

Warrenton Records Win, Loss In Ball Play

A win and a loss were recorded by Warrenton's Yellow Jackets during competition among Halifax-Warren competition during the past week.

Warrenton downed Aurelian Springs, 10-5, on Friday afternoon at Aurelian Springs as the Jackets chalked up their first win of the season with an 11-hit attack.

Larry Hayes, Warrenton pitcher, kept the Hornets under control until the final frame when a three-run uprising caused him some anxiety. Hayes struck out three and yielded eight hits with teammates making three errors behind him.

The Jackets scored six runs on seven hits in the third in-

ning, as Coach Fate King's batters put together a string of four straight singles. In this inning, Hornet starter Tommy Warren was relieved by Randy Gibson.

Hayes and centerfielder Steve Clark led the Warrenton hitters with each getting three hits in four trips.

Warren and Charles Liles each had two for four to lead the Hornets at the plate. Warren's second hit of the day was a homer in the final frame.

Blue Wave Roll Past Weldon, 8-1, Monday

Luther Perkinson pitched a two-hitter and Norlina batsmen scored six runs in the fourth frame at Weldon on Monday as the Blue Wave rolled to their fourth straight triumph in Halifax-Warren competition by an 8-1 score.

Perkinson fanned 11 and walked five in allowing two hits—both of them singles—

which shattered his bid for the second no-hit game of the year by Norlina moundsman.

Perkinson and teammates June Kerppson and Frank Perkinson had two hits each to lead the Wave. Frank Perkinson slammed a four-bagger in the fifth inning off relief Weldon pitcher Alton Overby for the last Norlina hit of the day.

S. E. Sessoms started for Weldon and allowed seven hits while walking five.

Weldon's only run came in the sixth when Perkinson yielded a single and an error allowed one run to cross the plate.

Monday afternoon it was a different story as the Jackets travelled to Enfield where a 14-hit attack by the Enfield Demons proved to be too much for the Warrenton team who dropped a 16-7 decision.

Leading the barrage on Jacket pitchers were Fletcher Hayes with two for four, including a triple. Warrenton had six hits with a double by Billy Benson being the longest one of the day for the visitors.

Gordon Heathcock started on the mound for Warrenton and was relieved by Benson. Enfield started L. A. Best who came out in the second inning in favor of Ollie Overton who went the route, walking three and fanning three in his initial performance.

Enfield in the second inning made five errors which combined with two walks gave the visitors a fresh start at 4-4. But in the next inning Gene Gardner smacked a double with the bases loaded to put it out of the Jackets' reach.

Norlina Lands On Top of League With Win Over Davie

Norlina's Blue Wave took undisputed first place in the Halifax-Warren Conference at Norlina Friday afternoon with a 3-1 victory over William R. Davie's previously unbeaten Blue Devils.

Norlina's Frank Perkinson struck out 10 Davie batters and gave up only three hits in his seven inning victory which marked his second loop win of the year.

A jittery Davie infield bootied the ball around in the first frame long enough for Norlina's Jim Burton, Charles Collier and Billy Fuller to pack away at Buck Dickens for three singles and two runs.

These two runs proved to be enough to win as the game settled down into a pitcher's battle with Dickens allowing Norlina three more hits and never more than one in any one frame.

In the third inning, Jesse Bryant connected for a double off southpaw Perkinson for the first hit off him this year, the fifth win by the fast ballers being a no-hit affair with Warrenton. Bryant scored when Bobby Birdsong singled.

Norlina added one run in the bottom of the third when Perkinson walked and Fuller brought him home with a long single.

Birdsong singled twice to lead Davie and Burton and Fuller with two hits each were tops for Norlina.

Dickens struck out six batters and walked only two while Perkinson allowed one free pass.

William Henry Belk

Pioneer of America's Retailing System

The late W. H. Belk, founder of LEGGETT'S was truly a pioneer in establishing present-day merchandising methods in the South. Just seventy years ago he put into practice policies which today are widely accepted and praised, but which at the time were considered radical and rash.

When he became a small town merchandise man in Monroe, North Carolina, at the age of 26, he insisted on two qualities as the fundamental basis of his store operation. They were absolute integrity and honesty—and hard work! On this foundation of honesty and hard work he built a way of doing business:

- 1) buy for cash in large quantity
- 2) sell for cash at low mark-up
- 3) sell at one established price for all customers—no bargaining
- 4) strict honesty and fair dealing with customers and associates
- 5) money refunded to customers on goods promptly returned, if dissatisfied.

Today, seventy years later, these very same principles are maintained as the daily policy for all families trading at LEGGETT'S. Friendliness and courtesy to all have made LEGGETT'S a mecca for value conscious Southern shoppers. And, though the language might have been slightly altered, the same underlying principles of a good business practice form the basis of this guarantee which accompanies all purchases made today, tomorrow or any day at LEGGETT'S.

Every purchase made at LEGGETT'S is guaranteed for quality, for value, for performance! Nothing could be fairer!
