with the operation of John R. Hawkins Negro High School at Warrenton, the Warren County Board of Education was told at its regular meeting on Monday Some 20 members of the exe-

cutive committee of the NAACP Education to voice their dissatisfaction and to request the removal of J. E. Byers as princheld for the past ten years or more The meeting was held in the

Grand Jury Room of the court house and lasted for about an hour. The NAACP group was headed by Ernest Turner, pres-

The complaints of the committee had been placed in writing in the Grand Jury room, But board chairman E. R. Davis that they had read the complaints only a few minutes before and had not had time to

give it proper study. The delegation with John Ellis and Mrs. Robert Ransom acting as chief spokesman, with others adding their comments, alleged that Principal Byers, due to his arrogant manner and dictatorship, had alienated the support of the patrons, and had made it impossible for John R. Hawkins to obtain qualified

teachers.

Mrs. Ransom charged that his practices towards both teachers and patrons were those of a dictator; that his attitude had made it impossible to maintain an effective PTA, and that his control of his teachers was tryannical. "No teacher," she said, "is allowed to call upon the parent of a child until she quarter, with Gold Sand leading has received the permission of the principal. They are told where they must stay, and forafraid to teach because they do not know when a remark heard over the intercom system may result in a call to the principal's As a result of this, Mrs. Ran-
