

After Win Over Wakelon

Yellow Jackets To Play Kenan Friday

John Graham High School Yellow Jackets, winners over Wakelon in a district playoff at Henderson last Friday night, will face a powerful James Kenan team at Riddick stadium in Raleigh on Friday night in the regional playoff.

James Kenan, with shut-outs in all conference games this year and one loss during the past three years, is expected to face the locals with tough competition in the regional playoff. John Graham with only one loss during the season, will likely be playing without the services of quarterback Billy Benson, who was re-injured in the

Wakelon game. Coach Preacher Parker said the remainder of the team was in good shape and he was looking for a hard-fought game Friday night.

John Graham edged Wakelon in a wide-open game Friday night by the score of 28 to 25, winning by virtue of making all four extra points while Wakelon was only able to add one extra point after four touchdowns.

To Serve On Board Mrs. John Link of Warrenton has been elected by the Baptist State Convention to serve on the General Board of the Convention. The General Board acts on

behalf of the Baptists of North Carolina between sessions of the Convention. Mrs. Link, elected for a four-year term, will represent Warren, Vance and Halifax Counties.

The Warrenton Lions Club has cancelled its Friday night meeting in order that members of the club might attend the Warrenton-James Kenan football game in Raleigh's Riddick Stadium at 8 p. m. Friday. The club will meet on next Thursday, November 29.

The game was a back and forth battle most of the night, with Warrenton getting its winning margin late in the final period on a pass interception that set up a touchdown. With Warrenton leading 21-19 in the fourth quarter, Wakelon recovered a fumble on Warrenton's 38 yard line. But on the next play Warrenton halfback John Coleman intercepted a Wakelon pass and raced 55 yards to Wakelon's 10-yard line and setting up what proved to be the winning points. From the 10, Coleman carried twice, finally going over from the five.

Warrenton started fast, scoring two touchdowns in the opening period to take a 14-6 lead. Early in the first period, the Jackets drove 63 yards to score, with fullback Steve Clark going over from 12 yards out. Coleman, who ran the point after, highlighted the drive with runs of 23 and 10 yards.

Wakelon didn't waste time in coming back with a touchdown, but their extra point attempt failed, so Warrenton held a 7-6 lead. Randy Creech, who scored all four Wakelon touchdowns, climaxed a 38-yard march, sweeping

end for nine yards and a TD. After Wakelon's score, they kicked off and Clark returned the ball 65 yards for a Jacket touchdown. Halfback Al Bialock tallied the conversion. The Yellow Jackets continued their fierce attack in the second period, going 58 yards to score again, this time with quarterback Billy Benson passing 18 yards to outstanding end Roddy Drake. Coleman plunged for the extra point to give Warrenton a 21-6 lead.

Wakelon refused to be counted out, as all-conference Tommy Wood went to work, driving the Bulldogs 55 yards to score. With only 40 seconds remaining in the half, Wood hit Creech with a 22-yard scoring pass.

Neither team managed to score in the third period, as the ball traded hands several times, but early in the fourth period Wakelon put together another touchdown march, that put them within two points of Warrenton. Creech capped this 55 yard drive with a five plunge.

After that touchdown came the quick changing of hands, as Wakelon recovered a Warrenton fumble, and then lost the ball on Coleman's interception. After the interception, the touchdown actually put Wakelon out of the game.

Wakelon came back making a vital last attempt, but they just couldn't quite make it. Wood passed to Creech for Wakelon's fourth touchdown on a 25-yard play, but after that only a minute and ten seconds remained, which Warrenton burned up on the ground.

Coach Parker said, "It was one of our better efforts and I'm real pleased. Sophomore halfback Coleman did a tremendous job for us on offense, while our entire line played good defense. Pass defense was our biggest problem."

Champion Pessimist

One day, after an exceptionally long spell of good weather, a farmer was standing in his field gazing sadly at the bumper crop. A car

stopped and the driver leaned out to congratulate the farmer on the fantastic growth of his produce.

"Yes, it's true, the farmer lamented. "The vegetables are bigger and better than ever, and the wheat is coming along well enough, but just think how it's exhausting the soil."

'63 Chevrolet Trucks

THEY'VE ALWAYS BEEN TOUGH BUT NEVER STRONGER THAN NOW!

You can be sure that new engines, frames, suspensions that licked Mexico's Baja* Run will work for you long, faithfully and at traditionally low Chevrolet cost.

A Chevrolet truck has always been a sound investment because of its quality construction. This is what makes it give you an honest day's work every day at very low cost and—when you are finished with it—return more resale money to your happy pocket.

This year stronger frames, engines that can pull more, and practically tailor-made suspension systems make Chevrolet trucks a better buy than ever. If you're in the market now, we'd welcome the chance to tell you about, and let you drive, the new trucks. Just give us a call.
