

Booster Tickets Are On Sale

Booster Club tickets providing admission to all home athletic games, went on sale Thursday morning and may be obtained from members of the club.

Thurman Batten, vice president of the Boosters Club, in charge of ticket sales, said yesterday that the goal for this year is at least 250 tickets. Last year 228 tickets were sold.

Plans for the sale of the tickets were made at a dutch barbecue and stew supper held at the Country Club on Wednesday night with some 35 Boosters present. C. P. Gaston, president, presided.

Coach Jimmy Webb discussed the 1965 football team and urged the support of the Boosters for their efforts. He pointed out that this was a young team and as such would need the encouragement of the fans. He urged that the Boosters make every effort to keep up the morale of the players by backing their efforts and by attending every game.

During the supper, served by Forsyth of Henderson, Batten distributed tickets to a number of Boosters. Yesterday he listed those who have tickets for sale as follows:

Howard Daniel, A. A. Wood, A. E. Wilson, N. B. Hilliard, A. P. Rodwell, Jr., Frank Daniel, Mrs. A. A. Wood, W. A. Miles, Peyton Rogers, T. E. Watson, Bud Gaston, Leonard Daniel, Jimmy Roberts, B. G. White, E. T. Odum, Jr., Thurman Batten, T. V. Traynham, Melvin Shearin and W. A. Benson.

Dove Season To Open On Sept. 11

The first half of a split hunting season for doves will open in Warren County and throughout North Carolina on Saturday, Sept. 11, Wildlife Protector Alton Pridden said today.

Hunters will be allowed to shoot the migratory birds beginning at noon on opening day, Pridden said. Shooting hours for each day of the split season is from noon until sunset.

The first half of the season will end Oct. 16, with hunters again getting a chance to take doves from Dec. 11 through Jan. 13.

Daily bag limit will be 12, with a limit of 24 in possession.

Pridden warned that federal regulations governing hunting of mourning doves prohibit taking the birds with trap, snare, net, crossbow and arrow, rifle, pistol, swivel gun, or machine gun.

He said that doves may not be taken with a shotgun of any description originally capable of holding more than three shells, the magazine of which has not been cut off, altered, or plugged with a one-piece filler, incapable of removal with disassembling the gun, so as to reduce the capacity of the gun to not more than three shells in the magazine and chamber combined.

"It is also unlawful to take doves from or by means, aid or use of a sinkbox, motor-driven conveyance, motor vehicle or aircraft of any kind," Pridden said.

Man Held On Charge Of Assaulting Officers

A Warren County man charged with an assault on two officers at a whiskey still is being held under \$1000 bond for his appearance in Warren County Superior Court.

Lee Roy West, 20, is charged with assaulting Vance ABC officer T. J. Blackman and Littleton Police Officer Bernice Aycock by pointing a pistol at them during a raid on a whiskey still in Fishing Creek Township on Sunday morning.

Raiding the still were Warren County Deputies Loyd Newsum and Dorsey Capps, Vance County ABC officers W. G. Watkins and T. G. Blackman, Littleton Police Officer Bernice Aycock and Halifax County Deputy Aycock.

The still was not in operation at the time but was ready to be operated, according to Deputy Capps. He said that while the officers were at the still that West appeared and attempted to drive them away by pointing a pistol at Blackman and Aycock.

He said that the officers destroyed a 50-gallon capacity still and 200 gallons of mash.

JOHN GRAHAM HIGH SCHOOL one of six high schools of county to open Wednesday

Warren Schools To Open On Wednesday

Warren County schools will begin their 1965-66 session on next Wednesday, September 1, with approximately 6,000 students expected to be enrolled and taught by some 200 teachers.

The enrollment is approximately the same as that of last year, Supt. J. Roger Peeler said yesterday.

Wednesday will be registration day and the schools are expected to open at 8:30 a. m. and close around noon.

All pupils are asked to report to the school to which they have been assigned for room and class assignments, procurement of textbooks and supplies, for the review of the daily schedule, and for the assignment of lessons.

