

Split Games With Enfield

Warrenton And Weldon In Doubleheader Here

Warrenton's Yellow Jackets and Weldon's Tornados will clash here tonight in a game that will decide first-place standing in the Halifax-Warren Conference.

The Jackets—suffering their only league defeat at the hands of the Tornados earlier this season, 41-38—had to struggle to set for the loop headliner as they downed a stubborn Enfield quint, 44-40, here Tuesday night.

Tonight's contest will follow a tilt between the girls teams of the two schools, slated to begin at 7 p. m. In other action around the conference tonight Norlina will travel to Davie for a doubleheader, while Littleton will host Aurelian Springs.

The Jackets, who had little trouble in their first meeting with Enfield—a team that put the skids under Weldon's offensive machine for the first time this season on last Friday night—found Enfield an improved ball club since their first encounter and had to go through an overtime to chalk up the win.

With the score knotted late in the game, 38-38, Warrenton played for one shot, holding the ball for the last two minutes. Gordon Haithecock's jumper from 15 feet failed to go through with three seconds remaining in the regulation contest, and teammate Billy Benson's shot, in the air at the horn, failed to drop, sending the game into overtime.

Benson and teammate Chocky White out-traded Enfield's Johnny Viverette in baskets and Warrenton, with a one-point bulge, began stalling tactics. White was fouled and made good on the first of a one-and-one opportunity.

Seconds later Warrenton got the ball and Gordon Haithecock was fouled. Haithecock iced the game with 11 seconds remaining as he made good on both shots.

Warrenton started the game with a roar and looked as though it would make a runaway of the contest as it hit seven of its first 13 shots from the floor to build up a 15-6 lead at the first-quarter turn.

Enfield began a comeback at that point, and after getting Warrenton center Herman Rooker in trouble with four fouls, pulled to within five points at intermission.

The second half saw the Blue Demons still chipping away at the Jacket lead, before catching up in the final period.

Enfield hit on 16 of 38 shots from the floor for a 42 per cent accuracy figure, while Warrenton poured in 17 of 45 attempts for a 38 per cent mark. From the foul line, Warrenton had the upper hand, dropping in ten of 15 for 67 per cent, while Enfield collected eight of 18 for 44 per cent.

Billy Benson, who hit on seven of 13 from the floor, led Warrenton with 16 points, while Enfield's top point producer was Viverette with 15.

In the girls game Warrenton Coach Janice Allen flung a surprise at the league-leading Enfield lassies, as Warrenton froze the ball from the outset.

The policy paid off in the first quarter as the Lady Jackets and Demonettes fought to a 5-5 first quarter deadlock. In the second quarter Warrenton could neither hit nor keep the ball away from the hot-headed visitors, who pulled away at halftime, 13-5.

Things were rougher in the second half for the hostesses, who could not find the range and wound up with a 15 per

Table with 2 columns: Team, Player, Points. Includes Enfield (38) and Warrenton (40) with players like Coltraine, Wood, White, Partin, Hardee, Mears, and Subbs.

Table with 2 columns: Team, Player, Points. Includes Enfield (40) and Warrenton (44) with players like Higgins, Barnes, Adkins, Viverette, Tippette, and Subbs.

cent shooting accuracy and a 36-10 setback.

Enfield, led by Diane Coltraine's 16-point effort, dropped in 52 per cent of their shots from the floor to keep their undefeated streak intact. Knox Polk, carrying a 20-plus scoring average into the game, topped Warrenton with six.

Last Friday night Warrenton had more to cheer about as both teams took victories at the expense of visiting Aurelian Springs.

Warrenton paced by Polk's 23 points, clobbered the visitors 57-22 in the opener. Sandra Jones, with 14, and Brenda Davis, with a dozen points, aided the Lady Jackets' cause. Freulen led the Hornettes with 16 points.

In the nightcap, Benson, the only regular to start the con-

test, was high scorer with 16 points, while teammates Al Blaylock and Chocky White threw in nine each, as Warrenton rolled to a 58-37 victory. Phil Qualls led the losers with 14 points.

