Ministerial Ass'n Holds Meeting

The Warren County Ministerial Association met at the Norlina Baptist Church on June 4, at 10:00 a. m. This meeting was held on the same day that the new chaplaincy program for the hospital began.

The ministers decided to publish in The Warren Record the name of the minister and a biographical sketch of him who would be the Chaplain for the week following the publication of the Record in which the story would appear.

The ministers also felt that there should be some witness of the Gospel available to everyone, and so it was decided to submit to The Warren Record each week material for the "Pastor's Paragraph."

The Rev. John Link, pastor of the Warrenton Baptist Church, came to the meeting from his first tour of duty as Chaplain. He reviewed his first day's experience. He related to the ministers that the people were most appreciative and grateful that such a program had been established.

It was decided that the next meeting would be a covered-dish supper for the ministers and their families for 6:00 p. m. June 30 at the farm of Roy Pearce.

Your ministers will be very grateful to you for any comments about the Chaplaincy Program and also the Pastor's Paragraph," the Rev. James Stoney said in reporting the meeting.

The team of the Warrenton Church will play the team of the North Warrenton Baptist Church today (Friday) at 4:00 p. m. at the Fair Grounds.

Mr. Albert Hutton of Albany, New York, was a weekend guest of Mr. and Mrs. W. Pryor Rodwell, Jr.

Warrenton Rural Fire News

By BILL CONNELL

NO FIRES THIS WEEK!
We are very glad to have Jules Banzet back on active duty, following a two-year leave of absence.

This week we want to talk a little about a fire house. The WRFD, now about seven years old, has never had a home it could call its own. Through the generosity of two businessmen of Warrenton they have set up in a temporary home which the Company deeply appreciates.

However, a permanent home is most highly desired at the present time. It is not a question of funds for building the fire house, but a question of a piece of real estate upon which to put it. With a piece of land under deed or a long term lease this writer believes that a permanent fire house for the parent company of the WRFD could become a reality before the end of the year.

The WRFD has a bit more of a problem along this line than do the Auxiliary Companies. The parent company has agreed to furnish to any community in the county a well equipped fire truck once they meet certain minimum specifications. They are: a house in which to house the equipment, a group of men sufficient to operate a fire company, keep truck in good mechanical condition. Any major repair or replacement will be the responsibility of the parent company, that is hose, pump, tires or motor repair. So you can see that the only financial responsibility the Auxiliary Company has is the fire house. There are two nice ones in the county now and a third under construction.

Whereas, the Warrenton company has the obligation, in addition to keeping up the Auxiliaries, of maintaining four trucks stationed in Warrenton and also building new trucks to go into the county to communities that have requested them. All but one of the seven units now in use have been built by the firemen at the fire house.

While building a truck in the present location, one of the four local trucks has to be left outdoors due to lack of room. Trucks have to be moved out to hold meetings. Would that someone would come up with a piece of land in or around Warrenton suitable for a fire house. Look at your neighboring counties. Vance County has a modern brick building, Nash County at Red Oak, and Rocky Mount, Wake County at Rolesville and several locations. Let's catch up with them in housing.

Bible School In Session

The Bible School at the Warrenton Baptist Church is in progress. It will continue to meet each afternoon from 2:30 to 5:00 through Friday, June 15. Children, ages 4 through 13, who have not already enrolled are invited to attend.

The Wesley Memorial Methodist, Emmanuel, Episcopal,

and the Warrenton Presbyterian churches will begin a union school on Monday, June 11 at 9:30 a. m. and continue each morning through June 15.

Mr. and Mrs. W. Pryor Rodwell, Jr., and Mr. Albert Hutton of Albany, N. Y., spent last Sunday in Halifax with Mrs. Rodwell's sisters, Laura and Clem.

Say you saw it advertised in The Warren Record.

TO THE VOTERS OF WARREN COUNTY

I wish to state my reasons in calling for a second primary for the position of Coroner of Warren County. This decision was reached after serious and careful study and much discussion with many of the voters of the county. With encouragement from them, I therefore felt it was my civic duty to proceed to fill the need and responsibility of the position for Coroner. Below I list several of the reasons this important position should be filled by the person of your choice.