Regular classroom work will begin on Thursday morning at 8:30 o'clock with a full day's schedule and the cafeterias open.

Principal change in the school set-up will be at Mariam Boyd school here where all third-grade pupils enrolled at John Graham will be taught. In previous years one third grade has been taught at John Graham and one at Mariam Boyd. Supt. Peeler said that this year both third grades would be taught at Mariam Boyd where a mobile classroom will be added.

Supt. Peeler said that all students are urged to pay school fees as quickly as possible. He said the fees to be paid are the same as those last year with one exception. No elementary supplementary book fee will be charged. The fees are: Elementary School Fees: Instructional fee, \$1.00.

High School Fees: Book rental fee, \$5.00; instructional supplies, \$1.00; typing \$5.00; agriculture, home economics, \$2.50.

Note: Workbooks, weekly Readers and supplies for arts and crafts will be in addition to the above fees.

Exceptions: Littleton - instructional supplies, elementary, \$1.50, high school, \$2.50; John R. Hawkins-trade fees, \$2.50; North Warren-trade fees, \$2.50.

A full attendance is urged every day, Supt. Peeler said.

Principals of the six high schools in the county will be: John Graham, S. C. Chandler; Littleton, E. T. Satterfield; Norlina, W. O. Reed; Halliwa, Bernard Lowry; Hawkins, L. B. Henderson; Northside, G. H. Washington.

B. L. King will be the principal of the Macon Junior High School.

Principals of the elementary schools will be: Northside, Henry H. Green; Mariam Boyd, S. C. Chandler; Afton-Elberon, Mrs. J. D. Mustian; Hecks Grove, Mrs. Ruby D. Amos; Vaughan, J. I. Bridges; South Warren, Otis Hawkins.

Mrs. E. E. Gillam has returned home after spending three weeks at Myrtle Beach, S. C.

Body Of Young Boy Recovered At Lake

The body of a four-year-old Rocky Mount youth was recovered from Lake Gaston near Littleton Monday.

Renoke Rapids Rescue Squad members located the body of Dennis Jones around 11 a. m. during a dragging operation about 30 feet from a pier at the Wildlife Landing near Salmon's Landing.

Warren County Coroner N. L. Hathcock investigated the death and held that the youth died from accidental drowning. He was accompanied to the scene by Warren County Sheriff Clarence Davis.

The youth, son of Mr. and Mrs. Bobby Jones of Rocky Mount, had last been seen Sunday around 3:30 p. m. playing around the pier. The youth's father told Rescue Squad Captain Irvin Worrock he had turned his head for several minutes and when he turned back around the child was missing.

Squad members Sunday searched the waters and the banks until 11:40 p. m. The search was resumed at sun-up Monday and was scheduled to last until 2:30 p. m. when skin divers would have been used if the dragging operations had not proved successful.

Sheriff Davis yesterday complimented the Rescue Squad for its work and the devotion of its members. "It is a wonderful organization," he said. "It would be fine if we could have a similar organization here," he added.

Ballots To Be Mailed For Committee Choice

Balloting for community committeemen this year will be by mail and letters containing ballots will be mailed to eligible voters on next Tuesday, August 31, T. E. Watson, local ASCS office manager, said yesterday.

Voters must return the ballots to the ASCS office on or before September 10 and on September 15 they will be counted at a public meeting by the ASCS committee and the results announced.

Watson pointed out that farmers voting in the coming community elections will receive an envelope containing a ballot and two envelopes. The farmer should vote for five persons listed on the ballot and insert the ballot into the blank envelope. The blank envelope should then be inserted into the envelope addressed to the county ASCS office. He should sign the certification on the back of the envelope and drop it into the mail.

Farmers are asked to please remember that only one ballot can be placed in the return envelope since every voter must sign the certification. Watson said that if a husband and wife are each eligible to vote, each must return their ballot in separate envelopes.