Should the Jackets get by Weldon tonight, they will try for revenge against the only other team to beat them this season when they face unbeaten Middleburg on Tuesday night.

Middleburg, which will have the added advantage of its home court, stopped the Jackets in an earlier meeting by five points and have raced on to a record of 16-0.

Also seeing action on Tuesday night will be Norlina, which plays another Vance County team, Aycock.

Norlina Team May Have Set A Record

A Norlina High School basketball team might have set a basketball record for this area last Friday night when it experienced a perfect night from the foul line.

Coach Bob Price's Blue Waves sank 17 of 17 bonus tosses to post a 100 per cent accuracy figure which, if it does not set a record, is at least good enough to tie any similar marks.

Five Norlina players made trips to the charity stripe during the conference encounter with Littleton, and all five

found the range as Norlina pushed to a 45-34 win.

Billy Fuller, who made six trips to the line, finished high for Norlina with 14 points, and teammate Andrew Hundley chipped in 13.

Littleton, netting six of 18 from the foul line, was led by Whit Neville's 17 points.

In the girls game, Gayle Williams sparked a 38-32 Norlina win as she poured in 22 points. Betsy Ellington contributed 13 points, while Littleton's best effort came from Betty Jean West, who bucketed 16 markers.

Norlina Takes Double Win Over A. Springs

Norlina swept a Halifax-Warren twinbill from visiting Aurelian Springs on Tuesday night with the Blue Waves taking the nightcap, 57-45, and the Wavelets chalking up a 44-34 decision.

Gayle Williams and Betsy Ellington led the way for the Norlina sextet in the opener with 19 and 17 points respectively, as Norlina pulled away from an 11-11 first quarter deficit to coast to the victory.

Gibson, who took scoring laurels for both clubs, had 22 markers in a losing cause.

In the nightcap Phil Qualls' 20 points were not enough as Norlina placed three men in the double figures in taking the league battle.

Billy Fuller led the way with 15 points, while team-mates Jimmy Burton and Andrew Hundley contributed 13 each. Norlina held the Hornets scoreless in the first stanza, but let down their guard too soon and led at halftime by only four points. In the second half Coach Bob Price's aggression took the initiative and stayed in front for the remainder of the contest.

Littleton was not without its guns as Charlie Moore and Jimmy Harvey punched 11 points each through the nets.

Dave now stands at 5-4 in the conference and 7-6 overall. The Jays are 1-8 in the conference and 1-11 in all games.

In the preliminary game it was the Lady Jays in an easy win, 32-24.

Betty Jean West was the high point maker in the game with 15.

Dorothy Miles had 12 for the Devilletes.

Table with 2 columns: Team, Player, Points. Includes A. Springs (45) and Norlina (57) with players like Freuler, Liles, Robertson, Harlow, Keeter, Butts, and Subbs.

Littleton Drops Both Games On W. R. Davie Court

ROANOKE RAPIDS — The Davie Blue Devils built up a 16-point lead in the first three quarters and played reserves in the final period as they downed a game Littleton Club at Davie Tuesday night, 51-45.

In the first eight minutes the Jays made a game of it as

Warrenton Rural Fire News

By BILL CONNELL

NO FIRES to report this week. Remember: That which burns never returns.

As a part of the never-ending attempt to raise money to keep the trucks rolling, the Warrenton Rural Fire Department will conduct a broom sale during the week of March 5-10. These brooms are made by the Guilford Industries For The Blind in Greensboro. Blind work is usually considered as a Lions Club project, but since the local Lions gain most of their revenue from sponsoring the Warren County Fair, they do not participate in broom sales as some other Lions Clubs do.

The local Lions Club has given the Warrenton Rural Fire Department the go-ahead to sell these brooms. This sale will not only help the Rural Fire Co., but through the additional sale of brooms and other items which will be offered may make possible the employment of several additional blind workers in the plant at Greensboro. Items to be offered will include good five-string brooms, whisk brooms and a kitchen package containing two large dish towels and two dish cloths.

