Trophies Awarded 16 Seniors During Monogram Club Banquet

Laughter, good fellowship and some sober moments ruled on last Thursday night at the annual Monogram Club Banquet held in the John Graham High School cafeteria under the sponsorship of the Warrenton Boosters Club.

The laughter was largely brought about by Toastmaster H. M. Hardy, who was in fine fettle, and by the principal speaker, Coach C. William Hilderbrand of Wake Forest College, who proved to be both a humorist and entertaining speaker. The sober moments were provided by Coach Hilderbrand as he stressed the value of athletics in character building and the need for study as first rate colleges and Universities are constantly raising their standards. Athletic ability alone is no longer enough, Hilderbrand said; good grades are essential.

Highlighting the banquet was the presentation of trophies to 16 seniors, 12 boys and four girls, who have played their last games for John Graham on the football field, the basketball court, and the baseball diamond. In addition Troy Barrett presented a megaphone to Senior Harriet Cheek, cheer leader.

The boys trophies were presented by Junie Drake to the 12 seniors with appropriate remarks amid much applause. Receiving these trophies were Benson Aycock, Steve Clark, A. C. Collier, Rickie Etheridge, Larry Hayes, Steve Joyner, Gilbert Mustian, Bill Perry, Phil Qualls, Billy Rogers, Tommy Twitty and Robert Wells.

J. Howard Daniel, with words of appreciation for the contributions of each to John Graham school, presented trophies to the four girls, Sandra Jones, Becky Ellis, Sarah Ann Fuller, and Virginia Robertson. A trophy

IN NORTH CAROLINA **BEER IS A NATURAL**
As natural as the wholesome grains and tangy hops from which it is brewed, beer is North Carolina's traditional beverage of moderation—light, sparkling, delicious. And naturally, the Brewing Industry is proud of the good living it provides for so many folks in North Carolina. Not only for employees of the Brewing Industry itself, but also for the farmers and other suppliers of beer's natural ingredients. In North Carolina, beer belongs—enjoy it.
