LYNDA KAY HOLLAND

Miss Holland To Wed Wright Tisdale, Jr.

Mr. and Mrs. Finley Moore of Gastonia, North Carolina, announce the engagement of their daughter, Lynda Kay, to Mr. Wright Tisdale, Jr., the son of Mr. and Mrs. Wright Tisdale of Bloomfield Hills, Michigan and Warrenton, North Carolina.

Miss Holland was graduated from Frank L. Ashley High School and from St. Andrews Presbyterian College in 1965. She made her debut at the Gaston Debutante Ball in 1962. She is the granddaughter of the late Mr. and Mrs. James Walter Powers of Columbia, South Carolina, and of the late Mr. and Mrs. Luther Alexander Holland of Dallas, North Carolina.

Mr. Tisdale was graduated from Deerfield Academy and is presently attending St. Andrews Presbyterian College. He is the grandson of Mrs. Prescott Wright Tisdale, Redington Beach, St. Petersburg, Florida, formerly of Taunton, Massachusetts, and the late Mr. Prescott Wright Tisdale,

and of the late Mr. and Mrs. William Norwood Boyd of Warrenton, North Carolina. His father, formerly of New York City, is Vice President-General Counsel of Ford Motor Company and Chairman of the Board of Trustees of Duke University.

A late summer wedding is planned.

Church Members To Observe World Day Of Prayer

Church members of Warrenton will join their counterparts across the nation and around the world on Feb. 25 in the annual observance of World Day of Prayer, Mrs. H. R. Skillman announced yesterday.

Mrs. Skillman, chairman of the United Church Woman's local World Day of Prayer committee, said that all interested persons of the Warrenton area are invited to attend this special service in the Presbyterian Church at 10:30 a. m.

Now 80 years old, World Day of Prayer is observed in 125 countries and on six continents.

Observed each year on the first Friday in Lent, World Day of Prayer is truly worldwide in character, Mrs. Skillman said. The same order of service, translated into many languages, is used in all parts of the globe, providing a unique opportunity for a deep experience of Christian unity in prayer with Christians all over the world, she added.

Mrs. Skillman pointed out that each year's order of worship is designed by an individual or committee in a different country. The 1966 service, based on the international theme, "You Are My Witnesses" (Isaiah 43:10) was prepared by women of the World Day of Prayer committee of Scotland.

"This year's service stresses the idea that ordinary church members can change the world by their daily action," Mrs. Skillman said. "It also reflects the ancient tradition of the Scottish Church. For 80 years this unique day of prayer for peace and brotherhood has united women across personal, national and racial barriers in a solemn act of rededication to their common mission throughout the world." She asks that all who are unable to attend this service to be much in prayer during the service wherever they are.

Mrs. John Link To Head Friends Of College Drive

Mrs. John Link, of Warrenton has been named by Mrs. Dan K. Moore as a membership representative in the Warrenton area for the 1966-67 Friends of the College concert series at North Carolina State University.

Mrs. Moore is campaign chairman for the Friends of the College membership drive which will continue through March 15.

Mrs. Link said season memberships for a gala seven concert program next year are available for \$7 each. Checks may be made to "Friends of the College" for an even \$7.

The 1966-67 series will offer performances by the National Orchestra of Belgium, the American Ballet Theatre, Anna Moffo-Richard Tucker, Jose Greco and His Spanish Dance Company, Arthur Fiedler and a Pops Concert, pianist Van Cliburn, and the Concertgebouw Orchestra of Amsterdam.

Mrs. Link urged interested concert-goers to place orders for season tickets before the March 15 deadline. No memberships will be sold after that date, and no admissions to individual concerts will be offered, she said.

The Friends of the College is the largest concert series in the United States. Current membership exceeds 16,000 and a budget exceeding \$115,000.

Concerts are given in the William Neal Reynolds Coliseum on the North Carolina State University campus.

Each concert is given on two or three evenings to accommodate patrons comfortably and to allow for optimum sound effects.

By Industrial Director

Development Progress, Prospects Listed

A report of W. P. Minette, Director, submitted to the officers and directors of the Warren County Industrial Development Commission, showing industrial development during the past year and prospects for future development, is printed below.

Having served as Director of the Commission for a little more than one year, I believe it only fitting to provide a written summary of the Commission's activities during this period.

During January and February 1965, considerable time was spent getting the office, equipment, etc., in order as well as making contacts with the various industrial development agencies to let them know Warren County was in the industrial development business.

One of the first real assets in the Development of our County in 1965 was the acquisition, by lease, of the Virginia - Carolina Lumber Company by General Box Corporation. Manufacturing potential of General Box is unlimited and indications of their growth are being felt.

Increasing employment in the male labor field, Arcola Lumber Company expanded their operations in their sawmill and tobacco hoghead production.

To determine availability of Warren County labor, a County-wide survey was conducted by the Commission. The results were tabulated by the North Carolina Employment Security Commission and incorporated in Community data sheets which were published by the North Carolina Department of Commerce and Industry.

In an effort to strengthen the Industrial Development Commission and provide additional services industry export and demand, The Warren County Chamber of Commerce was organized under the direction of this office. The Chamber had had a successful year which will culminate with their first annual banquet on March 24, 1966—General Lawrie, Commanding General of the 82nd Airborne Division, Fort Bragg, to be the guest speaker. Probably one of the greatest community services provided by

the Chamber was the opening of a license agency. The agency has been extremely successful and net profit from this agency is being directed toward Commission and Chamber administrative expenses. However, opening of the license agency necessitated moving of Commission and

Chamber offices to the ground floor of the Taylor building, which resulted in temporary increase of Commission expenses. This should level off by the second quarter of 1966.

Norlina Industries opened with a flourish and closed with a thud. The parent company was highly recommended by

the North Carolina Commerce and Industry Division, and the Dun & Bradstreet financial reports were in order. However, this is a classic example of the many pitfalls communities encounter in their attempt to provide jobs for the un-
