

The Warren General Hospital Women's Auxiliary presented Building and Loan Certificates with cash value of more than \$1600 to the local hospital on Tuesday afternoon. The certificates were presented to David

Richards, hospital administrator, by Mrs. R. B. Butler, Auxiliary treasurer; looking on are Miss Emily Ballinger, in rear, and Mrs. Roger Limer, Auxiliary president.

Women's Auxiliary Makes Gift To Warren General Hospital

The Warren General Hospital Women's Auxiliary presented two Building and Loan certificates representing over \$1600 in value to the hospital, Dave Richards, hospital administrator, announced yesterday.

This money was accumulated by the Auxiliary by selling candy and other sundries in the hospital's Hospitality Shop.

In addition during the past few weeks the Auxiliary presented the hospital with new

drapes to be hung in the front entrance-way. Miss Emily Ballinger, Warren County Home Demonstration Agent, and Edward Riggan of Warrenton hung these drapes with a new cornice.

Presenting the certificates to Richards were Mrs. Roger Limer, president of the Auxiliary; Mrs. R. B. Butler, treasurer; and Miss Ballinger.

"These gifts were received in a time of extreme need," Richards said. "Our present financial position is terrible.

The hospital needs equipment and supplies and we can just collect enough money from our patients to meet salary demands. These gifts lifted our morale at the hospital, and gave us the strength to renew the struggle to hold the hospital open.

"These ladies and the others from whom we have received contributions in the past few months probably never realize to a full extent how much good they really do. My sincere thanks to all of them."

Smiley To Head ASC

Walter S. Smiley, for a number of years ASC Committee chairman, was re-elected to this post for another year at the annual ASC County Convention here on Friday afternoon. Delegates attending the convention also re-elected the four other members of the county committee.

W. E. Mulchi, Jr., Rt. 1, Norlina, was re-elected vice-chairman; W. M. Fleming of Manson was re-elected regular member. All three have served on the committee in past years.

H. M. Williams, Jr., of Rt. 3, Warrenton, was re-elected as first alternate, and William R. Brauer of Rt. 1, Norlina, was re-elected second alternate. Alternates serve only when they are elevated to committee membership to fill vacancies.

White Is Goldwater Chairman

Dr. Walter A. White, Warrenton dentist, has been named chairman of Citizens for Goldwater in Warrenton County.

White's appointment was announced yesterday by P. Huber Hanes of the Hanes Knitting Company of Winston-Salem, State chairman of the North Carolina Citizens for Goldwater.

Dr. Robert S. Cline, general practitioner in Warrenton, and H. W. Connell, owner of Connell Construction Company, have been appointed vice-chairmen of the Goldwater group in Warrenton.

White said that Citizens for Goldwater is a bipartisan national organization which in North Carolina is led mostly by Democrats, most prominently Mr. Hanes as State Chairman. Dr. John H. Hall, Citizens for Goldwater Director for Eastern North Carolina, resigned from his medical internship at Duke Hospital to work full time for Goldwater's election.

White said that full time Citizens for Goldwater headquarters have already been opened in many North Carolina counties, including Durham, Vance, Halifax, Craven, Cumberland, Beaufort, Currituck, Franklin, Granville, Nash, Pitt and Wake.

Drivers' Course To Commence At Henderson Oct. 1

The North Carolina Department of Motor Vehicles has scheduled a provisional license driver education course for the Vance - Warren - Franklin County area beginning on Oct. 1.

L. A. Howes, driver education representative for the area, announced yesterday that the course will be held in the Vance County building on Young Street beginning at 4 p. m. The course is scheduled for four two-hour sessions on each Thursday in October.

North Carolina law requires that all driver license applicants under eighteen have either high school driver education or the course offered by the Department of Motor Vehicles. Howes said the area course is provided for applicants who have passed the age of 15 years and nine months but under age 18.

In order to insure that this program will supplement the high school driver education program, the Motor Vehicles Agency requires that high school students desiring to enroll be approved for enrollment by their school principal.

Driver license applicants wishing to enter this course should enroll with the local driver license examiner at the Highway Patrol Station in Henderson. Howes said each applicant must furnish the examiner with a copy of his birth certificate and a statement from his principal approving enrollment in the course.

Chest X-Ray Units To Begin Clinics In Warren Sept. 29

Attracting much attention at the Warren County Fair this week is the Blind Booth where are displayed items for sale made by the blind. Milton Ayscue, chairman of the Blind Committee, left above, says these items make ideal Christmas Gifts. Others shown in

the picture are Mrs. Lois Freeman of Greenville, field worker for the Blind Commission, center, and Mrs. Irene Beaudin of Raleigh, head of Home Industry for the Blind, right.

No Monday Visits Are Scheduled

The chest X-ray scheduled for Warren County will get underway on Tuesday, Sept. 29, and will continue through Oct. 24, Dr. Robert L. Young, Warren County Health Officer, announced yesterday.

