Pinewood Derby Held At School

The 1964 "Pinewood Derby" was held at the John Graham High School on Monday night with all five dens of Pack 671 participating.

The Pinewood Derby is a father-son combination of building a racing car to be used by the son in competition with his fellow clubs in a "once-a-year" affair. The winner goes on to race to be "top car of North Carolina."

Thirty-four boys entered the contest, and four "heats" were run to determine the grand winner. This honor was won by Stewart Satterwhite, son of Mr. and Mrs. Creed Satterwhite.

Two other racing awards were also presented. Sears Bugg, son of Mr. and Mrs. W. S. Bugg, was judged to have the prettiest car, and Paul Stoney, son of the Rev. and Mrs. James M. Stoney, Jr., was judged to have the most unique car.

Judges were F. P. Whitley, F. D. Hardy and A. D. Johnson. Prior to the races several awards were presented by Pete Vaughan, Cub Master.

The races were under the direction of Cub Master Vaughan and assistant Cub Master Bennie Powell. Scoutmaster Leonard Daniel was judge of the races and Vaughan was starter.

Firemen To Recharge Fire Extinguishers

Warrenton firemen as a community project will again this year re-charge fire extinguishers at cost.

Fire Chief Walker P. Burwell yesterday said that the local firemen would render this service at no cost other than the cost of the chemicals used in the re-charging of the extinguishers. He said that the firemen would re-charge extinguishers using dry chemicals, soda-acid, or foam.

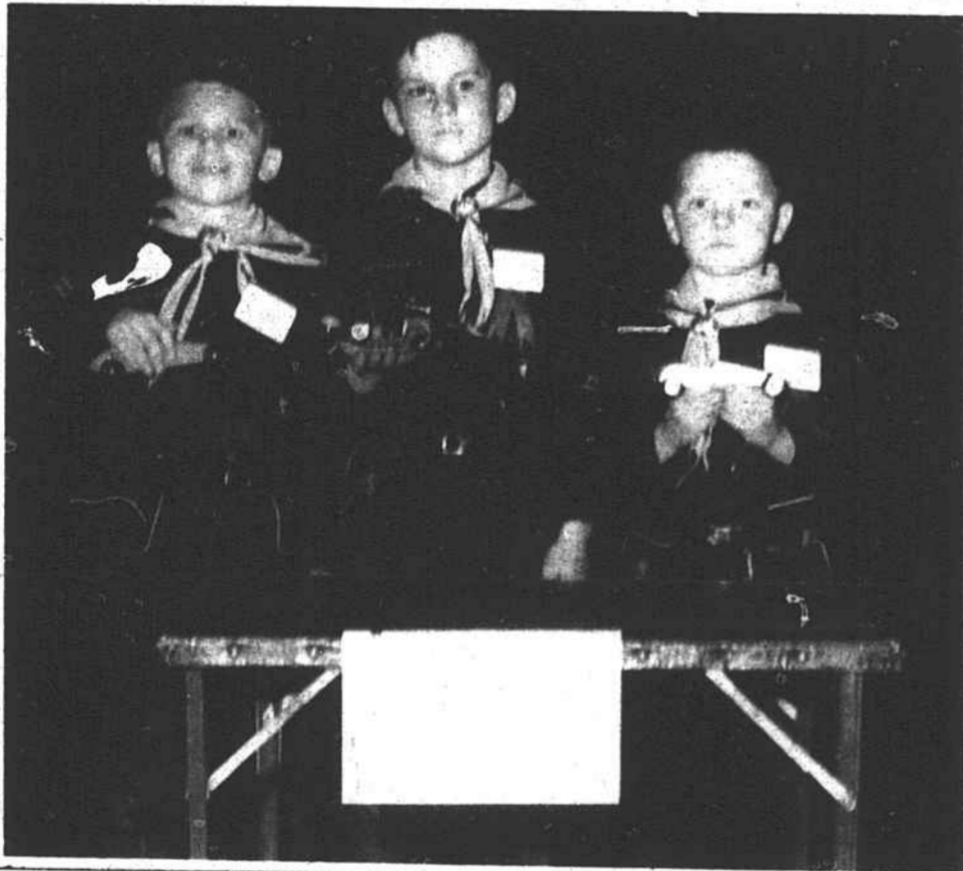

Persons with extinguishers they wish to have charged are asked to bring them to the Warren Water Office during office hours next Tuesday.

Burwell said that if anyone was unable to bring their extinguishers to the Water Office they may call the office and request that they be picked up.

Three Road Sentences Appealed

Three defendants sentenced in Recorder's Court last Friday by Judge Julius Banzet to serve road sentences gave notice of appeal of their cases to Superior Court.

Lindbury Clanton, found guilty of forcible trespass, appealed his case when he was sentenced to the roads for six months. Appearance bond was set at \$150.

Will Roger Marrow was sentenced to the road for six months when he was found guilty of non-support. He appealed his case and bond was set at \$150.00.

Rudolph Alexander, Jr., was found guilty of non-support in the March 30, 1962, term of court and sentenced to the roads for six months. His sentence was suspended for two years at that time provided he would provide for his wife and two minor children. The court ruled Friday that the defendant had failed to carry out the terms of the suspension, although he is employed by the Peck Manufacturing Company, and able to make required payments. He was ordered to serve the road sentence. The defendant appealed his case to Superior court and appearance bond was set at \$150.00.

Roy Reid, charged with non-support, was found not guilty.

