MRS. EARL STEGALL

Holtzman Tells Of 4-H Trip

One of the greatest experiences in my life took place from November 28 through December 2. It was a great honor and privilege given to me by the "Plant Food Institute of Virginia and North Carolina" to be with 35 other delegates from North Carolina to represent our state at the 44th National 4-H Club Congress in Chicago, Illinois.

Fifteen hundred 4-H'ers representing two and one-half million 4-H'ers from all fifty states of the United States, Puerto Rico, Canada and International Representatives from foreign countries stayed at the Conrad Hilton Hotel in Chicago. Through this opportunity, we were given a chance to learn more about our part in society.

Our theme for this year's Congress was "Young America and World Affairs." We shared our thoughts and ideas about world affairs and what we could do to improve them.

Varied speakers, elaborate meals and some of the most talented people in the United States were featured during the meetings. Included in these events were the Vice President of the United States, Hubert H. Humphrey; Miss America, 1966; and Craig Breedlove, the fastest man on wheels. Such great groups as the "Benet Family," "The Lively Set," "The Four Seasons" and other great choirs and bands were featured. Another part of the entertainment included a concert by the Chicago Symphony Orchestra.

The Congress experience is a great challenge to any person who loves adventure, likes to meet people and to be a part of a world group. Most of all there was a chance to meet other 4-Hers and to know that we can be united with a common aim in life. Truly, the trip was well worth all the time and effort put forth to make it possible.

I would like to thank all of those who have supported me in the years past and especially those who helped me obtain my trip which came through my accomplishments.