The buses will be open, Tuesday through Saturday, from 10 a. m. until 4 p. m. each day, and will be closed on Mondays.

Sponsored locally by the Warren County Health and Tuberculosis Association and the Health Department, this service will be offered free to all citizens 15 years of age and older. The local TB Association provides Christmas Seal funds for salaries of secretaries on the buses and for postage, while the State Health Department furnishes technical personnel, equipment and films. The small films will be interpreted by State Health Department physicians, and the large follow up films will be read by specialists at the Eastern State Sanatorium.

Dr. Young said one bus will be located near the Agriculture Building at the court house square in Warrenton throughout the survey - where citizens visiting from all parts of the county can be x-rayed conveniently. He said the other X-ray bus will play a gypsy role and rove throughout the county according to the following schedule:

- Carolina Sportswear Plant, Warrenton-Sept. 29.
 - Peck Manufacturing Co., Warrenton-Sept. 30.
 - Baptist Church, Wise-Oct. 1-7.
 - Street Location, Norlina-Oct. 8-10.
 - Watkins Grocery, Drewry-Oct. 13-14.
 - Methodist Church, Arcola-Oct. 15-17.
 - Street Location, Littleton, Oct. 20-24.
- Dr. Young said that since it is very difficult to obtain this X-ray program, all citizens 15 years of age and older are urged to take advantage of the opportunity. It may not come this way again, he added.

To Play Tonight

John Graham High School football team, winner over William R. Davie here last Friday night, will play at Enfield tonight.

Norlina, who won over Louisville at Norlina last Friday night, will host the conference leading Weldon team tonight.

DR. ARTHUR M. MALLETTE

Physician Will Open Office Here

An additional physician will begin practicing in Warren County this week.

Dr. Arthur E. Mallette, 31-year-old Negro physician, with offices in Oxford, will begin the practice of medicine on a part-time basis at Warrenton on Saturday, Sept. 26, with a temporary office upstairs in the former Gilliland building adjoining the office of T. T. Clayton. His phone number is 257-3195.

Dr. Mallette's office hours will be from 3 to 6 p. m. daily.

A native of Wilmington, Dr. Mallette graduated from Howard University in Washington, D. C., with a B. S. degree. Following his graduation from Howard University, he attended Meharry Medical College of Nashville, Tenn., where he obtained his M. D. degree. He interned at Mt. Sinai Hospital, Milwaukee, Wis., where he was voted "Intern of the Year." He began the practice of medicine in Oxford in July, 1964.

Dr. Mallette is married to the former Miss Doris Hayes of Alamance County, a registered nurse, with speciality training in premature nursing and pediatrics. They have three children.

ANGELA ROBINSON
FFA Sweetheart

Miss Angela Mae Robinson has been elected FFA Sweetheart of Norlina High School for the school year 1964-65. Angela is a Senior and very active in school affairs, being a second year cheerleader, secretary of her class and secretary of the FFA.

Miss Robinson is the daughter of Mr. and Mrs. Charles W. Robinson of Rt. 1, Norlina.

Crowds Are Increasing At Fair

With crowds increasing each night, the Lions sponsored Warren County Fair is in full swing. The Fair opened on Monday with the Palmetto Shows playing the midway and will close on Tuesday night.

Wednesday was white school day and Thursday was colored school day. On both of these days school children were admitted free and valuable prizes were given.

The Junior Calf Show under the direction of L. B. Hardage, assistant Farm Agent, was held on Wednesday afternoon, and the Colored Junior Calf Show, under the direction of Negro Agricultural Agent L. C. Cooper, was held on Thursday.

Placings of booths of the Warren County Fair were on Wednesday announced by Miss Emily Ballinger, Home Economics Agent, as follows:

- 1st: Vaughan and Enterprise Home Demonstration Clubs - "The Kitchen of Yesterday" and the "Kitchen of Today."
- 2nd: Ridgeway Home Demonstration Club - "Rope Your Dollars and Use Them Wisely."
- 3rd: Shaw Springs Home Demonstration Club - "Bathroom of Yesterday and Bathroom of Today."

Honorable Mention: Drewry Home Demonstration Club - "For Hands of Thrifty Homemakers - Pine Needles."

Honorable Mention: Friendship Home Demonstration Club - "Laundering Yesterday and Today."

1st: Littleton Community 4-H Club - "Get on the 4-H Bandwagon."

2nd: Ridgeway Community 4-H Club - "Good Citizenship - The 4-H Road to Success."

1st: John Graham FFA - "Building for the Future."

Voter Registration Meeting To Be Held

A voter registration meeting will be held at the Snow Hill Baptist Church tonight (Friday) at 8 o'clock Flora W. Terry, voter registration chairman, announced yesterday.

Serving as co-chairman is Mrs. Dorothy Turner.

The chairmen said that an interesting program is planned with a special guest speaker. Everyone, they said, is urged to attend and help make preparations for registering and voting in the General Election.

