communion will be celebrated in Emmanuel Episcopal Church on Sunday morning at 8 o'clock and at 11 o'clock there will be a short morning service, the Rev. B. N. de Foe Wagner announced last night upon his return from Haymarket, Va., where he has been spending a few days with Rev. W. F. Carpenter who accompanied him to Warrenton. There will be an afternoon service at Ridgeway at 4 o'clock Sunday, he said. The Rev. Mr. Carpenter, who accompanied the Rev. Mr. Wagner home, will be in charge of services both here and at Ridgeway.

Mr. and Mrs. Signall Jones and son are spending a few days with Mr. Jones' parents, Mr. and Mrs. H. F. Jones.

SUPT. ALLEN DISCUSSES COUNTY SCHOOL OUTLOOK FOR 1937-38; TO OPEN SESSION SEPTEMBER 7

Littleton School To Have George Reed Teacher

Three hundred dollars was appropriated by the Board of County Commissioners on Wednesday afternoon to supplement the salary of a George Reed teacher to give instructions in Home Economics in the Littleton High School.

No provision was made in the school budget for this expense due to the fact that when the budget was made up a few days ago it was not thought that such a teacher would be available for the Littleton school, Supt. J. Edward Allen stated.

Mr. Allen said that when the application was made for a George Reed teacher for the Littleton school, which was subject to a federal appropriation, that Warren county was nearly at the bottom of the list of the counties which had already filed and that little hope was entertained for securing such a teacher at the time, although application was made. As time went on nothing more was heard about the teacher, Mr. Allen said, and it was thought that one would not be available for the Littleton school, but on Saturday President Roosevelt attached his name to the bill which provides funds for George Reed teachers and this county was notified that such a teacher would be placed in the Littleton school and that this county would have to supplement her federal salary.

There will be no increase in the tax rate due to this appropriation. Provision was made in the school budget for sanitary improvements at the Macon school and it is expected that enough money will be saved out of the money raised for this work to pay the county's part of the George Reed teacher's salary.

Christian Wyler Dies At Ridgeway

Funeral services for Christian Wyler, who died at the home of his daughter, Mrs. Kasper Kilian, at Ridgeway on Wednesday at 1:30 o'clock, were conducted from the Lutheran church yesterday afternoon at 1:30 o'clock by the pastor, the Rev. Mr. Moeibus. His remains were shipped to Jefferson, Ind., where interment took place.

Mr. Wyler came from his home in Jefferson to visit his daughter about six months ago. His health was not regarded as being good when he left Indiana and he never regained it after reaching Warren county. Death, which came in his 82nd year, was attributed to a complication of disease.

In addition to Mrs. Kilian, the deceased leaves two other daughters, Mrs. Emma Holtzman of Ridgeway and Mrs. James Shaw of Louisville, Ky. He is also survived by two sons, Cris Wyler of Standford, Ky., and Fred Wyler of Los Angeles, Calif. His grandchildren served as pallbearers.

LIGHTNING STRIKES HOME

Lightning struck the home of Sheriff W. J. Pinnell during the electrical storm which passed over Warren county on Thursday afternoon of last week. Damages were confined to a knocked out telephone.

Free Textbooks To Be Furnished Elementary Grades; New School Busses

URGES MORE READING

By J. EDWARD ALLEN, Supt. Warren County Schools

The schools will have their formal opening on Tuesday morning, September 7th, on which day the busses will make their first trip. On this day will come enrollment and assignment of classes and courses, and on Wednesday morning, September eighth, regular class work will begin in all schools.

No elementary basal books will be rented this year. The basal books will be furnished without cost in the first seven grades, and the supplementary books will be also furnished by the state on a rental basis. Therefore the rental fee will be charged in the case of every pupil in the schools, and no child can pass the grade without obtaining the supplementary books as well as the basal. The rental fee charged is as follows:

- Grades I and II.....\$1.00
- Grades III, IV and V.....\$1.20
- Grades VI and VII.....\$1.40

In the High School grades, all books will be available by rental, depending on the books wants, the fee being one-third of the purchase price. Children will be given the memorandum of the cost the first day, and will bring the money the second day.

Vaccination Necessary

In order to prevent any future trouble with smallpox, it is required by the Warren County Board of Health and State Regulations, that all children who attend the public schools shall have been vaccinated. Mrs. Jones will visit all schools shortly after the opening in September for the purpose of vaccinating against smallpox. Parents who send their children to school unvaccinated, send them with the agreement that they will be vaccinated unless they carry to the grade teacher in charge, a certificate signed by a physician covering the case. Oral statements cannot be used, and the law permits no exceptions.

Every school child is urged to begin early the reading for a "reading certificate." No child is required to do the reading for this certificate, but all children should do this voluntary reading for pleasure, and the school room which shows the highest percentage of reading certificates will receive a prize. The Warren County Memorial Library Book Truck will help in providing things to read.

