

Warrenton Football Team Opens Grid Season Tonight

Warrenton's 1960 football team will help raise the curtain on another football season tonight (Friday) when they travel to Scotland Neck for the season's opener for both clubs.

Coach Fate King's charges have not faced the Fighting Scots since the latter withdrew from the old Roanoke-Chowan Conference several years ago. Since then, Warrenton has withdrawn from the conference in favor of the young Tar-Roanoke loop.

Probable backfield starters tonight for the Warrenton club will be Clinton Neal, 170-pound junior, at quarterback;

Gordon Halthcock at left half, Billy Mitchiner at right half, and Tommy Holt at fullback. King announced as probable starters in the Lellow Jacket forward wall Herman Rooker at right end, Wilson Bolton at left end, Bobby Edmonds, right tackle, Steve Clark at left tackle, Macon Reavis at left guard, Bill Clark at right guard, and George Pittard at center.

How well his line, which averages 160 pounds, will act under game conditions is currently posing a question for the Warrenton mentor, now in his eighth season at Warrenton.

"The end positions will probably be one of the strongest spots on the line," King said. Veterans Herman Rooker and Wilson Bolton will have necessary game experience and will also have good backing in Therman Rooker and Johnny Link, King said.

Expected to see considerable action in tonight's contest will be Bill Taylor at guard, tackles Carroll Harris and Herbert Rooker, and half backs Ray Bartholomew and Chocky White. Understudying Neal at quarterback will be Billy Benson and Tommy Twitty.

King has special praise for Herbert Rooker, a 165-pound

freshman. Also ready to boost the line average will be Macy Paynter, a guard who tips the scales at even 200 pounds.

This week King had about 25 in practice uniforms, with Billy Rogers and Lawrence Boyd the only pre-season casualties.

Last year Warrenton had a 33-man squad but this year King has only 19 of them back. Graduation took its toll, but a number of boys counted on for this season were not available. The Yellow Jacket coach hopes to get a few recruits when tobacco season is over, but he is not counting too heavily on it.

Graduation losses for the Warrenton club includes half-back Tommy Miles, tackles Ed Wood and Norwood Pulley, fullback Sammy Short, center Monroe Mustian and end Frank McDowell.

The squad is built around 13 juniors and King feels that the progress made by these boys since last season will determine whether or not this year's edition better the 5-5 record of last year's squad.

which finished third in the Tar-Roanoke Conference. Warrenton will not get into conference action until two weeks from tonight when it tangles in a road game with Weldon. Next week the Jackets will get a holiday with no game on tap for Friday night.

Dove Season Opens

The dove season will open on September 15 and close on October 1 with the season opening on December 1 and closing on January 14, Alton Pridgen, Wildlife Protector for Warren County, said yesterday.

Shooting hours will be from noon to sunset and the daily bag limit will allow 12 birds and 24 in possession.

Pridgen said that it is unlawful to shoot doves or any other migratory birds with a rifle.

There has been an excellent crop of doves this year, Pridgen said, as reflected in the longer season and increased bag limit.

Wilson Urges Fans To Buy Boosters Tickets

Local sport fans were urged this week to purchase their 1960-61 Warrenton Boosters Club tickets.

The plea to stimulate sales of the tickets was made by Eugene Wilson, vice president of the Warrenton club in charge of ticket sales.

Wilson said that if the goal of 200 ticket sales was to be reached before the drive ends on September 23, a greater response on the part of would-be purchasers must be forthcoming. John Graham High School plays its first game at home three weeks from tonight. Tickets entitle the purchaser to attend all home games in football, basketball and baseball free of charge.

Wilson pointed out that this year the ticket purchasers would be getting an exceptional bargain in that six of the football games scheduled are home games.

Thus far only 30 tickets have been sold, Wilson said. He listed the names of the purchasers as follows:

Dorman F. Blaylock, Pettis Rodwell, A. E. Wilson, Sanitary Barber Shop (2), Joyce Benson, Johnnie James, Mr. and Mrs. W. A. Miles, Mr. and Mrs. W. R. Drake, John G. Mitchell, W. W. Taylor, Jr., Claude T. Bowers, P. G. Seaman, P. B. Boyd, Mr. and Mrs. H. Howard Daniel, Hy Diamond, Dr. Rufus Jones, A. C. Fair, Scott Gardner, Harry Cohen, Warrenton Department Store, Warrenton Cotton & Fertilizer Company, Edward Hunter, H. R. Skillman, and Mr. and Mrs. W. S. Smiley.

