

Mart Resumes Sales With No Price Advance

Five Warrenton warehouses resumed tobacco sales Thursday with "no appreciable difference" in prices received by farmers. The resumption of sales ended a three-day holiday ordered to alleviate congestion in a number of processing plants.

More than 400,000 pounds of the golden weed was auctioned Thursday, E. R. Wood, secretary of the Warrenton Board of Trade, said. "I saw little difference in prices paid before and after the market recess," he said.

Thursday's opening sale was held at Centre Warehouse, where 91,218 pounds of tobacco were sold for an average price of \$60.35 per hundred pounds.

Warehousemen here closed their doors for the first three days this week along with all flue-cured tobacco markets on the North Carolina Middle Belt, the Eastern North Carolina Belt and the South Carolina-Border North Carolina Belt.

The marketing recess was voted unanimously last week by the sales committee of the Bright Belt Warehouse Association. In announcing the committee's decision, Association President Fred S. Royster of Henderson said the committee felt "the 1962 crop of flue-cured tobacco should sell at prices commensurate with 1961. By its action the committee wants

Local Teachers Honored By Lions

Teachers of the John Granam, Mariam Boyd, and Nathaniel Macon Schools were honored guests of the Warrenton Lions Club at a banquet held last Saturday night at the Country Club. This is an annual event staged by the local club in appreciation of the local educational staff.

Principal Tom Brown was presented by J. Howard Daniel, chairman of Lions Education Committee, and Brown introduced members of the staff.

Featured speaker for the occasion was Ray Pruitt, head of the Louisburg College Chemistry Department. Pruitt is a native of Franklinton and entertained his audience with a humorous and inspirational talk. Dancing completed the evening of hospitality.

OLD LANDMARK to be torn down to make room for new home for Warrenton Rural Fire Department. The Weldon Hall prairiehouse at the corner of Front and College Streets, built here prior to 1880, and the last of the old-time prize houses remaining in the town, has been sold to the fire department by Weldon Hall, Jr., of Durham. Terms of the sale have been agreed upon and the deed to the property is

expected to be signed within the next few days. Possession will not be obtained until after the end of the present tobacco sales season. The Warrenton Rural Fire Department is presently house in quarters in Tarwater's Warehouse, furnished as a public service by E. G. and Gayle Tarwater. The present quarters are no longer adequate for the growing and expanding rural company. (Staff Photo)

County Fair Opens Here On Monday

The 24th annual Warren County agricultural fair is scheduled to get underway here on Monday.

C. M. Bullock, manager of the fair association, sponsored by the Warrenton Lions Club, said yesterday the fair would begin on Monday morning and continue through Saturday night, Sept. 29.

Bullock, in his fourth year as fair manager, said this year's fair promised to be one of the best ever staged on the Warrenton Fairgrounds, located on the Warrenton-Norlina highway.

Performing on the midway this season will be the Palmetto Exhibition Shows. Scores of tractor-trailers are scheduled to bring the carnival to town Sunday.

Rides, tent shows and various booths are expected to ring the midway during the week, Bullock said.

An outstanding event of this year's fair will be the two school days, he said. Wednesday has been designated as white school day, while Thursday has been set aside for the Negro school children of the county.

On both school days students will be admitted free and midway rides will be lower in price. In an effort to promote the educational aspect of the fair, the Warrenton Lions Club will offer a prize to the teacher conducting the largest number of pupils through the fair's exhibit hall on each school day.

Prizes worth approximately \$200 in retail value will be given children during the two school days and a junior calf show will be featured inside the fairgrounds on both school days.

Canned food, produce, cooked articles, knitting and host of other articles will be on display in the exhibit hall next week. Members of the association said this week 'hat they are confident of one of

Industrial Firms Eye Littleton; Plans Laid

LITTLETON—A drive for funds for the erection of industrial buildings has begun in Littleton, President Dennis Rose of the Littleton Development Company, Inc., announced Wednesday.

Rose said that two industrial prospects are considering Littleton as a location and both prospects are interested in having the community erect a building for them.

Pledges will be taken in multiples of \$100 and the pledge will be due on sixty days notice to be given by the company secretary. Pledge forms will be available at Newsum Insurance Agency and the Bank of Halifax and should be mailed or turned in to either of these places.

Rose said that pledges will be to purchase debentures in the Littleton Development Company. He said that in the event neither of the current prospects locate in Littleton, serious consideration is being given to using the funds pledged for the erection of a shell building which could be completed to meet the requirements of any prospective industry.

The debentures will be general obligations of the Littleton Development Company, Inc., and will be subject to such interest rate as may be feasible under the terms of any lease or lease purchase arrangement with a manufacturing company or companies, Rose said.

The minimum goal of the fund drive is \$30,000. Any person interested in the growth of Littleton may subscribe to this issue, Rose said.

Girl Scout Fund Drive To Start On October 1

Warren County's 1962 Girl Scout fund drive will be launched October 1, according to an announcement made here Thursday by Chairman James Y. Kerr and Mrs. Frederick Williams, co-chairmen of the drive.

Funds solicited during the drive, scheduled to be held through October 6, will be used to support the county's share of the operational expense budget of the Bright Leaf Council, Kerr said.

While an annual cookie sale held in the spring is used to raise funds for the upkeep of Camp Graham—a Girl Scout camp at Kerr Lake—the funds raised during the county-wide drive will be put with funds raised among the other five counties in the council for council expenses, Kerr said.

Kerr said that scouting in Warren County has grown at a tremendous rate during the past year and that now the county has four active Girl Scout troops.