Teachers Meeting

The first general teachers' meeting will be held in the basement of the Memorial Library on Tuesday evening, Sept. 7th., at 7:30. At this time Dr. Highsmith and assistants, together with a member of the State School Commission and the Secretary of the State Education Association will give instructions. (Continued on page 10)

BOARD AGREES SCHOOL AUDIT AT LITTLETON

Seek To Determine If Halifax County Has Turned Over All District Money To Warren County

HALIFAX COOPERATING

Warren Side Littleton District Feels That Funds Are Due It

The Board of County Commissioners agreed on Wednesday afternoon to have an audit made of the Littleton School District to determine whether Halifax or Warren county has failed in the past to pay its proportionate part of the expense of running the schools in the district which is divided by the two counties.

Those in Littleton on the Warren side of the line contend that Halifax county has not come across with as much cash as she should for operating the schools and as a result bonds have not been retired as fast as they should have and the tax rate remains higher in the Littleton school district than in any other district in the county. Some of those living on the Halifax side, according to reports reaching here, claim that they have paid their pro rata part of running the schools and if there is a shortage anywhere it is on the Warren county side.

Halifax county operates the negro schools in the Littleton special district and Warren county operates the white schools in this district.

Halifax county is to pay part of the cost of the audit and Warren county is to pay part. The minute pertaining to the audit reads as follows:

"Motioned by Commissioner King that Warren county have an Auditor employed to make a complete (Continued on page 10)

One Time Gazette Printer Pays Visit To Warren Record

With fingers which had not known the touch of printers ink in nearly 50 years, R. P. Davis of Newport News, Va., a native of this county, reached into type cases at the office of The Warren Record on Wednesday morning to see if he had completely forgotten the letter boxes which were as familiar to him when he worked here on the old Warrenton Gazette in 1886-87 as are the ivories to a talented piano player.

While Mr. Davis had not completely lost knowledge of the cases, his fingers were not as adept in reaching to the right boxes and picking up the small type as they were when he got out the Gazette for Mr. Foote two and a half decades ago.

Stating as he walked into the mechanical end of the office that he would like for old time sake to set an item to be published in this week's issue of the paper, Mr. Davis appeared to be surprised when he was informed that our type for the paper was no longer set by hand but by machinery.

As the former printer looked over at the linotype which was turning out as much copy in an hour as he probably could set in a day by hand, he remarked: "That's a remarkable piece of machinery; if any one had told me when I was bending over the cases picking up type 50 years ago that some day there would be (Continued on page 10)

FARMERS MUST HELP IN CHECK

Farm Must Be Checked And Reports Filed Before Payments Can Be Made

TELLS REQUIRED DATA

By BOB BRIGHT

We are trying to complete compliance by November 1st. To do this we must have the cooperation of the producers or farmers. The farm must be checked and the report filed before any payments will be made. Supervisors are now checking farms and the producers should give them all the aid possible in checking the farm.

The farmer should have clear in mind the following at the time his farm is checked:

Acres planted to general crops, this includes corn, all small grain and truck; acres in conserving crops, this includes peas, beans, lespedeza and other legumes. He should also be able to advise the supervisor what he intends to do (Continued on page 10)

Dove Season To Open September 15, Other Date Is Error

The season for shooting doves does not open until September 15, Game Warden E. Hunter Pinnell, who last week announced that the ban on this game would lift on September 1, stated this week after receiving new regulations from the State Department of Conservation and Development.

Mr. Pinnell said that when he was in Raleigh recently he was informed by J. D. Chalk, Commissioner of Game and Inland Fisheries, that the dove and squirrel season would open on September 1, and after he had made announcement to this effect he received new instructions from Raleigh which notified him that Federal game regulations prohibited the shooting of doves until September 15 when the season will open for 30 days and then close until December 20.

Mr. Pinnell said that he has notified those who sell hunting licenses and many sportsmen of the change in the opening date for shooting doves and asks that others pass the word along.

There was no change in the game warden's announcement last week relative to shooting squirrels. This season will open on September 1 and remain open through the month.

ALLOCATE \$21,220 WARREN COUNTY

County's Part of \$2,000,000 Highway Fund To Be Used On Country Roads

BE REPAIRED AT ONCE

Warren county will receive \$21,220 of the \$2,000,000 allocated by Governor Clyde R. Hoey for betterment of school bus routes and farm to market roads, according to announcement made from Raleigh yesterday. Repairs are expected to get under way at once in order to strengthen all the weak spots in the roads before the opening of school, it is understood.

Allocations to other counties in the first division are as follows: Bertie, \$17,300; Camden, \$5,860; Chowan, \$6,920; Currituck, \$6,540; Dare, \$6,720; Edgecombe, \$21,240; Gates, \$9,640; Halifax, \$22,580; Hertford, \$14,060; Martin, \$16,840; Northampton, \$16,400; Pasquotank, \$9,720; Perquimans, \$9,240.

The total for this division is \$184,280.