Norlina Is On Road Tonight

Norlina will make its 1960 debut away from home tonight (Friday) when it goes against the Roanoke Conference Red Devils at Rich Square.

Coach Bob Price, who piloted the 1959 Norlina club to an undefeated regular season and to the finals of the state playoffs in Class A competition, doesn't know how his new edition will respond.

"We lost 11 seniors from last year's squad and we will be lucky to have a break-even season," the Norlina coach said after a pre-game practice session.

Probably the biggest void Price will have to fill will be the gap left by halfback Bobby Jones, an all-conference performer and a member of the East team in the annual East-West classic.

Price seems to be worried more about his line than his backfield, where he will probably have two juniors and two seniors operating tonight. Scheduled to handle the ball-running chores for Norlina will be Billy Fuller at quarterback, Fred Hicks and Frank Perkinson at halfbacks, and Lee Hicks at fullback. Also scheduled to see limited action in the backfield tonight will be Alton Williams and Charles Collier.

Price could think of several nice adjectives to describe Frank Perkinson who will gear the Norlina T-formation attack. "He can run well, is a good defensive player, and has a fine attitude which should enable him to be a real standout before the season is over," Price said.

Hoping to successfully contain Rich Square's explosive multiple offense run from the single wing, Price says he will probably go along with John Smiley and Frank Mayfield at ends, Alan Edwards and Johnny Brauer at the tackle positions, guards Franklin Bolton and Dwight Pierce, and either Arthur King or Luther Perkinson at center.

Tackle should be a strong spot for Price, who will have Red King and William Cooke available for relief duty there.

Price's 35-man squad, consisting mainly of juniors and seniors, will play a full ten-game schedule as follows:

Sept. 2—at Rich Square; Sept. 9—at Spring Hope; Sept. 16—at Weldon; Sept. 30—Louisburg; Sept. 30—Weldon; Oct. 7—Aurelian Springs; Oct. 14—at Franklinton; Oct. 21—at Ahsokie; Oct. 28—Warrenton; Nov. 4—Nashville.

Littleton Plays Coats At Home Tonight

LITTLETON — Littleton's Blue Jays along with all other area Class A teams are now tapering off rugged scrimmages in preparation for Friday night openers which will reveal the results of three weeks of hard work.

Littleton faces Coats at Littleton in an opener.

The Jays under Coach Tommy Satterfield are a vastly improved team over last year's edition which turned in a 1-7-2 record but Satterfield is cautious about his hopes this year wanting to see the Jays under fire before voicing an opinion.

"We are overall stronger than last year though," he states and will be hoping for better things this year.

Aulander is Satterfield's choice to be a power in the Roanoke Conference but most of the other teams have improved with perhaps the exception of Colerain which lost 11 lettermen, and Murfreesboro who lost all East Bucky

Lt. Jimmy Harris Leads Golfers

Lieutenant Jimmy Harris, a native of Warrenton, recently fired a 77-75-152 to lead qualifiers at Misawa Air Force Base in Japan.

Harris, currently serving a three-year tour of duty in the Far East, was one of six golfers going a berth on the Misawa entry in the Fifth Air Force golf tournament.

Should Harris continue to turn in low scores in the Fifth Air Force tournament, he may win an opportunity to return to the United States for further competition.

Harris, son of Mr. and Mrs. A. D. Harris of Warrenton, is married to the former Patsy Capps of Arcola. They have two children, Mary Grace, 3, and Jim, 2.

He is scheduled to complete his Far Eastern Tour in March, 1962.

Weldon Names Johnson Coach

WELDON—Donald Johnson has been named head coach at Weldon High School, replacing Coach Jesse Parker who has been promoted to principal.

The shift in positions was started when principal and football coach Ike Davis accepted a position as principal of Windsor, Va., High School.

Parker, who coached basketball and baseball, will now turn all three sports over to Johnson who comes to Weldon from Stoneville High School where he had outstanding success with his teams.

A graduate of Elon where he was president of his sophomore and senior classes and a member of the Kappa Psi Nu, he attended Elon on a baseball scholarship.

Johnson is a native of Dunn and coached at Stoneville for three years in football, boys and girls basketball and baseball. His teams played in the Rockingham County Conference and in 1959 his football, boys basketball and the baseball teams won the conference titles. Both basketball teams won the county tournament and the boys advanced into state play-offs all three years in basketball.

announcing the date of the Warren County FAIR

SEPT. 26 thru OCT. 1

Premium books are now being distributed by our home and farm agents and are also available at the following places:

- QUALITY GROCERY
