

Miss Twitty Presides Over C.C. Convention

Members of the North Carolina Division, Children of the Confederacy, celebrated the 25th anniversary of the organization of the State Division on June 7 and 8 with over 100 children and leaders registered at the Holiday Inn at Salisbury. The Eleanor Watson Andrews Chapter of the C. of C. in Salisbury was host, with Mrs. Richmond Smith of Salisbury, convention chairman.

Miss Panthea Anne Twitty, Division President, presided at the business sessions on Thursday and Friday and at the Awards Luncheon on Friday. At noon on Thursday, Miss Twitty and members of her executive board were honored with a luncheon given by Miss Susanne Wallace. At the same time, Mrs. B. V. Hedrick gave a luncheon for the chapter leaders and adult visitors.

The program was dedicated to the memory of Mrs. John R. Welsh of Monroe, who served as Division Director 1957-1959, and the theme was "May the silver links in our chain of growth turn to gold through loyalty to our Confederate heritage."

Following the memorial service Thursday afternoon, Mrs. Robert Grady Johnson, President of the N. C. Division, United Daughters of the Confederacy, spoke to the convention. She was introduced by her daughter, Miss Marion Johnson of Burgaw. A swimming party was held at 4 p. m. and the Silver Jubilee Banquet was at 6:30 p. m.

Claude Hunter Moore, secretary of the Halifax County Confederate Centennial Committee, was guest speaker at the banquet. His address was on the Confederate and Union engagements in North Carolina at Bentonville and at the Bennett Place near Durham, as Sherman's army went through North Carolina. Mr. Moore was introduced by Miss Lynne Mincher of Littleton.

Mrs. J. F. Hayden of High Point, who was Division Director in 1937 when the Division was organized, presented to the N. C. Division a Division President's Pin. In making the presentation she told of the first state convention which was held in Raleigh in June, 1937.

John Baxton Flowers of Mount Olive summarized the history of the C. of C. in the state.

The convention voted to have a silver trophy in memory of Mrs. John R. Welsh engraved and used as an annual award for the best historical work by a chapter.

Miss Lynne Mincher of Littleton, Division publicity chairman, gave her report during the business session, and the chapter report was given by Billy Twitty of Warrenton who served as chapter page.

Billy Twitty was elected a member of the nominating committee for 1963.

Will Bryan Pittman of Wilson was elected the new president, and will assume office following the General Convention in August. Other officers are Miss Betty Anne Harkey, Charlotte, vice-president; Miss Marion Johnson of Burgaw, 2nd vice-president; Miss Jenny Lynn Krider of Salisbury, recording secretary; Oscar Patterson of Shelby, treasurer; Tommy Patterson of Washington, historian; and Miss Jerry Dell Barrier of Concord, chap-

lain. The installation of officers was performed by Mrs. C. L. Blackburn of Wilson, immediate past director.

TO THE VOTERS OF WARREN COUNTY

I wish to state my reasons in calling for a second primary for the position of Coroner of Warren County. This decision was reached after serious and careful study and much discussion with many of the voters of the county. With encouragement from them, I therefore felt it was my civic duty to proceed to fill the need and responsibility of the position for Coroner. Below I list several of the reasons this important position should be filled by the person of your choice.

The Coroner is a bonded and elective officer and must work in close cooperation with the law enforcement officers of the county and state. He is required to make inquests and preliminary hearings whenever it appears that a deceased person came to his death by criminal act or default of some person.

In cases where the deceased has appeared to have died from natural causes, the Coroner will make his findings and his personal investigations and file a written report of same. This entails close harmony and working with the doctors of the county to determine causes of natural death.

In accidents, traffic or otherwise, the Coroner will make reports and investigations working with local and state law enforcement officers, and when necessary will summon witnesses and jurors of six good, lawful men when more investigations are necessary.

The duty of Coroner, as part of your county government, carries an important responsible phase of local government, therefore I solicit the vote of the people in this second primary.

I feel that I am well qualified to handle the duties of Coroner by my past service to this area.

1. I represent Civil Air Patrol in the local area checking and investigations of local air crashes and assist in other parts of the state when called upon. I have trained in First Aid for the past eight years, along with the above training.

2. I am a member of the local Lions Club, a Mason and have worked with all Civic endeavors in the county, helping Warren County's good name.

3. I have worked with teen-age training in the past eight years to over 100 local boys and girls in character and citizenship building.

My leadership and experience are some of the reasons I feel that if elected as Coroner, will enable me to represent the people of Warren County in a professional and dignified office.

I have been manager of Loughlin-Goodwyn Jewelry Store in Warrenton for the past fifteen years.