When the ballots are received in the county ASCS office, Watson continued, the envelope will be checked to be sure the voter is eligible to vote. The blank envelope containing the ballot will then be removed from the larger envelope and placed with all the other ballots. Each ballot will, therefore, lose its identity before it is tabulated.

The county ASCS committee will publicly open and tabulate all ballots on September 15. At this time, none of the ballots will bear any identification of the person voting.

Watson said that it is necessary that each person voting sign the certification on the envelope in which the ballot is returned. If the certification is not signed the ballot inside will not be tabulated. Any person signing by mark must have his mark witnessed.

Project Head Start Concluded In Warren

Project Head Start, sponsored by the Warren County Board of Education, came to a close Friday, August 20. Of the 300 children enrolled, 285 attended the entire eight weeks.

Warren County received a total of \$45,625 to support this project. These funds have provided, in addition to the staff, utilities and maintenance for lunches, transportation, instructional supplies and play equipment for the children.

Each child was given a physical examination, immunizations and lab tests including the tuberculin test. A dentist examined each mouth, plotted all cavities and applied a fluoride treatment. Plans are underway to provide necessary dental work, corrective surgery, and further evaluations by specialists. The county health nurses and the Head Start Staff are encouraging each parent whose child is given an appointment to make sure the child gets there.

The importance of good nutrition was further stressed in each of the six centers through the lunch and milk break program.

The Head Start enrollees were tested near the beginning and again near the end of the session. The results seem to indicate growth in vocabulary, in understanding and using words, increased skill in using materials creatively, and a greater degree of security in the school situation, Mrs. Rachel Fishel, director, said. Teachers have watched the development of social skills and graces which they believe will enable these children to move rapidly into their regular school work in September.

Field trips have been used widely to broaden each child's background of experiences and increase his readiness for reading and other school work, Mrs. Fishel said. These trips have included a train trip for one group, picnics, trips into town to the post office, library, bank, courthouse, stores and fire departments. In some instances the fire truck has visited the school. Groups have been to a chicken farm, dairy, cucumber markets, pickle plant, Pepsi plant and other industries. One center had a birthday party for the whole school, complete with ice cream, cake, party hats and favors and another had a family (See HEAD START, page 2)

Junior Chamber To Be Discussed Here

The possibility of organizing a Junior Chamber of Commerce in Warren County will be aired at an open meeting which has been scheduled by the Henderson Jaycees for 7:30 p. m., Tuesday, August 31, at the Warren Plaza Restaurant Banquet Room.

According to Henderson Jaycee members, the meeting was set at the request of many County young men who have expressed an interest in forming a Junior Chamber unit here.

Wade Grissom, extension chairman of the Henderson chapter, has reported that many young men, already contacted, will be present for the meeting. Miss Sylvia Davis, a former Miss Henderson, will be present to explain to the group the Miss America program.

At the briefing meeting, Henderson Jaycees will explain various phases of their own operation, community and membership benefits resulting from Junior Chamber operations and Junior Chamber chapter membership requirements. A question and answer period will close the session, which will be held at 7:30 p. m. (See JAYCEES, page 2)

Industrial Training Courses To Be Offered

Courses in Industrial Cooperative Training under the Trade and Industrial Education program will be offered at John Graham High School during the 1965-66 school years.

The courses will be taught by W. Bernard Thompson, who has had 24 years in the Army, eight years of which was as instructor and instructor supervisor.

The courses will be limited to juniors and seniors having a job in the fields in which they seek training, and is in addition to regular academic work.

Thompson said that the trainee in his junior year would receive one-hour of classroom instruction with a job minimum of 15 hours a week. In his senior year the trainee must take two hours of classroom instruction, plus the 15 minimum hours of on-the-job training. Some 50 per cent of the classroom time, Thompson said, will be spent on subjects generally related to industry. The remaining part of the course will be on technical training.

A partial list of job opportunities under the program include: Electronics, Food Trades, Nurses' Aides, Graphic Arts, Metal Trades, Electricity, Auto Mechanics, Building Trades, Dental Technician, Lab Technician, Dental Assistant, Commercial Art.

