WARRENTON, COUNTY OF WARREN, N. C.

FRIDAY, NOVEMBER 4, 1966

NUMBER 42

CITIZENS BANK DRIVE-IN BRANCH ON NORLINA ROAD

Citizens Bank Drive-In Branch To Open Wednesday On Norlina Road; Open House

The Northwest Drive-In Branch of Citizens Bank of Warrenton will open for business on next Wed., Nov. 9, at 10 a. m., Pett B. Boyd, president, announced yesterday.

The new branch will hold open house on Wednesday night from 7:30 to 9:30 o'clock.

Nat B. Weldon, assistant cashier, and Mrs. Grace Miles will be in charge of the branch which will offer a complete banking service, including checking accounts, savings accounts, various types of loans and will engage in the

sale of Savings Bonds. It will have a night depository.

Located on the Warrenton-Norlina Highway near the Warren General Hospital and Carolina Sportswear Factory, the new branch will be housed in a 34x36 two-story brick building of Colonial Style, which will be air conditioned and centrally heated. It will have one drive-up window and ample parking space. Funds will be protected by a day and night burglary alarm system.

John G. Mitchell, chairman of the board of Citizens Bank,

said yesterday that he feels that the new branch will offer a real service and convenience to people of the area, as the bank is conveniently located in a growing area near the hospital, the Sportswear Factory, the Health and Welfare Department, the office of the Superintendent of Schools, and a number of other business firms. We feel, Mitchell said, that the new branch will give us two convenient locations,

and will help solve a parking problem for the downtown bank.

The Citizens Bank observed its 60th anniversary last January, having opened for business on Jan. 2, 1906. Officers are John G. Mitchell, chairman of the board; P. B. Boyd, president; J. Howard Daniel, vice president; Claude T. Weldon, cashier; and Nat B. Weldon, assistant cashier.

FHA Office Moved To Taylor Building

The office of the Farmers Home Administration has been moved from the county agricultural building to the Taylor Building on Main Street.

James Elam, director, and Mrs. Louise King, clerk, will occupy the office in the Taylor Building formerly occupied by the Carolina Telephone and Telegraph Company.

The former FHA office in the agricultural building will be occupied by non-white Extension Agents under a federal directive integrating white

and colored extension agents.

Frank W. Reams, Extension Chairman, said yesterday that the Extension personnel now in the Citizens Building on Franklin Street would move to the agricultural building on the courthouse square as soon as renovation of the building can be completed.

He said that arrangement of offices for Extension personnel will probably be definitely determined following a meeting with the Board of County Commissioners Monday.

Light Vote Is Expected In Tuesday's Election; Few Names Are Added

Warren County citizens will cast a light vote in the General Election to be held next Tuesday, November 8, Wiley G. Coleman, chairman of the County Board of Elections, predicted yesterday.

Coleman said that few new names have been added to the registration books during the past three Saturdays, and little interest has been shown in the election.

There are no Republican candidates for offices in the county, although voters will be given an opportunity to express their preference between Republican and Democratic candidates for State and Federal officials.

Chief interest in the election will center in the race in the Second Congressional District where incumbent L. H. Fountain is being opposed

by Republican Reece B. Gardner. Predictions are that Fountain will win handily in both the county and the district.

In addition to Rep. Fountain and Reece Gardner, other candidates with opposition include: U. S. Senator B. Everett Jordan, incumbent, who is opposed by John S. Shallcross; and Joseph Branch of Enfield, a recent appointee to the State Supreme Court by Governor Moore, who is opposed by Republican Hugh E. Monteith.

While the vote in Warren County is expected to be light a large number of candidates are on the ballots, most of whom are seeking confirmation of their primary victories.

Other candidates on the bal-

New Scouting District Formed For Warren

A new Scouting district for Warren County has been formed and will be known as the Moratoc District.

A group of men interested in the movement met in Warrenton on Thursday of last week to organize the new district, following a recent announcement that the Vancowarco district would be split.

At the organizational meeting W. K. (Bill) Delbridge was elected district chairman; Scott Gardner, vice-chairman, and Dr. S. H. Massey, district scout commissioner. It was agreed that the new district should be named consistent with other districts which were Indian. Delbridge said although there were many tribes in Warren County, Moratoc was common to all and this was the reason for selecting Moratoc as the name for the Warren district.

Delbridge said that as of January 1, 1966, Warren County will become an independent Scouting district. In the past, scouting in the county has been a part of several

counties with one scout executive and most recently the Vanwarco District made up of Warren and Vance County. He said that with the growth in the number of available scouting age in Vance, it was felt that Vance County merited a full time scout executive.

