Dear Santa,
I have been a good little boy. I am eight years old and in the third grade. My teacher's name is Mrs. Breedlove and I love her. I have a dog named Tip. I want a collar for her before I lose her. I want some games, a gun, microscope, a soft dog (not

real), some magic markers, a dictionary and some clothes. I will have some cake and milk or coffee on the table. My mother might have something else. I am a member of the Smoky Bear Junior Forest Rangers Club to prevent forest fires. I do my job well. I have two sisters named Barbara and Pat. One is 2 1/4 and the other is 7.

Love,
DAVID BRANTLEY.

Methodist Choir Wears New Robes

Christmas came early at Wesley Memorial Methodist Church, according to Mrs. Selby G. Benton, choir director.

The choir wore their new robes for the first time last Sunday, December 17, at the 11 o'clock service. The choir sang two anthems, "Joy, Joy, Joy," a 17th century hymn, arranged and adapted by Ellen Jane Lorenz, and "Blessed Is He Who Cometh," by C. Council. The sermon topic was "Christmas In Our Hearts," the text being, "And on earth, peace, good will to men."

The Christmas program was held at 4 o'clock in the afternoon, according to Scott Gardner, Church School superintendent. Santa Claus was present as the group saw filmstrips, "How We Got Our Christmas Carols," and "The Nativity." These films were produced especially for children.

The Juniors will have their Christmas party tonight (Friday) at 7 o'clock.

Mr. and Mrs. T. F. Stallings will spend the weekend with relatives in Durham and upon their return will have as their guests Mr. and Mrs. Pete Stallings, III, of Waynesboro, Va.

Cake Roll Easy To Make

A recipe for mince meat cake roll, developed in the Borden Test Kitchen and designed especially for the busy homemaker of today, is a festive looking, good-tasting dessert. Lavish and elegant in appearance, the roll is not difficult to prepare, thanks to a happy combination of modern convenience foods. The delicious creamy filling is a blend of ready-to-use mince meat and one-half of an eight-ounce package of cream cheese. Packaged cake mix is used to make the roll. The remaining cream cheese frosts the whole.

The new cake roll is ideal for parties. Also, clubs and church committees will find it impressive fare when the need for a "desert and coffee" suggestion arises. It will appeal because it is quickly and easily made. The roll serves eight to ten, depending on the thickness of the slice. Two rolls would provide enough dessert for the usual four tables of bridge.

Mince Meat Cake Roll (Serves 8 to 10)

Cake:
Use packaged prepared cake mix. Prepare 1/2 package yellow cake mix according to package directions. Bake in (15 1/2 x 10 1/2 x 1 inch) greased pan.

Filling:
1 (9 oz.) package Borden's Condensed Nona Such Mince Meat
1/2 cup chopped walnut meats
Confectioners' sugar
2 tablespoons milk
Walnuts
Maraschino cherries

While cake is baking, prepare the filling. Break mince meat into small pieces in a sauce pan; add water and boil 1 minute. Cool slightly. Cream one-half package (4 ounces) cream cheese. Add walnuts and mince meat and mix thoroughly. Bake just until cake tests done. Remove from oven. Loosen cake from sides of pan with spatula. Lightly sprinkle clean towel with confectioners' sugar. Turn cake onto towel. Gently roll towel and cake together lengthwise. Cool about 10 minutes. Gently unroll. Spread cake at once with mince meat-cream cheese filling to 1/2 inch from edge. Roll jelly-roll fashion. Cream remaining cheese with milk; spread over cake roll. Garnish with walnuts and cherries. Serve immediately or place in refrigerator until ready to serve.

*NOTE: Use only one half package cake mix for this size pan. If desired, prepare batter from entire package and make cupcakes from remaining 1/2 batter.

Student Council Holds Meeting

The Norlina Student Council met December 13 in the Norlina High School library. The meeting was called to order by the president, Paul Lancaster.

The secretary, Dinah Clarke, called the roll and read the minutes of the previous meeting. Clifffe King, treasurer, gave the treasurer's report. The minutes and treasurer's report were approved.

Dinah Clarke, chairman of the Handbook Committee presented the handbooks from

other schools. The handbooks were discussed, and it was decided that the Student Council would publish handbooks for the students of the Norlina school. Roy Young was appointed editor of the handbook, and Ronnie King was appointed to the Handbook Committee. The committee will look into the publishing prices of the handbook.

The idea of giving a hundred dollars to the Warren County Educational Foundational, Inc. again this year was brought up. The meeting was then adjourned—Linda Draffin, reporter

FORESTRY NOTES

By SAM TAYLOR
N. C. Division of Forestry
Mr. Charles A. Tucker, Warrenton, has recently prepared seventy-five (75) acres of his unproductive woodland for planting pine trees. The work was done with a crawler-type tractor and heavy wood disk. Loblolly pine seedlings will be hand planted during February or March of 1962 at the rate of 1,000 seedlings per acre. Spacing will be approximately 6x7 feet. The remaining hardwoods, which were too large for the tractor and disk, will either be used for fuel or poisoned next Spring. Mr. Tucker is also treating some of his cut-over land in Virginia in the same manner.

Mr. C. M. Halthcock, Macon, has also recently completed seventy-five (75) acres of site preparation on his farm. Part of this area has sufficient seed-trees for natural reproduction and the rest will be hand-planted with loblolly pine seedlings. Mr. Halthcock's interest in his woodland and their potential is relatively new. A few months ago when I made my first visit to his farm he accompanied me to the woods in

his Sunday shoes. (I honestly believe he did not own a pair of workshoes.) However, I am glad to report that he now has a pair of boots which are better adapted to wood walking. the roots moist until they are put into the ground. Merry Christmas from the Division of Forestry.
