

Warrenton Boys Lose First To Middleburg

Once-beaten Middleburg up-ended Warrenton's previously unbeaten quintet here Friday night, 66-44, before a capacity crowd. The loss left Warrenton's boys with a 13-1 record, and gave Joe Stepusin's winners a 13-1 over-all mark.

Sparkplugs in the bristling Middleburg attack were Jimmy Brown, Furman Finch and David Tillotson, who reeked up 23, 19, and 10 points respectively. Brown, who fouled out in the final minutes, swept both boards with consistency during the first three frames.

The visiting Wildcats, whose only loss of the year came at the hands of Aycock, put five points on the scoreboard before Warrenton scored and moved into a 12-5 first quarter advantage. By intermission they had piled up a 31-19 lead.

Billy Benson, with 13 points and Ray Shearin, with 12, carried Warrenton's attack. Warrenton hit on 50 per cent of their shots from the charity stripe, netting 13 of 26, but could not connect well from the floor. Middleburg hit 16 of 26 from the foul line.

In the opening game a battle of once-beaten clubs-of-the-non-conference twinbill. Warrenton

rebounded from their first defeat of the season to edge Middleburg's lassies, 20-19. The contest was a defensive struggle, with a three point advantage the most either team enjoyed.

Warrenton led 5-4 at the end of the first period but the half found the teams caught in a 10-10 stalemate. Middleburg went ahead 15-14 as the horn ended the third quarter, but the locals rallied for their eleventh win. Gail Fleming got half of her six points in the final period, and Knox Polk added a bucket to run her point total for the night to eight. Helen Hester paced Middleburg with eight points. The Middleburg girls now hold a 12-2 season mark.

Jackets Meet Davie At Home Tonight; Norlina Visits Jays

Warrenton's Yellow Jackets will attempt to keep their Halifax-Warren slate clean tonight when they host a conference member that fell by only two points in their first meeting. William R. Davie will furnish the opposition for the Jackets, currently sporting an undefeated record in conference action and a 13-1 record overall. In a Dec. 13 meeting between the two clubs, Warrenton had to rally from behind a 16-point first quarter deficit before edging their hosts, 48-46.

In the opening game, scheduled to begin at 7 p.m. in the John Graham gymnasium, Coach Janice Allen's cagers will meet the Davie Lassies. Warrenton's girls are 11-1 over-all, beaten only by Littleton in conference action.

Norlina will be on the road tonight when it tackles Littleton in an H-W Conference match. Norlina will travel to Davie Tuesday night for another conference meeting, while the Warrenton clubs will be idle.

Raccoons often dunk their food in water, though they will eat it dry. Some scientists say coons moisten their food because they have poor salivary glands.

Warrenton center Ray Shearin (35) grabs rebound over outstretched arms of Middleburg's Furman Finch (31) and Jimmy Brown. Middleburg continued its cage domination over Warrenton with a 66-44 triumph here Friday night. The loss was the first for Warrenton, and gave Middleburg a 12-1 record for the season.

Weldon Gains Revenge At Expense Of Norlina

A home court advantage and stellar work on the part of Marion Wise proved the undoing of Norlina Tuesday night as the Blue Waves bowed 46-48 in a squeaker at Weldon that gave the host team revenge for an earlier overtime defeat on the Norlina court.

Wise, who also played well on defense, was high man for the night as he sank 18 points on six field goals and six or eight from the foul line, with four from the floor and four straight from the foul line in the last half as Norlina was battling to overcome a three-point lead.

Weldon took a 11-5 lead in the third quarter, 13-all, and in the final frame cut the lead to two points before the final buzzer sounded.

Andrew Hundley with 13 points was high scorer for Norlina, with John Allen also hitting in double figures with 10. Johnny Mayfield netted 7, Buck Wiggins, 8, and Charles Hayes 8. For Weldon, Wommack and Peterson each netted 11, Tyler 4, and Dickens 4.

Only in the first and final quarters were the Norlina girls able to play at anything like even terms with the Weldon girls, who ran away with the game by a score of 30-15. The visitors scored seven points in the first frame while their hostesses were netting 10, and outscored the locals 7-5 in the final quarter, but were sunk in between as they only scored one point in the second quarter and none in the third.

Kay Floyd led Norlina with 5 points. Ellington netted 1, Hege 4, Smiley 2, Perkinson 2, Winslow 1. Others playing were Coker, Franke, Moseley, Kline and Knight.

Brenda Warren led Weldon with 11 points. Wommack netted 4, Martha Taylor 7, Nowell 4, Glynn Taylor 2, Oakley 1, and Daniel 1. Others playing were Hunt, Wood, Manning, Mountcastle, Joyner, Boykin, Barron and Howell.

Point Outburst By Hicks Leads Norlina

A 15-point scoring burst by center James Hicks carried Norlina's Black Knights to a 95-92 win over previously unbeaten Weldon Saturday.

Hicks scored all of his team's points in the third frame, after being limited to two points before intermission. He wound up the game with 21 points as Coach Charles Miller's midget club moved its season record to 3-0.

The visiting Norlina quintet trailed by 14-12 at halftime, but took the lead in the fourth quarter behind the shooting of Hicks and forward George Perkinson, who got four of his six points in the last minutes.

Also scoring for the winners were Mike Macon, 8; Phillip Parham, 2; and Cole Perkinson, 2. Falling to score were Charles Smiley and Mike Baker.

In the preliminary game, Norlina's junior varsity girls dropped their third game of the year in an overtime contest into overtime on Kathy Perkinson's two-pointer with six seconds remaining, but Weldon dominated the extra period, 5-0, to win, 17-12.

Donna Rouke paced the winners with 11 points, while Perkinson was top scorer for Norlina with four points. Others scoring for Norlina were Sandra Hicks, 3; Brenda Raines, 1; Pat Rooker, 1; and Phyllis Ingle, 3.

INSPIRATION

Who am I? Where is my place? Where do I stand in the human race?

What am I? What shall I do? What will I be my whole life through?

These are questions faced by people, Who want to work towards the highest steeple;

Not just to satisfy their own need, But in the eyes of others, to truly succeed.

"I am of no use", is a common cry Of this I cannot deny.

To overcome this feeling of sudden defeat, Strive hard, then success you will meet.

Work harder, just a tiny bit harder than the person ahead, Then the future you cannot dread.

Be confident, hold your head up high So success will not pass you by.

Everyone, be proud of who you are And in this world you will go far.
