**Why wasn't the bank man out to lunch?**

Probably because Dad wanted to talk over money matters at noon, and "the bank man" considered Dad's convenience more important than his own. That's the spirit of our bank.

Appointments help, of course. We do sometimes go out. So call us first—if that's convenient. We're ready to assist with your money matters however—and whenever—we can do so!

**TO THE DEMOCRATIC VOTERS OF WARREN COUNTY:**

I am a candidate for the office of Sheriff of Warren County, subject to the will of the Democratic voters in the Primary to be held on Saturday, May 26th.

I am a lifelong resident of Warren County and have been identified with the civic and religious life of the County for many years. I am presently serving as Superintendent of the Inez Baptist Sunday School, having held that position for eight years, and am also presently serving as Deacon in that Church.

I am a Veteran of World War II, having served in that War with the Amphibious Landing Forces of the United States Navy.

I was appointed a Special Deputy Sheriff in 1951 by the Warren County Board of Commissioners and served in this capacity until 1959. During this period of service I endeavored at all times to be fair and just with those with whom I came in contact in the discharge of my duties as Deputy Sheriff. I wish to state that should the Democratic voters of Warren County see fit to nominate me for the high office of Sheriff in the approaching Primary, I will endeavor to continue such a policy as Sheriff and will, to the best of my ability, discharge my duties as Sheriff without favor or partiality to anyone.

Your vote and support of me in this Primary will be much appreciated by me.

Respectfully yours,  
**CLARENCE A. DAVIS.**
