John Graham Blasts Louisburg 48 To 27

John Graham Yellow Jackets ran rough shod over a visiting Louisburg team here Friday night as it scored 42 points in the first half while holding the visitors scoreless.

Playing against the second team in the second half, Louisburg became fired up after scoring three touchdowns in the third quarter, scored a fourth touchdown against the starting team in the final quarter and held the starting team scoreless until the finish seconds of play when the Yellow Jackets scored on a beautiful pass play into the end zone.

Quarterback Charles Edmonds and halfback John Coleman paced the Yellow Jackets to its 48-27 victory over Louisburg.

John Coleman opened the Jackets' assault with a two yard TD run in the first quarter, while Elree Hilliard ran the extra point. Edmonds rounded out Warrenton's opening quarter onslaught with a 75 yard punt return minutes later, with John Coleman carrying for the point after touchdown.

In the second quarter the picture was much the same as the Jackets really poured it on and pounded out 28 points. Edmonds' second quarter performance consisted one back-to-back touchdowns with the first coming on a 10 yard run, while the second was from one yard out.

John Coleman also picked up a TD in the second quarter as he went over from five yards out after intercepting a pass to set up the touchdown.

Warrenton's other second quarter score came on a one yard plunge by Johnny Mac Coleman which capped off a 45 yard Jacket drive.

After Warrenton's second string unit allowed Louisburg 20 points in the third quarter Edmonds got back on the beam in the final period as he took to the air and hit Charles Loyd with a 35 yard scoring bomb.

Edmonds carried nine times for 135 yards, while John Coleman picked up 182 yards in 18 carries to pace the winners' offensive play. Defensively the leaders were Willie Norwood and Jimmy Harris.

Sandy Williams was the big man for the losers as he picked up all their points, while turning in a top-notch defensive game also.

Autographed Football Is Sent To Haithcock Family

North Carolina Guard Richey Zarro, who played a big part in Carolina's stunning win over Clemson last Saturday, attributed the win in part to the fact that the players dedicated the game to the memory of Gordon Haithcock, Jr.

Zarro said that the players met without the coaches to try to find out the trouble with Carolina's play and during that session decided to dedicate the game to their former teammate. Elton Casey, sports writer for The Durham Sun in his Column on Monday quoted Zarro as follows:

"Another element which Zarro said figured in the great play of the Tarheels was the fact the players decided to dedicate the game to the memory of the late Gordon Haithcock, a teammate who two weeks ago was killed in an automobile accident.

Haithcock was a junior from Warrenton, who was on a football scholarship at Carolina, who did not make the trip Athens, Ga., two weekends ago where the Tarheels fall miserably. Carolina lost to Georgia 24 to 8.

Coach Hickey did not tell

his team of Haithcock's death until after the Georgia game, although there was a feeling with some that word of the tragedy had leaked out and that it had something to do with Carolina's poor showing against the Georgians.

With mist in his eyes, Zarro said the game ball used in the rout of Clemson would be presented to Haithcock's parents. Yesterday, back at their home base in Chapel Hill, the Carolina players autographed the ball prior to delivering it to the Haithcock family in Warrenton.

Barking Of Dogs Brings Complaints

The continuous barking of dogs in certain neighborhoods of Warrenton was the source of several complaints reaching the Board of Town Commissioners at their regular meeting here Monday night.

The commissioners briefly discussed the complaints, ordered that the complaints be recorded on the minutes, but took no further action in the matter.

The commissioners held that six taxicabs are enough to serve the convenience and necessity of the public at Warrenton in turning down a request of Theo D. Towns that he be permitted to engage in the taxicab business here.

Previous to the decision to deny Town's application the board granted a license to drive a taxicab to Roy Green.

The board instructed the town clerk to write to Howard D. Mellen of John Bean Division FMC Corporation, asking him to meet with the commissioners in a called meeting on November 19, to discuss matters relative to the nozzels on the recently purchased John Bean Firefighter. It had been revealed to the board that the nozzels fail to develop as much pressure as the firemen desire.

Other matters before the board in the uneventful session were of a routine nature.

Toothbrushes To Be Sold By Warren County Clubs

Warren County 4-H Clubs will start their sale of the new Family-Pak toothbrushes on Saturday, November 14, G. W. Koonce, assistant Negro Agricultural Agent, announced yesterday. Profits from the sale will be used to support the 4-H Club Foundation of North Carolina, Inc.

Dental health is important to everyone, Mrs. Irene Alston, chairman of the Family-Pak project, said yesterday. She pointed out that over half the toothbrushes in use are worn out and that dentists say toothbrushes should be replaced every three months. Mrs. Alston said that special emphasis would be put on tooth care while the fund raising project is underway. "Many people who need a new toothbrush just do not have to go out and buy it. We are going to take the business to them."

Koonce said the toothbrushes in the Family-Pak are made of top quality Dupont nylon bristles, manufactured by the same company that makes the popular Dr. West toothbrushes and other outstanding brands. Each Family-Pak contains two adult and one child's toothbrush.

