

Negro FARM AGENT NEWS

LEONARD C. COOPER
Negro County Agent
I. W. MURFREE
Asst. Negro County Agent

Four-H leaders are found everywhere—at judging contests, junior fairs, square dances and talent shows—and are always preparing for, sitting through, participating in, or recuperating from a meeting of some kind. They are tireless consumers of muffins, expert at taking knots out of thread, peerless basketball coaches and spend hours on the telephone. A 4-H leader is many things—an artist making a float for the Fourth of July, a doctor prescribing for an underfed calf, a counselor at camp, a lawyer filling out reports and a shoulder to cry on when that dress just won't fit.

Nobody else is so early to rise and so late home at night. Nobody else has so much fun with such a large family of boys and girls. We sometimes

4-H LEADERS GUIDE TOMORROW'S CITIZENS
What is a 4-H Club Leader? Somewhere between the sternness of a parent, and the comradeship of a pal is that mysterious creature we call a 4-H Leader. These leaders come in all shapes and sizes and may be male or female. But they all have one thing in common—a glorious twinkle in their eyes!

WARRENTON ROTARY CLUB

(AHTNC)—Army Specialist Four Edward R. Carroll (right) of Norlina, N. C., receives congratulations and a certificate of achievement from Colonel Edward A. Flanders, commander of the 36th Engineer Group in Korea. Specialist Carroll received the award for outstanding service as a clerk in the 526th Engineer Company. Carroll entered the Army in November 1959, completed basic training at Fort Jackson, S. C., and arrived overseas in September 1960. Specialist Carroll, whose wife, Joyce lives in Norlina, attended John Graham High School, Warrenton. His mother, Mrs. Mary R. Carroll, lives on Route 1, Warrenton. (U. S. Army Photo)

forget them, but we can't do without them. They received no salary, but we can never repay them.

They are angels in aprons, saints in straw hats. Their only reward is the love of the kids and the respect of the community. But when they look around them at the skills they have taught, and the youth they have built, there's an inner voice from somewhere that says, "Well Done."

Facts About Savings Bonds
Any office or agency that renders a service to the general public is bound to get lots of letters. Even County Agents get quite a few. But we are told that the Treasury Department gets a heavy volume of mail from anxious

people who want to know if anything can be done about their Savings Bonds that have been lost.

The answer, of course, is a simple "yes." Because Savings Bonds are registered in the owner's name, they can be replaced free of charge by the Treasury, whether lost, stolen, mutilated, or destroyed.

You need to remember only to write to the Treasury Department, Washington, D. C. However, you'll get a little faster service by directing your inquiry to the Division of Loans and Currency, 536 S. Clark Street, Chicago, Illinois. That's the office that actually keeps the records and processes such applications.

Job Is Open At Local Postoffice

The U. S. Civil Service Commission announces an Examination to establish a register of eligibles for appointment to the position of Laborer—Custodial Service, for the Post Office Department, Warrenton, N. C.

Custodial positions are restricted by law to persons who are entitled to Veterans Preference. Applicants will not be accepted from persons not entitled to Veterans Preference.

Forms may be obtained from the Post Office, Warrenton, N. C., between the dates of Octo-

ber 10 to October 19, 1961. No applications will be accepted after October 19, 1961, according to Leonard Daniel, postmaster.

Marriage Licenses

Zeroy Burchette, colored, of Manson to Maggie Mae Bullock of Keats, Va.

Attend Service

Among those attending the services and picnic lunch at St. John's Church, Williamsboro, on Sunday were the Rev. and Mrs. J. M. Stoney, Mrs. W. R. Baskerville and Mrs. B. B. Williams.

Peeler Discusses Schools At Meeting Legion Auxiliary

J. R. Peeler, superintendent of Warren County Schools, was the guest speaker at the regular meeting of the American Legion Auxiliary on Thursday evening of last week. He was presented by Mrs. J. H. Andrews.

Mrs. W. L. Fuller presided over the meeting which was held at the home of Mrs. H. M. Williams.

Peeler's subject was "Education in the Warren County

Schools," and he discussed progress and the needs of the schools.

Committee reports were given and a detailed report of the food booth at the Warren County Fair was presented by Mrs. W. L. Wood, who said that the booth did very well this year and thanked the members for their cooperation. The final report will be given at the next meeting.

Mrs. Wood was thanked for her efforts at the booth and Mrs. Leonard Daniel, Unit Secretary, was given a list of names of non-members and companies who contributed to

the success of the booth. These people will be written notes of appreciation. All proceeds will go toward rehabilitation work in the Unit and Veteran hospitals.

Delicious pies and coffee were served by the hostesses, Mesdames H. M. Williams, W. C. Bobbitt, A. C. Blalock, Sr., Helen Ellington and S. M. Gardner.

Miss Louise Allen was a visitor in Durham last week.

Mrs. J. J. Nicholson and Miss Elsie Nicholson have returned after visiting relatives and friends in Hamlet.

CHEVROLET

'62 CHEVROLET JOBMASTER TRUCKS WITH NEW High Torque Power!

Here's new High Torque power for every weight class—light, medium and heavy . . . the most powerful engines in Chevrolet history . . . sure saving power and dependability for every job! There are plenty of powerful reasons for Chevy superiority. High torque reasons. Reasons that range all the way from a mighty new High Torque 409 "V8" for heavies, right down to the thrifty Sixes . . . including the High Torque 261 Six* that's available for the first time in light-duty. Loads of other reasons, too. Like the new work styling with downward-sloping hoods

that let drivers see up to 10 1/2 feet more of the road directly ahead. Like Chevrolet's proved independent Front Suspension for even smoother riding, easier working trucks. Like the heavier duty hypoid rear axles for middleweights and the rugged new I-beam front axles* (9,000- or 11,000-lb. capacity) available for extra-tough jobs on Series 80 heavyweights. Like the longer lived mufflers. Like work-proved Corvair 95's (2 pickups and a panel) that haul up to 1,900 lbs. of payload with low-cost dependability and sure rear-engine traction. Like to know more? See your Chevrolet dealer.

4-55 Diesel 230 hp; 271 lbs.-ft torque

NEW CHEVROLET-GM DIESEL DURABILITY
Here's new earning power for middleweights . . . rock-bottom maintenance costs, compact size, low weight, top torque and top power.

489 V8 252 hp; 390 lbs.-ft torque

NEW HIGH TORQUE V8 WITH 16% per cent more torque than ever before available from Chevrolet.
