

## Farmers To Cast Ballots

Farmers will have an opportunity to elect the ASC farmer-committeemen they want to administer ASCS farm programs in the coming year on Tuesday, Sept. 17.

Every farmer who is eligible to participate in any program administered by the County ASC Committee is eligible to vote, according to W. S. Smiley, ASC Committee chairman. This means any owner, operator, tenant or sharecropper on a farm participating in the Agricultural Conservation Program, the Soil Bank Program or who is eligible for price support on any crops produced.

If there is any doubt as to whether or not you are eligible to vote, see your County ASC Committee or call the County ASCS office, Smiley said. "If you are eligible—most farmers are—don't let the polls close without voting for the farmers you want to administer these important Stabilization and Conservation programs in the coming years," Smiley urged. He added:

"This is your chance to help select the best committeemen you can find. Don't let your neighbors down by passing up this opportunity when elections are held in your community on Tuesday, September 17."

Polls will be open from 8 a. m. to 6 p. m. in the following polling places in the twelve communities in Warren County:

Fishing Creek — Pittman's Store and Davis Store at Arcola.

Fork — W. K. Thompson's Store.

Hawtree — Perkinson's Store.

Judkins — Triangle Service Station and Mrs. Blanche Stalling Store at Embro.

Nutbush — J. C. Watkins' Store.

Kiver — R. L. Salmon's Store.

Roanoke — Jones' Store.

Sandy Creek — Aycock's Store and Pendergast's Store.

Sixpound — Stegall's Store (Macon) and Edmond's Store.

Smith Creek — Mayor's Office (Norrina) and Paynter's Store.

Warrenton — Agricultural Building.

Shocco — Pinnell's Store.

## Corps Of Engineers To Lease Land On Lake For Grazing

To alleviate the pasture shortage brought on by the extremely dry weather, the Corps of Engineers is making certain lands in the John H. Kerr Reservoir area available to farmers, under short-term lease, for grazing.

Colonel J. S. Grygiel, Wilmington District Engineer, said the land available is in the six counties bordering on the reservoir that have been declared "disaster" areas as a result of the dry weather. The disaster area counties are Vance, Granville and Warren, in North Carolina; and Charlotte, Mecklenburg and Halifax, in Virginia.

Colonel Grygiel pointed out that while the available land is not prime grazing land and is limited in acreage, it should assist the farmers through the current crises.

WARREN COUNTY SCHOOL CHILDREN HEAD HOME . . . . . after a day spent in the classrooms

It is offered on a short-term lease basis, not to exceed 60 days, as well as on a first-come-first-served basis. The rental rate will depend on the quality of grazing and the charge will be made on a per head, per month basis. The lessee will be responsible for fencing to confine the cattle to the leased area.

Areas already under lease or license are not available.

Colonel Grygiel suggests that interested persons contact the Reservoir Manager, John H. Kerr Reservoir, Rt. 1, Boydton, Virginia, Tele-

## Phipps To Speak At Legion Meeting

L. J. Phipps of Chapel Hill, North Carolina Department of the American Legion, will be the guest speaker at a supper meeting of Limer Post No. 25 on Thursday, Sept. 12, at 7 p. m. at the Warrenton Armory.

"The local Post is most fortunate to obtain Commander

phone Boydton 738-3121. Requests for specific areas will be considered.

Phipps to replace Collin McKinne, director, N. C. Veterans Commission, who was originally scheduled to be present," Sam Warlick, Commander of Limer Post, said yesterday.

"We need a large attendance present at this important meeting and all veterans are extended an urgent invitation to be present," Warlick added.

## Shriners To Parade Here

By J. ED ROOKER, JR., Past Potentate

Several units of Sudan Shrine Temple along with officials of the Temple are scheduled to visit Warrenton on Saturday, Sept. 14, and stage a parade through the streets of our town at 10:30 o'clock. Warrenton is the first stop on this visitation which will also include Roanoke Rapids, Williamston, and Washington on this date.

These colorful and famous units will be the Sudan Temple Band, the Patrol, the Chanters and the Oriental Band. Appearing throughout the parade will be the famous Dunn Clowns which will delight all children from eight to eighty.

The purpose of the Shriner's visit is to acquaint Eastern North Carolina with the great work being done in the 17 Shrine hospitals for crippled children in healing youngsters with crooked backs, twisted limbs, club feet, etc. The Shrine boasts this work in the 17 hospitals constitutes "the greatest philanthropy on earth," and possibly rightfully so.

In addition to these hospitals which have been in operation for years, the Shrine is currently building three hospitals for treatment of children's burns, at a cost of approximately ten million dollars. These hospital represent an investment of over twenty-one million dollars

and the annual cost of operations is over six million five hundred thousand dollars. Children under 15 years of age are admitted regardless of race, color, or religion—the only requirement being that the parents are unable to pay for the treatment. Over five thousand children are cured or materially helped annually.

The parade will originate in South Warrenton and will consist of the following: Color Guard, Sudan Band, Potentate, Patrol, Chief Rabban, Recorder and Treasurer, Divan, Oriental Band, Coordinator, local Shrine Club members, Chanters, Clowns, and local entries.

Manley S. Martin, Past President of the Warren County Shrine Club, is chairman of the committee in charge of local arrangements. Other members of the committee include W. Jack Harris and A. D. Endecott.

This promises to be one of most colorful parades ever staged in Warren County and it is expected that hundreds of people throughout the county will be on hand to witness it.

### Services At Ridgeway

Services of Holy Communion will be observed at the Church of the Good Shepherd, Ridgeway, on Sunday afternoon at 3 o'clock, the Rev. James M. Stoney, Jr., rector, announced yesterday.

## IF YOU COULD CHOOSE THE SLOT WHERE YOUR TAX MONEY GOES...

you would probably pick defense, or space exploration, or some other vital government job. It isn't likely that you'd pick a job for which there is no need to spend your tax money.

Yet some people keep urging the federal government to pour a lot of your tax money into federally-owned electric power plants and lines, where 5½ billion dollars have already gone.

There's not the slightest need for this kind of

spending. The nation's more than 300 investor-owned electric light and power companies can supply all the additional power a growing America will need.

Needless spending of your tax money would be senseless at any time, but it's downright dangerous today when so many billions are needed for essential things.