The Coroner is a bonded and elective officer and must work in close cooperation with the law enforcement officers of the county and state. He is required to make inquests and preliminary hearings whenever it appears that a deceased person came to his death by criminal act or default of some person.

In cases where the deceased has appeared to have died from natural causes, the Coroner will make his findings and his personal investigations and file a written report of same. This entails close harmony and working with the doctors of the county to determine causes of natural death.

In accidents, traffic or otherwise, the Coroner will make reports and investigations working with local and state law enforcement officers, and when necessary will summon witnesses and jurors of six good, lawful men when more investigations are necessary.

The duty of Coroner, as part of your county government, carries an important responsible phase of local government, therefore I solicit the vote of the people in this second primary.

I feel that I am well qualified to handle the duties of Coroner by my past service to this area.

1. I represent Civil Air Patrol in the local area checking and investigations of local air crashes and assist in other parts of the state when called upon. I have trained in First Aid for the past eight years, along with the above training.

2. I am a member of the local Lions Club, a Mason and have worked with all Civic endeavors in the county, helping Warren County's good name.

3. I have worked with teen-age training in the past eight years to over 100 local boys and girls in character and citizenship building.

My leadership and experience are some of the reasons I feel that if elected as Coroner, will enable me to represent the people of Warren County in a professional and dignified office.

I have been manager of Loughlin-Goodwyn Jewelry Store in Warrenton for the past fifteen years.

YOUR VOTE JUNE 23 WILL BE APPRECIATED!

The Pastor's Paragraph

By The Rev. James M. Stoney

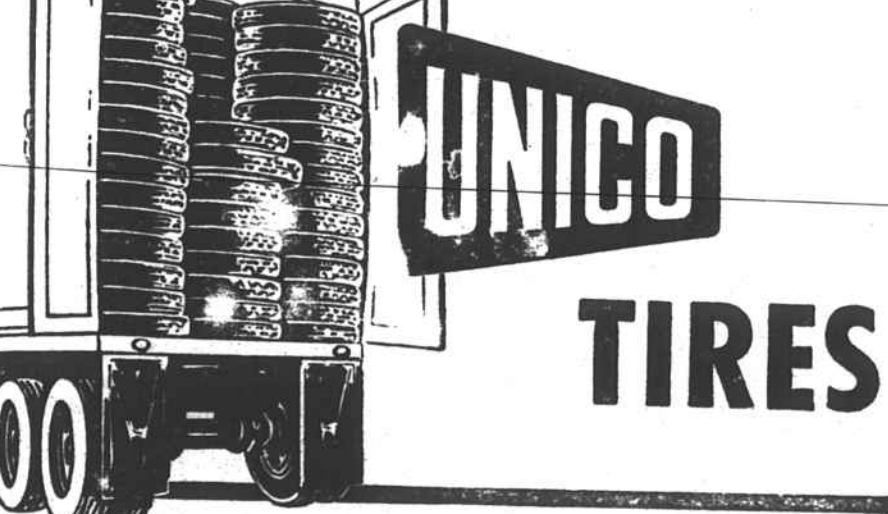

"Let every man be swift to hear, slow to speak, slow to wrath: for the wrath of man worketh not the righteousness of God." James 1:19

What sound common sense this is. Yet, how often we forget this advice. More than enough of our troubled relationships spring from a thoughtless and hasty rushing into speech before we stop to listen. More often than not this hasty speech leads to angry words and the anger has as its product a breach in human fellowship which angry pride on the one side and a wounded spirit on the other are unwilling to heal. By the grace of God we can learn to listen carefully and charitably to others' views, to think before we speak and then in love to say only what is true, kind and necessary. Above all remembering our Lord who, in the face of man's insults, was silent we can learn to take rebukes and harsh words with gentleness, however deep the wounds.

O Almighty God, who alone canst order the unruly wills and affections of sinful men; Grant unto thy people, that they may love the things which thou commandest, and desire that which thou dost promise; that so, among the sundry and manifold changes of the world, our hearts may surely there be fixed, where true joys are to be found; through Jesus Christ our Lord. Amen. (From Forward, Day-by-Day.)