The price is only \$1.00 per pack, based on a price of 50¢ each for the two adult brushes with the child's brush being free.

Man Is Held On Charge Of Murder

Woman Is Beaten To Death Here

A Warrenton Negro man is being held without privilege of bond in the Warren County jail charged with the murder of a Warrenton Negro woman.

Robert Lee Carter was arrested by officers from the Warrenton Police and Sheriff's Department on Saturday morning, following the murder of Cora Lambert, 42, in the early hours of Saturday morning. Making the arrest were Town Officer Macon Reavis and Deputy Sheriff Bonnie Stevenson.

Cora Lambert, who was employed as a maid by Miss Mary Frances Rodwell, Clerk in the Office of the Register of Deeds, was found dead at her home on Warren Street in North Warrenton early Saturday morning by Robert Green, a friend, who said that he stopped by the home for a cup of coffee while on his way to work. He reported the death to the Warrenton Police Department.

When officers reached the scene they found the woman lying on the floor of her bedroom with her skull cracked and her face beaten to a pulp. Lying beside the body was a blood-stained piece of stove-wood.

"It was the most brutal murder that I have seen since becoming sheriff," Sheriff Jim Hundley said yesterday.

Following the visit of Warrenton police officers to the scene, the Sheriff's Department was asked to work with town officers in finding the murderer. Following a report from several persons that Carter had been seen in the vicinity early Friday morning, officers went to Carter's home and placed him under arrest.

Sheriff Hundley said the officers found blood on Carter's clothing and that blood was on his hands and caked around his fingernails. He said that Carter denied any knowledge of the crime, but gave several conflicting stories as to his whereabouts late Friday night and early Saturday morning.

Coroner N. L. Haithcock empaneled a jury Saturday afternoon, but the hearing was continued until Monday morning. Monday the jury found that Cora Lambert came to her death as the result of blows inflicted by Robert Lee Carter and ordered that he be held in Warren County jail without privilege of bond.

Monday afternoon Carter was taken to Raleigh by Sheriff Hundley, Deputy Dorsey Capps, and SBI Agent Len Harden, who had been called in the case, for the purpose of giving him a lie test. The officers also took to Raleigh for a laboratory examination clothing found on Robert Carter. Sheriff Hundley said a report of this examination is not expected until the latter part of the week.

Sheriff Hundley said that Carter, who has been living here on Franklin Street near White's gin for about 18 months, has a prison record. He quoted Carter as saying that once he had been tried on a charge of rape, but that the court had reduced the charge to an assault on a female.

School Needs Discussed

County-wide school needs were discussed by the Warren County Board of Education at its regular monthly meeting on Monday night.

These needs included a consolidated high school for Warrenton, Norlina and Littleton, a high school building at John R. Hawkins school at Warrenton, a gymnasium and additional classrooms at North Warrenton and a multipurpose room at Norlina.

Since the \$562,000 to be received from the State Bond Issue, passed by the voters on Tuesday of last week, will not be sufficient to meet the county school needs, the board decided to hold a joint meeting with the county commissioners and school in an effort to find means to raise more funds and for the establishment of priorities on the spending of the state bond funds allocated to the county.

Richards To Head Sale Of Christmas Seals

The 57th annual Christmas Seal Sale will begin in Warren County on Nov. 16 under the direction of David L. Richards, Christmas Seal Sale Chairman. Approximately 2,500 Seals and Christmas Seal Sale Bonds will be mailed to Warren County residents.

Announcement of Richards' appointment as Seal Sale Chairman and the beginning of the drive was made this week by Mrs. Clyde Whitford, executive secretary of the Warren County Tuberculosis and Health Association, sponsor of the campaign. She said that more progress has been made against TB in the last 37 years than in all the 3,000 years preceding Christmas Seals, she said, have done their share of work through the support and understanding of the generous public.

"Your local TB Association works to inform the patient, the community and the physician about TB and other respiratory diseases," Mr. Whitford said. "Through our X-ray Survey and Chest Clinics, we try to find TB and other respiratory diseases in the early

stages and see that they are treated, and to help them back to useful activity. We work with the Health Department and other agencies to follow through and set up permanent services to find, diagnose, treat and rehabilitate patients. We also encourage and contribute to medical research."

Mrs. Whitford said tuberculosis is still a challenge and a matter of concern in North Carolina as the number of new TB cases, as well as the number of deaths, increased in 1963. New cases totaled 1,464, an increase of 41 over 1962, and the number of deaths totaled 179, an increase of 9 over the previous year.

"Answer your Christmas Seal letter as soon as it arrives," Mrs. Whitford urged. "The Christmas Seal means life in the fight against tuberculosis and other respiratory diseases. Please use Christmas Seals generously on your Christmas cards and packages. In doing so, you will help to protect yourself and your family.