Some 75 persons are now actively engaged in Girl Scout work in the county, he said, and troop leaders include Mrs. W. K. Lanier, Jr., Mrs. Wallace White, Mrs. Glenn Perkins, Mrs. Norman Bullock, Mrs. J. Boyd Davis, Mrs. Boyd Fleming, Mrs. Tom Holt and Mrs. C. M. Bullock.

Among the chief reasons for the rapid growth of the Girl Scout movement in Warren County has been the work of Mrs. R. B. Butler of Warrenton, Mrs. D. H. Ward, neighborhood chairman, said this week.

Mrs. Butler will begin her fifth year as a member of the council's board of directors, and has been a troop leader and expressed active interest in the scouting program for a number of years, Mrs. Ward said.

Doctors Postpone Oral Polio Program

DURHAM — The Executive Council of the Medical Society of the State of North Carolina on Sunday, September 16, voted to postpone an announced state-wide mass immunization program with Sabin Oral Polio Vaccine.

This action brings to a temporary halt previously announced plans for Tar Heel physicians to administer nine million doses of oral polio vaccine in a series of clinics across the state starting in November.

Mr. E. H. Pinnell, who has been at Duke Hospital, Durham, for several days for treatment, returned to his home on Tuesday.

Man Draws Long Term On Charges Of Assault

A Warren County Negro was sentenced to a total of six and one-half years in prison after he was tried in Recorder's Court here Friday on multiple charges stemming from an alleged assault of his 15-year-old daughter.

Joe Nathan Robinson, about 55, was sentenced to two years each on charges of assault on a female, assault with a deadly weapon and assault. A six-month sentence on a charge of drunk driving was also handed down by Judge Julius Banzet.

Robinson, who pleaded not guilty to all four counts, was arrested here Sept. 13, after his daughter told officers that her father had attempted to rape her, shot at her and slashed her hand when she tried to get away from him. Officers contended that Robinson was drunk while operating a truck at the time of his arrest.

According to the girl's testimony, Robinson beat her with a tobacco stick in the kitchen of their frame house two miles south of here early on the morning of Sept. 13.

After breaking the stick while beating his daughter, the girl's testimony revealed, Robinson forced the girl and her step-mother to stand on the

front porch of the house "with arms raised."

Both the girl and Robinson's wife charged that he fired at them three times and told them he was going to kill them if they reported an alleged rape attempt on his daughter earlier in the week.

After the firing, his daughter reportedly ran off the porch and fled from the house, officers said. The girl said she ran along Highway 401 in the direction of Warrenton and that her father came up behind her driving a truck and stopped near a small store.

There, the girl said, her father advanced on her with a knife and cut her on the hand as she attempted to escape.

In sentencing the defendant, Judge Banzet said that the sentences would run consecutively.

In another case tried during Friday's session, an appeal to Superior Court was taken by Willie Jiggett, found guilty of drunk driving and fined \$100 and costs. Appeal bond was set at \$200.

In other cases tried Friday, the following action was taken: Hewath Brown, drunk driving, \$100 and costs.

Clanton Cozanton Davis, al-

lowing motor vehicle to be operated on highway without financial responsibility, \$10 and costs.

Bruce Banard, speeding, costs.

Milton Lebenson, speeding, \$10 and costs.

Charles Augustus Joyner, speeding, \$15 and costs.

Jimmie Gray Harris, speeding, costs.

Alton Raybough Gunter, speeding, costs.

Walter Lloyd Lovett, speeding, \$10 and costs.

Harold Bullock, damage to county property, six months. Bullock took an appeal and bond was set at \$250.

Richard Lee Gill, reckless driving, prayer for judgment continued for two years upon condition defendant not operate vehicle in North Carolina for six months, \$50 and costs.

Rufus Hicks, careless and reckless driving, pleaded guilty to speeding over 55 miles per hour in 55 mile an hour zone and guilty of passing on a hill, \$10 and costs on first charge, \$25 and costs on second.

DeArthur Davis, no operators license and defective merchandise, \$25 and costs.

Robert Vaughan, driving on wrong side of road, costs.

Ned Miller Jarrett, speeding, \$10 and costs.

Arthur McCray Saunders, speeding, \$10 and costs.

William Joseph Reavis, speeding, costs.

Amos Gooch Cheatham, III, speeding \$10 and costs.

Samuel Wills, speeding, \$15 and costs.

Hansel Morgan, Speeding, \$15 and costs.

Edwin R. Lynch, non support, 60-day dead sentence. (See COURT, page 10)

Not Roy Clark Of Littleton
The Roy Clark who was found guilty of speeding and reckless driving in Recorder's Court on September 7 is not the Roy Clark of Littleton. The defendant in this case, a search of the warrant Thursday revealed, is a 23-year-old Negro from Patterson, N. J.

Smiley said the county and community ASC farmer-committee chairman automatically becomes the delegate to the county convention where the county ASC committee will be elected, Smiley said.

The Rev. John Link, program chairman, was in charge of the program. Mrs. J. Boyd Davis told of the purpose of PTA from a parent's point of view and Miss Emily Burt Person gave the teacher's viewpoint. Mr. Link summed up the views of the two.

Refreshments were served by the social committee under the direction of Mrs. W. S. Bugg, chairman. An open house followed in the John Graham and Mariam Boyd schools.

PTA Will Reduce Number Of Meets

The Parent-Teachers Association of the John Graham High School, the Mariam Boyd Elementary School and the Nathaniel Macon Junior High School will only hold five meetings during the school year, instead of monthly meetings held here through the school years.

This was decided at the first meeting of the PTA for the new school year held in the John Graham High School on Tuesday night, at a gathering described by PTA president Troy Barrett as an excellent start with a large attendance.

Other meetings of the local PTA will be held on the third Tuesday nights in November, January, March and May.

Members are asked to submit a name for the PTA to be voted upon at the next meeting on November 20.