Laymen in scouting in Warren County, Delbridge added, felt it would be in the best interest of scouting if Warren County also became a separate district.

"In accepting the responsibilities as chairman of the new district, one of my goals will be to bring scouting to every available boy desiring it," Delbridge said. "Scouting, to the best of my knowledge, is the only media in which God, Country, and Flag can be stressed and encouraged without being restricted."

Delbridge said that there are several other chairmanships to be filled and the ones having accepted these chairmanships reflect many active years in the Boy Scout movement.

In Recorder's Court

Defendant Ordered To Serve Week In Jail

A defendant in Warren County Recorder's Court was sentenced to one week in jail. James Harrison was told that he must spend a week in jail when he pled guilty to a charge of operating a motor vehicle without a valid operator's license.

Only seven cases were tried in the brief session of court and five of these were concerned with violations of the motor vehicle laws.

Ervin Green Fields pled guilty to a charge of theft and was sentenced to the roads for 90 days. The sentence was suspended for two years and the defendant was placed on probation. A condition of the probation was that he pay a

\$25 fine and court costs.

Carlton Lee Norwood was ordered to pay a \$25 fine and court costs when he pled guilty to a charge of reckless driving.

Fred H. Powell pled guilty to a charge of non-support. The court ruled that it being found as a fact that the defendant has caught up his arrearage and support of his minor children by Linda Powell, that he must pay court costs.

Three defendants pled guilty to charges of speeding. John Tyler and Herbert Devaine Solons each were ordered to pay court costs. James Ashley Sykes was ordered to pay a \$10 fine and court costs.

Change Made In Plan

City Delivery Of Mail To Begin Here Nov. 15

The Town of Warrenton will have door-to-door delivery of mail, starting on Nov. 15.

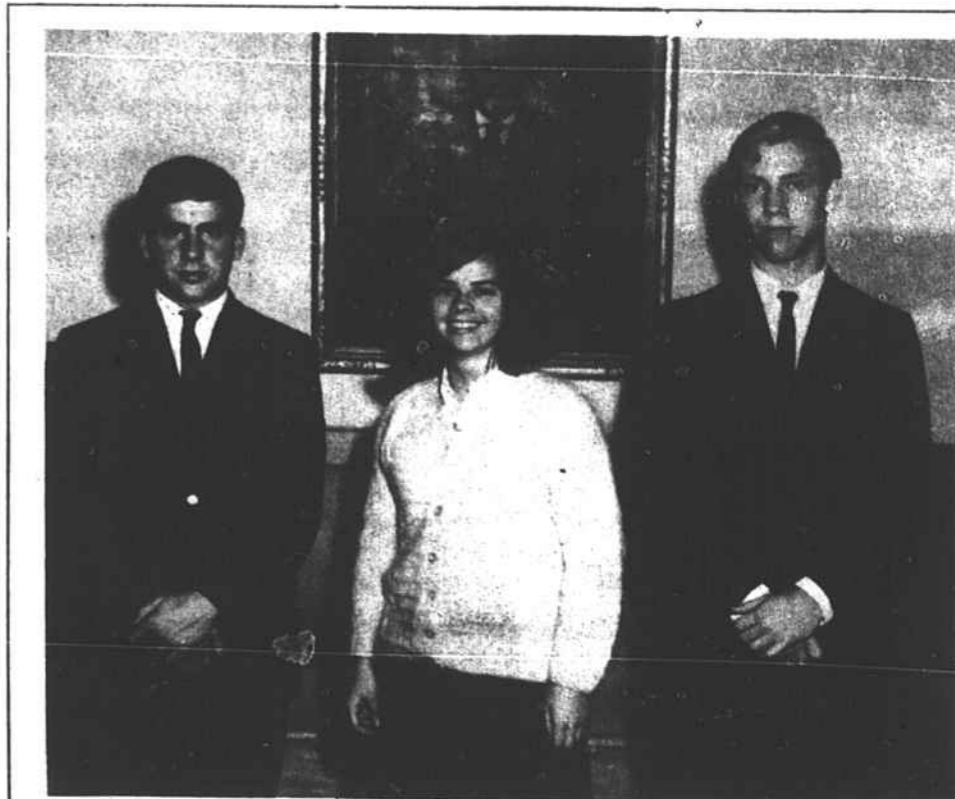

The office of Rep. L. H. Fountain announced Wednesday that the Post Office Department has agreed to make door-to-door delivery from the Warrenton Postoffice.

