John Graham Yellow Jackets End Season With Sixth Win

Warrenton completed its 1964 night with a 45-0 romp over Littleton for the sixth win of the year for the Yellow Jackets.

6-2-1 record, Warrenton broke away fast and scored in every quarter. It was the sixth shutout loss for Littleton, which finished with a 3-7 record.

Warrenton was led by John Coleman who gained 168 yards Crushing and scored three touchdowns, and Johnny Mac Coleman, who had 104 yards, rushpunt back 70 yards for a touch- Junie Drake during the half time

The Yellow Jackets poured the second period for a 33-halftime lead that iced the decision. They went on to score single touchdowns in each of the last

two periods. Charles Edmonds got the first score on a 40-yard run, and Johnny Mac Coleman followed John Coleman scored.

than December 11. They suggested that all stores stay open that night if they have not already planned to do so. The Merchants Association is to be relieved of any responsibility for the erection, maintenance or replacement of any trees, light bulbs or other equipment. The board of directors ac-

cepted the Woman's Club proposal and appropriated \$300 from its budget for the Woman's Club to carry on this work. It was also agreed that the \$100 donation from the Town of Warrenton would be turned over to the Woman's Club A. C. Fair, president of the

Merchants Association, said yesterday that the board calls each merchant's attention to the fact that the above funds are from the budget which was previously approved for the 1964 Christmas street decorations. He said that this budget was set up on the basis of each member paying the same dues that he was assessed in 1963 In order to meet this commitment, Fair said, and for the other phases of the program, it is important that dues be paid without delay as the time is getting short and there is much to do.

The board of directors emphasized that any additional expenses in connection with the street decorations which the individual merchant wishes to make is entirely at the discretion of each individual, and that no additional assessments will be made by the Merchants Association for this purpose this year.

Also discussed at the directors meeting were plans for a Red Tag Sales program to be conducted in Warrenton on November 27 and 28. The directors agreed to have special signs printed and turned over to the merchants at the expense of the Merchants Association. The directors also agreed to

have the Association partie in a radio advertising pro during November and December. During November it was agreed that five one-min-ute spots would be given each day and ten one-minute s November for the week preceeding the Red Tag Sale be devoted to promotion of the