Lonnie Green King was found guilty of non-support. Prayer for judgment continued for two years under the condition that the defendant pay the court "today" for use of Alice V. King to reimburse her for medical bill of Joyce Lee King, pay \$15 bi-weekly to the Welfare Department until further order of the court, and that

he pay court costs. Only one speeding case was docketed for trial. Charles Gabriel Talarico pled guilty to a speeding charge and was fined \$10.00 and ordered to pay court costs.

Warrenton Man Is Held In Philadelphia

A former Warren County resident is being held in a Philadelphia jail as a murder suspect, unable to post a \$20,000 bond set by a United States Commissioner.

Sheriff Jim Hundley said yesterday that Archie Cheek, grandson of Ernest Cheek, Warrenton Negro, murdered here on Nov. 22, 1962, was arrested by FBI agents in Philadelphia, Pa., on Wednesday of last week. Cheek was given a hearing before a U. S. Commissioner where probable cause was found and bond was set at \$20,000.

Upon his failure to give bond, Cheek was turned over to the Philadelphia police who were scheduled to be given a second hearing Thursday morning. Hundley said that he had been informed that Cheek said he was willing to return to Warren County to stand trial.

Archie Cheek disappeared from Warren County on the same afternoon his grandfather was murdered, and shortly thereafter the Sheriff's Department called upon the FBI for assistance in locating him. Hundley said yesterday that the FBI had been on his trail for nearly a year, but were unable to close in on him until last week.

The body of 76-year-old Ernest Cheek was found lying on the floor of his home around 5 o'clock on the afternoon of Thanksgiving Day, 1962, by his grandson, Ernest Cheek, Jr. He had been shot with a shotgun just above his heart. Found missing was his billfold containing money.

Archie Cheek, Jr., grandson of Ernest Cheek, was reported to have been seen taking a bus around 5 o'clock on the afternoon of the murder.

Ernest Cheek was well known here where he drove a delivery truck for Quality Grocery Company. Prior to working for Quality Grocery Company he drove the turch for Burroughs Grocery Company for many years.

Stores To Be Closed On Monday

A majority of the stores and offices of Warrenton will be closed on next Monday, March 30, in observance of Easter, Vernon Whitmore, chairman of the holiday committee of the Merchants Association, announced yesterday.

The Citizens Bank of Warrenton and the Peoples Bank of Norlina will also be closed next Monday.

While in some counties schools will be closed on both Good Friday and Easter Monday, Warren County schools will be closed only on Monday, Supt. J. R. Peeler said.

State offices will be closed Monday, but Federal offices will remain open. These offices include the FHA, the ASCS, and the Soil Conservation office. Postoffice will also remain open Monday as Easter is not a Federal holiday.

Plans for any special events for the Easter holidays have not been learned, with the exception of a big Easter egg hunt for the colored people at Bullock's landing on Kerr Lake on Easter Monday.

Easter services will be held in most churches of the county Easter Sunday. A three-hour Good Friday service will be held at the Warrenton Episcopal Church this afternoon. Many churches have held special Holy Week services this week.

"The Wondrous Cross," will be the topic for the Easter Service to be held at Sulphur Springs Baptist Church on Sunday morning, March 29, at 9 o'clock. The service will feature singing of Easter music by the Youth Choir and the reading of the work of God.

The Sunday School hour will be held at 10 o'clock, following the worship service.

Few Donate Funds For Vaccine

Some 10,700 doses of oral polio vaccine were given to Warren County citizens Sunday afternoon in the first of three clinics whose purpose is to stamp out polio in Warren County.

The clinics are sponsored by the Warren County Medical Society in cooperation with the State Board of Health and are being conducted under the direction of Dr. Robert S. Cline, Warrenton physician. Assisting Dr. Cline are other physicians of the county, pharmacists, nurses and scores of volunteer workers.

Dr. Cline Monday expressed his pleasure at the number of people who turned out and the smoothness of the operation at the clinics, being held at Warrenton, Norlina and Afton-Elberon. However, Dr. Cline was disturbed by failure of a large number of people to make any contribution towards the cost of the vaccine. Persons taking the clinic had been asked to donate 25¢ for each dose, except in cases of where this sum was beyond the means of those receiving vaccine. It had been hoped that larger contributions on the part of many would make up for those who were unable to pay.

Actually less than one-half of the persons receiving the vaccine made any contribution, according to the receipts which averaged less than 2 cents a dose.

What disturbed Dr. Cline was the fear that without better financial support it may be impossible to hold all three clinics, but he expressed the view that in many cases it was thoughtlessness that kept many from contributing, and the hope that in the second clinic, to be held April 19, larger contributions will make up the shortage of the first clinic.

Actually for most people, Dr. Cline said, the cost is negligible. The cost of obtaining the vaccine in the offices of private physicians would run from \$2.00 to \$4.00 for each dose of vaccine administered. He stressed the fact, however, that no one would be refused the vaccine because of lack of ability to pay.

Doctors and other volunteers are given their time without cost. The 25¢ per dose asked is to pay for the actual cost of the vaccine and incidental expenses.

The biggest number of persons taking the vaccine was at the Health Center where 6,000 doses were given on Sunday afternoon. At Norlina 3350 received the vaccine; and 1350 received the vaccine at Afton-Elberon.

In addition to the clinics held in Warren County, a clinic was held at Littleton by the Halifax Medical Society. It is believed that many persons in Warren County living in the Littleton area received the vaccine there. If that were the case, nearly two-thirds of Warren County citizens received the vaccine in Warren County's largest immunization program Sunday.