In September the Post Office Department announced that mail delivery for Warrenton would be on a curb delivery basis only. Rep. Fountain's office rejected this proposal and has been insisting that deliveries to the business section and to the main residential sections of the town be on a door-to-door basis.

While the main residential sections and the business sections of the town will be served on a door-to-door delivery basis, it is probable that some of the outlying areas will be served on a curb delivery basis by a mounted carrier.

This new service will affect some 650 families in Warrenton and outlying areas.

Mrs. Timothy Thompson, acting postmaster of the Warrenton office said yesterday that the new service to be provided to Warrenton residents would be responsible for the addition of two or more employees at the local office.

Bob Rodwell, right, new State Vice President of the Future Teachers of America, is shown standing with Larry Shearin, president of the local FTA Chapter, and Miss Ann Duncan, who placed Rodwell's name in nomination at the State Convention in Salisbury Saturday.

UNICEF Drive Is Termed A Success

The county-wide UNICEF drive, conducted by the Warco Subdistrict MYF Sunday night, turned out to be a very successful one, Larry Shearin, president, said yesterday.

Shearin said that collections in the county by local MYF groups, in coordination with Baptist and Episcopal youth groups, totaled several hundred dollars. He said that participants in this drive would like to thank the people of Warren County for their generous contributions.

Shearin also said that the Warco Subdistrict MYF would like to express its appreciation to many persons who attended the Hallowe'en carnival at the Warrenton Armory Monday night, and especially to the merchants and other people around the county for helping this project to be a success.

John Graham Student Is Named State FTA Officer

Bob Rodwell, son of Mr. and Mrs. C. R. Rodwell of Warrenton, has been elected a state officer in the North Carolina Future Teachers of America.

Rodwell, a member of the John Graham High School Chapter of the Future Teachers of America, was elected State vice-president of the FTA Saturday at a meeting held on the campus of Catawba College in Salisbury. He won out over several candidates from larger schools.

Ann Duncan, a John Graham High School Junior, gave a nominating speech before a crowd of some 1,000 delegates from North Carolina FTA Clubs.

A Junior at John Graham, Rodwell is an active member

of the John Graham FTA, Beta Club, French Club, Pep Club and Student Council, of which he is treasurer.

Robbins To Preach

Dr. C. W. Robbins, President of Lousburg College and former minister of Wesley Memorial Methodist Church, will preach at Wesley Memorial on Sunday Nov. 6 at the eleven o'clock service.

Games Tonight

John Graham Yellow Jacks will play Littleton here tonight. Norlina's Blue Wave will play at Murfreesboro.

Dr. Harrison Urges Parents To Have Children Vaccinated

Dr. Lloyd H. Harrison, acting health director, this week urged parents to have their children vaccinated against measles. He said that the Warren County Health Department has measles vaccine available for children ages one through six years.

Dr. Harrison said that this type of measles (not to be confused with three-day German measles) lasts about ten days or two weeks. Its symptoms appear about ten days after exposure, and is characterized by red, watery eyes, sore throat and cough, and a fever of 103 to 104 degrees and is often followed by serious complications.

Immunization clinics are held each Tuesday from 8 a. m. to 4 p. m. at the Warren County Health Center. Dr. Harrison urges parents of children in this age group who have not had this type of measles to contact their family doctor or to take their children to the immunization clinic.

Little Deborah Faye Gupton, 5, is shown being paid off for her labors on Saturday morning in the lobby of the Citizens Bank by her grandfather, Wayland Gupton of Louisburg, N. C. The grandfather promised the little girl money for all the tobacco she could tie from picked over damaged tobacco.

She tied 56 lbs. for which she received \$30.00. Little Deborah Faye is the daughter of Mr. and Mrs. Joseph Gupton of Rt. 2, Louisburg. Her mother is the former Eula Paschall, daughter of Mr. and Mrs. Millard Paschall of Drewry.

Hallowe'en Carnival To Be Held Tonight

All late goblins and witches will have another chance at fun and entertainment tonight, Friday, at the John R. Hawkins High School Gymnasium, Mrs. E. M. Clayton announced yesterday.

She said that young and old are invited to be guests of the Cubs and Boy Scouts of Pack 133, with all proceeds being donated to the Boy Scout campaign.

Mrs. Clayton asks that those attending wear their costumes because a prize will be given for the funniest one. She said that refreshments will be sold and the best of the mother's bakery will be auctioned.

BANKS TO CLOSE

The Citizens Bank of Warrenton and The Peoples Bank and Trust Company of Norlina will be closed on Friday, Nov. 11, in observance of Veteran's Day.
