## Norlina Downs J. G. In Friday Night Game

Norlina downed visiting Warrenton last Friday night by the score of 13-6 in a hard-fought, cleanly played game that could have gone either way until the closing minutes of the last quarter when Norlina ran over its second touchdown, to make a tie the best that the Yellow Jackets could hope for.

Both teams were tense and committed a number of errors. John Graham was both with a backfield in motion that drew a lot of penalties, and Norlina had two 20-yard penalties for use of hands. Norlina was troubled with fumbleitis, making five fumbles during the game three of which were recovered by John Graham.

It was a fairly close game, with the difference that Norlina on two or more occasions moved the ball when it had to and held on several occasions when it had to. That was the real difference in the play.

John Graham was playing without the services of his first string quarterback, Shearin, and Ashley Davis playing in his stead was brought down several times for losses when the John Graham line failed to hold against the hard charging Norlina line.

The first quarter was a scoreless affair, with Norlina making its first touchdown in the second quarter as Draffin carried over on a double-

reverse, following a 30-yard sprint on the previous play. Quarterback Lew Hege, on a faked kick, passed to James Hicks in the end zone for the extra point and the half ended with Norlina leading 7-0.

John Graham scored its touchdown in the final quarter as House carried into the end zone. The try for extra point failed.

Twice John Graham marched close to the goal line but was unable to carry the ball over.

Norlina got its second score in the closing minutes of the second quarter when Draffin carried the pigskin over. The kick for the extra point was blocked.

Draffin was voted the outstanding offensive player for Norlina and Sterling Quick was voted the outstanding defensive player for the host team.

Lyles and House were outstanding for John Graham. John Graham will be idle Friday night. The game announced during the half at Norlina between Cary and John Graham will not be played, due to a change in plans.

Norlina will play Littleton, which downed Gaston last Friday night, tonight (Friday) on the Norlina field. It will be Homecoming Night at Norlina.

## Salmon Named Town Police Chief

Howard H. Salmon, who has been serving as acting Chief of Police here since Sept. 6, was on Monday night appointed Chief of Police. His salary will be \$375 per month.

Salmon was made acting Chief when Chief of Police R. D. Chewning was granted a leave of absence due to the condition of his health. Monday night the commissioners appointed Chewning as police officer at a salary of \$250

per month. The commissioners held that the sidewalks of Warrenton are in a reasonable state of repair and refused to assume responsibility for injuries recently sustained by Mrs. Marie Block of Rt. 2, Warrenton, in a fall here. Mrs. Block appeared before the commissioners, blaming the condition of the sidewalk for her fall, and asking the commissioners for damages.

Requests of Mrs. Barbara Powell and Len Simes for permission to operate taxicabs in Warrenton were denied on the grounds that necessity and convenience of the public justifies no additional taxicabs in the town. The requests were transmitted to the board by Commissioner A. A. Wood, chairman of the taxicab committee.

Delay in repairing a telephone of W. B. Neal, superintendent of the Water Company, resulted in the board requesting that Water Committee Chairman Dixon Ward write to Carolina Telephone and Telegraph Company protesting the delay.

Mayor Miles was requested to write to the local manager of the telephone company at Henderson relative to delay in placing long distance calls and failure to restore telephone services promptly after an interruption.

The board authorized the payment of \$1,000 to Butte Development Company on the water line to Carolina Sportswear Co., out of funds budgeted for contingencies.

Adjustments in water bills due to hidden leaks were authorized for J. & R. Supermarket in the amount of \$18.50 (See SALMON, page 2)

Allocation of federal funds for the building of a lunchroom at the Vaughan Elementary school have been approved and work is expected to start on the project in about 60 days, J. Roger Peeler, Superintendent of Warren School, told members of the Board of Education at their regular meeting here Monday night.

Peeler said that he was notified on Oct. 5 by Joseph M. Johnston, Director of Title I of the Elementary School Elementary Act, that \$131,357.58 had been approved for the construction of the Vaughan school lunchroom.

Peeler said that this allocation is to cover the cost of both the lunchroom, which will be used as a multi-purpose room, and its equipment and furnishing. Equipment is to cost around \$20,000. After the paying of an architect's fee, slightly more than \$100,000 will be available for the construction of the lunchroom.

The building of the lunchroom has been under study for several years by the Board of Education, but it has been held up by lack of funds. The board has been in negotiation with the Federal Government for several months in an effort to obtain federal funds.