Six Cases Tried In County Court Here Monday

Six cases which involved eight defendants were disposed of by Judge T. O. Rodwell and Solicitor J. P. Phippen in Recorder's court on Monday morning.

Operating a motor vehicle without a driver's license was the charge which brought Lloyd Young into the temple of justice. Judgment was continued upon payment of cost and the condition that he secure a driver's license.

Judgment was continued upon payment of costs in the case against Ernest Weldon who was found guilty last week of refusing to surrender his driver's license after he had been ordered to do so by a state patrolman. He was ordered last week to surrender his license but the rest of the judgment was continued until this week.

Robert Davis, Nettie Harrell and Eliza Palmer, negroes, were booked on a charge of engaging in an affray in which a deadly weapon was used. Davis was ordered to the roads for four months; Nettie Harrell was given a 60-day jail sentence, and a nol prois with leave was taken as to Eliza Palmer.

Matthew Alston, negro, was convicted on a charge of assault on a female. He was given a 60-day road sentence which was suspended on the condition that he pay court costs and remain of good behavior for six months.

Judgment was suspended upon payment of costs provided he secure a driver's license in the case against John Thornton, negro, who was tried for driving without a permit.

A case of hit-and-run driving, booked against Robert Burton, negro, was sent to Superior court. Bond was set at \$200.

A case against Harry Alston, charging him with abandonment and non-support, was continued.

Mrs. Emma Pike Dies At Littleton

Miss Emma Pike, 47, died at her home near Littleton on Wednesday night following a stroke of paralysis which she suffered ten days ago. Her health had not been good for some time.

Funeral services were conducted from the home Thursday afternoon at 2 o'clock. Interment followed in the Littleton cemetery.

Miss Pike is survived by two sisters, Miss Florence Pike and Mrs. Will Bennett, and three brothers, Herman, Mack and Raymond, all of near Littleton.

Open Boll Cotton Is Displayed Here

The first boll of open cotton to be displayed here from the crop of 1937 was brought to Warrenton on Tuesday by Frank W. Davis of near Five Forks. Mr. Davis said that the cotton was grown on his farm.

Dr. Frank O'Neil, resident physician in the Children's Hospital at Cincinnati, Ohio, was a guest of Howard Jones Jr. Thursday night. Dr. O'Neil was in North Carolina to visit his parents who live at Henderson.

BOARD CALLS BOND ELECTION SEPTEMBER 21

Voters To Decide Whether Bonds Shall Be Issued For Remodeling And Repairing Jail

AGREE ON BOND ISSUE

Judge And Grand Juries Say That County Bastile Must Be Rebuilt

September 21st was the date set by the Board of County Commissioners in special session here on Wednesday afternoon for holding an election for the purpose of letting the voters decide whether bonds in the sum of \$20,000 shall be issued for repairing and remodeling the jail which has been foremost in the minds of the commissioners since the May term of Superior court when Judge Henry A. Grady ordered the entire body indicted for not carrying out former recommendations of grand juries which had advised that repairs and improvements be made there. The case against the members of the county governing body was continued at the last term of court.

The commissioners had agreed some time ago to call for a bond issue after it had been learned that the necessary funds could not be raised otherwise, but the date for calling the election could not be set until the board had given public notice of their intentions in this matter and offered voters an opportunity to appear at a subsequent meeting and show why the proposed election should not be called.

Wednesday afternoon was the date set for the public hearing and only one voter came here to protest against the election. Finding himself alone he made no verbal objections before the commissioners but let it be known that he would return to his township and work for the defeat of the bond issue.

Opinion is divided over the prospects for the bond issue carrying with the consensus being that it will be defeated by a large vote. Some think that the bond issue will carry due to the fact that in this election only the votes of those who go to the polls will be counted, whereas in some elections the names of those on the registration books who do not concern themselves to the extent of going to the polls are counted as being against a public issue.

The commissioners themselves are neither publicly advocating the passage nor the defeat of the bond issue. Their position in regard to the matter, it seems, is that they have been ordered by the court to repair the jail, they have no funds on hand nor the power to borrow the amount needed for the recommended repairs and that their only alternative is to call for an election and let the people decide the matter.

Donkey Ball Game At Littleton Tonight

Rare and hilarious entertainment is promised at Littleton tonight and tomorrow afternoon when a donkey baseball game will be played at the fair grounds between members of the Littleton Lions Club and a team composed of "old timers" gathered from various towns and communities of Warren and Halifax counties. The club had its donkeys and everything in readiness for a game two weeks ago but it was postponed on account of rain.

Local Firemen Expected Home

Members of the Warrenton fire company were expected to return last night from Farmville where they have been this week attending the annual convention of the North Carolina Colored Volunteer Fire Association.

The company, 27 or 28 men strong, left by truck on Monday to attend the three-day convention. The fire truck was connected with hose and left here with one or two veteran firemen ready for service in the event of a fire while the company was gone.

Last year Warrenton was host to the association.