The county has been divided into eight areas with a sale captain in each area. The plan is that sometime during the week of March 5-10 every house in the county will be visited and asked to buy one of the three items offered. For those who are missed, there will be a sales booth set up on Main Street on Friday and Saturday of that week where these items will be placed on sale. Your wholehearted cooperation is urgently needed.

The Arcola Auxiliary As a part of its goal to give Warren County complete coverage the Warrenton Rural Fire Department offered the Arcola community a completely equipped fire truck, provided the community would furnish a fire house, form a company of men to man the equipment and help the parent company with its effort to raise money. In 1959 this community met all the requirements and the Arcola Auxiliary of the Warrenton Rural Fire Department came into being. Roy Harmon, who was already of member of the parent company, was selected as chief. Har-

mon served in this capacity until January, 1962, when he moved to Warrenton. No longer living in the community, Harmon was relieved of his duties as chief, being replaced by Elmer Harris as of February 1, 1962. In addition to Chief Harris, the following men compose the Arcola Auxiliary: W. L. Norwood, W. M. Duke, Robert Gupton, George Davis and George Hunter. The equipment is housed in a neat, well-constructed 30' x 30' building adjacent to the Arcola Community Building. In addition to telephone calls, a big farm type bell atop the fire house serves as an alarm.

Truck No. 3, which was purchased from Enfield Fire Co., is the main go at Arcola. Two booster hoses, each 150 feet long, one electric reel, along with 150 feet of 1½-inch soft hose compliment No. 3. No. 3 has a two-way radio and there is a monitor in the home of Chief Harris. This monitor will pick up all messages passing through the base unit at Warrenton Fire House. For example: a fire on Country Club Road at 2:00 a. m., where there was more water needed. Chief Roberts could go to one of fire trucks on scene, pick up radio and call Chief Harris to bring Arcola tanker. This would mean a great saving of time. There is a 300 GPM front mount pump. A dry chemical and a CO2 extinguisher, back packs rakes, pike pole, axe, wire cutters, ladder and two sections of hard hose for filling tank from pond or creek complete the equipment carried on No. 3.

Also at Arcola now is old No. 1, which has been turned out to pasture, so to speak. No. 1 is the old school bus with which the Warrenton Rural Fire Department started to work at its inception. This tank truck carries a 1000-gallon and serves both Inez and Arcola when additional water is needed. The Arcola Auxiliary has answered 59 calls since late 1959. These would have been 59 pretty long runs for the trucks from Warrenton. Here again you can see the advantages of Auxiliary Companies throughout the county.

Next week we will tell you about the Auxiliary at Inez. Don't forget the Broom Sale March 5-10.

Hawkins, Carol Wells, Ruth Aycock, Charles Wells and Mrs. Clifton Crawley. Following the games and contests the honoree opened and displayed her many gifts. The dining table was covered with a lace cloth and centered with an arrangement of pink gladioli and sweetpeas. Punch was poured by Mrs. Bobby Crawley. Coffee, mints, peanuts, cupcakes and cheese straws were also served.

Scouts To Hold Court Of Honor

Boy Scout Troop 617 will hold its Court of Honor in the Wesley Memorial Methodist Church at the regular morning worship service at 11 o'clock, February 11, Leonard S. Daniel, Scoutmaster, announced yesterday. He said the public is cordially invited to attend and see what Scouting is doing in Warrenton. Advancing to First Class Scout are Phil Daniel, Bert Massey, and Larry Shearin. Advancing to Second Class will be Edmund Holt, Lee Holt, Wayne Moseley, Brian Rogers, and Billy Twitty. All Scouts of the Troop, along with the Leaders, will be presented with

their registration cards for this year. After the Court of Honor, the regular minister, the Rev. Troy Barrett, will give a sermon on Leadership. Mr. and Mrs. M. T. Abbott visited Mr. and Mrs. Phil Partin in Raleigh on Wednesday.