Thompson said that 27 students have already enrolled for the courses, about evenly divided between boys and girls. The girls have applied for secretarial courses, beautician courses, dental aides and nurses aides and others. The boys have applied for courses in automotive mechanics, carpenters, electricians, and store managers.

A limiting factor, Thompson said, is the availability of jobs. A trainee must have a job before he or she can take the course. In cases where girls have applied for training as beauticians, nurses' aides, and dental aides, the field of employment is definitely limited.

Enrollment is limited to those students with a satisfactory vocational objective, sixteen years of age, good attendance record, average or better citizenship record and grades commensurate with their ability.

Man To Be Tried On Manslaughter Charge

A Warren County man is scheduled to be tried in Warren County Superior Court at the September criminal term as the result of an automobile accident near the Virginia State line on February 20 in which two persons were killed.

Judge Julius Banzet found probable cause in a hearing in Recorder's Court last Friday and ordered Nathaniel Wright bound to Superior Court as the result of the death of Broadus Jethro Hommand and Marion Lee Holt in the accident.

In other cases in the county court: Lawrence Vaughan, charged with drunk driving, entered a plea of reckless driving and was fined \$100 and taxed with court costs.

Robert W. King failed to appear in court to answer a charge of careless and reckless driving. Judgment absolute on his bond was ordered.

Charles Bullock was found guilty of an assault upon a female. Prayer for judgment was continued for two years upon payment of costs.

Thornton Woodward was found guilty of non-support and assault. He was sent to the roads for two years upon each charge.

Robert Johnson was sentenced to the roads for 12 months (See COURT, page 2)

Man Held On Charge Of Assaulting Officers

County ABC officers W. G. Watkins and T. G. Blackman, Littleton Police Officer Bernice Aycock and Halifax County Deputy Aycock.

The still was not in operation at the time but was ready to be operated, according to Deputy Capps. He said that while the officers were at the still that West appeared and attempted to drive them away by pointing a pistol at Blackman and Aycock.

He said that the officers destroyed a 50-gallon capacity still and 200 gallons of mash.

Three Warren County Girls Are Named 'Good Citizens' By DAR

Three Warren County High School girls have been selected as DAR "Good Citizens" by the Warren County Chapter of the Daughter of the American Revolution.

Patsy Hicks, daughter of Mr. and Mrs. Tasker P. Hicks, Rt. 1, Norlina will represent Norlina High School; Linda Carol Owens, daughter of Mr. and Mrs. Fred L. Owens of Littleton will represent Littleton High School and Anne Blaylock, daughter of Mr. and Mrs. A. C. Blaylock of Warrenton will represent John Graham High School.

Announcement of the selection of the three rising seniors as "Good Citizens" was made this week by Mrs. J. M. Stokes of Littleton, "Good Citizens" chairman of the Warren County Chapter.

The three girls were selected by students and faculty members of their respective schools on the following qualities: (1) Dependability, which includes truthfulness, loyalty and punctuality; (2) Service, cooperation, courtesy, consideration of others; (3) Leadership, personality, self-control, ability to resume responsibility; (4) Patriotism, unselfish interest in family, school community and nation.

The winner in each school is entitled to a certificate of award and a "Good Citizen's" pin. A \$100 saving bond will be awarded to each of the two state winners who will be guests of the State Society of the State Conference.

Mrs. George G. Ritchie of Richmond, Va., is the National Committee Chairman of DAR Good Citizen. Mrs. A. M. Cornwell of Lincoln is State DAR Regent. Mrs. H. P. Williams of Raleigh is director of the sixth district. Mrs. George Robinson Smith of Charlotte is State Chairman of the DAR Good Citizens, Mrs. W. A. Graham of Warrenton is Warren County Regent and Mrs. J. Milton Stokes of Littleton is "Good Citizens" chairman of the Warren County Chapter.