IN HOSPITAL

Mr. G. W. Davis of Inez is a patient in Duke Hospital, Durham, for treatment.

Miss Kate White Williams is in Duke Hospital, Durham, for treatment. She was accompanied by Mr. and Mrs. Barker Williams.

Booths Placings Listed

- 2nd: Norlina FFA - "New Courses of Study for High School Vocational Agriculture."

- 1st: Norlina High School FFA - "Where the Typical Family Dollar Goes."
- 1st: John Graham High School Junior Class - "Don't Be a

(See BOOTHS, page 4)

DAN K. MOORE

Dan K. Moore To Be At Warrenton Friday Morning

Dan K. Moore, Democratic gubernatorial candidate will be in Warrenton for an hour on Friday morning, Sept. 25, John Kerr, Jr., chairman of the County Democratic Executive Committee, announced yesterday.

Judge Moore is expected to arrive at the court house at about 9 o'clock, he said.

Kerr said that all members of the county executive committee, the precinct committee and Democratic candidates are urged to be present to greet Judge Moore and that the public at large is invited to be present.

Wheat Signup Ends October 2

The 1965 Wheat Diversion program now going on in the ASC office will continue through Oct. 2, T. E. Watson, office manager, said yesterday.

Watson said he would like to encourage each person who received a 1965 wheat allotment to visit the ASC office and find out about his particular farm. He added that some of the most important phases of the 1965 wheat diversion program are as follows:

(1) A participant must divert an acreage of land equal to 11.11 percent of his 1965 wheat allotment, which is referred to as mandatory diversion.

(2) In addition to the mandatory diversion, a participant can

divert up to 15.0 acres (including the mandatory diversion) according to what his 1965 wheat allotment is. Any one with a 1965 allotment of 13.5 acres or less can divert the entire allotment if he does not want to plant any wheat for the 1965 crop year.

(3) A participant can divert the mandatory diversion and plant his entire 1965 wheat allotment. Under this case, a diversion payment will not be made, but certificates will be paid on the amount of wheat planted. These certificates are figured on 80 percent of the planted times the normal yield set up for the farm. The first 45 percent is domestic allocation which is 75 cents per

bushel, the remaining 35 percent is export allocation which is 30 cents per bushel.

(4) A participant may withdraw from the program at any time and he will have until the end of the feed grain signup next spring to revise his intentions.

Every wheat grower with an allotment for 1965 should come to the county office and find out more about the program before October 2, Watson said.

RIDGEWAY SERVICES

Services will be held at the Church of the Good Shepherd, Ridgeway, on Sunday afternoon at 3 o'clock with the Rev. James M. Stoney, rector, in charge.

GEORGE K. CAWTHORNE

LYNN MINCHER

MARVIN NEWSOM, III

Warren Students Are Semi-Finalists

Three Warren County students have been named semi-finalists in the 1964-65 Merit Scholarship competition, Mrs. Rachael R. Fishel, Warren County schools guidance director, announced yesterday.

The students cited for their high achievements are: George Kenneth Cawthorne, son of Mr. and Mrs. W. L. Cawthorne of Norlina; Lynn Mincher, daughter of Mr. and Mrs. R. W. Mincher of Littleton, and Marvin Newsom, III, son of Mr. and Mrs. Marvin Newsom of Littleton.

Mrs. Fishel said the Warren students became semi-finalists through their outstanding performance on the National Merit Scholarship Qualifying Test. This test of educational development, she said, was given in more than 17,000 high schools last March.

They are among 14,000 seniors throughout the country who attained Semifinalist status. The Semifinalist group is com-

posed of the highest scoring students in each state and in United States territories. Each Semifinalist now moves a step closer to winning a four-year Merit Scholarship to the college of his choice. Semifinalists must substantiate their qualifying test performance on a second examination, be endorsed by their schools, and fulfill certain routine requirements to become Finalists. All Merit Scholars are selected from the Finalist group.

"Semifinalists are representative of our country's most intellectually able young people," said John M. Stalnaker, president of the National Merit Scholarship Corporation.

"They possess the talents and qualities necessary for leadership in the future. They are resourceful, hard-working, and ambitious.

"In honoring them for their attainments, we should recognize also that others have contributed significantly to their

success by encouraging the characteristics which produce high achievement. The Semifinalists thus bring honor not only to themselves, but also to their families, their teachers, and their communities."

To increase their opportunities to obtain financial assistance if they need it, the Merit Corporation sends the names of Semifinalists to all regional accredited colleges and universities and to other scholarship-granting agencies and financial aid from sources other than the Merit Program.

In past years, about 98 percent of the Semifinalists have become Finalists. All Finalists receive a Certificate of Merit in recognition of their outstanding performance in the program. As Finalists, the students will be eligible for scholarship awards sponsored by NMSC and about 230 business corporations, foundations, colleges, unions, trusts, professional associations, and individuals.
