Soil Conservation Week Being Observed During May 19 to 25

By NAT WHITE
Soil Conservationist

The week of May 19 to 26 is Soil Stewardship Week. This observance is sponsored in North Carolina by the N. C. State Association of Soil and Water Conservation Districts. This year's theme "We turn our eyes to the future" is very appropriate in view of what happened to other nations. Ministers and laymen throughout the nation are urging people to recognize that God is the Creator and Sustainer of our natural resources; our soils, water, and related resources. We that own and use these resources are responsible to God to be good stewards and to conserve and improve these natural resources for future generations.

Donald A. Williams, Administrator U. S. Soil Conservation Service, challenges us to be good stewards of our resources by reminding us that "today we are placing more demands on our land and water resources than ever before. New housing spreads out from cities into once-agricultural lands. New industries look for locations where water is plentiful. Non-farm folks look for open, green places for recreation and relaxation. Air conditioning systems and other modern improvements call for increasing amounts of water. These plus demands not yet envisioned provide the challenges and opportunities."

"It is up to us, as good stewards, to develop the potential richness of our soil and water resources. Conserve them we must, but conserving them means using

WE TURN OUR EYES TO THE FUTURE

them to fulfill our needs. Future generations will thus be grateful for the blessings that have been ours and are theirs."

"We have been endowed

with a great trust. All of us—not just a few of us—have the responsibility for stewardship and to plan for our needs for today and the future."

Two Grandsons Of Local Woman Win Educational Honors

Two Greenville boys, grandsons of Mrs. V. T. Lamm of Warrenton, have been honored in the field of education. Chappy Bradner, son of Mr. and Mrs. C. J. Bradner, has been appointed to the U. S. Air Force Academy in Denver, Col., and will report to the Academy on June 22. Richard Bradner has been chosen to attend the Governor's School at Salem College in Winston-Salem for gifted students from June 10 to

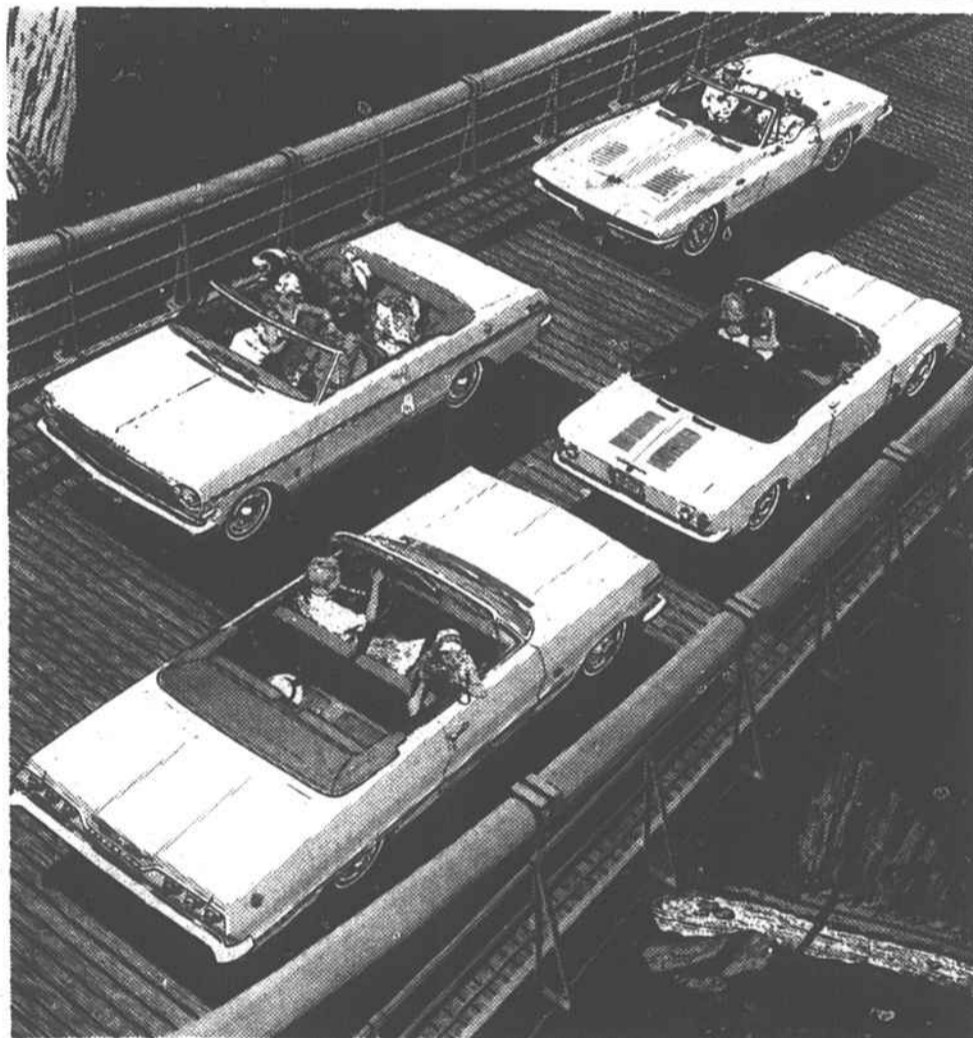

August 2. Mrs. Lamm spent several days with her daughter, the former Martha Lamm, and family in Greenville.

Train Ride
The Harris Kindergarten will take a train ride to Henderson on Friday.

Mrs. Thomas Ellington spent the weekend in Nashville.

Mrs. W. P. Rodwell is visiting relatives in Raleigh. The Rev. and Mrs. H. S. Hartzell of Rockingham will be weekend guests of Mr. and Mrs. J. E. Cheves.

Mrs. E. G. Shaw of Henderson was a guest of her sister, Mrs. A. C. Blalock, for several days this week.

Summer's coming, get going!

If this isn't a great time to get yourself a new Chevrolet—well, we just don't know when is. Why, you'd almost have to be anti-summer not to let one of these four convertibles get to you. Or any of Chevrolet's sedans, wagons, sport coupes and sport sedans, for that matter.

And there are a lot of other buy-now reasons besides the season. Like the care-free feeling you get on

a long vacation trip in a brand-new car. And it's a smart time to trade, what with your Chevrolet dealer all stocked up for a busy summer. Chances are, he

has just the model and color you want—be it Chevrolet, Chevy II, Corvair or Corvett—ready to go right now.

So maybe now you're all wound up? Then spring into summer at your Chevrolet dealer's.
