Basketball play will be | the Henderson Girls Varsity. The following night both the Boys and Girls Varsities will play at Louisburg in a nonconference game.

Both the boys and girls teams, which had perhaps their worst season last year, with the boys winning two and the girls three games in an 18-game schedule, will have new coaches this year, and

considerable new personnel. The girls team as well as the girls junior varsity will be coached by Wayne Plaster, who majored in Physical Education at Atlantic Christian College, but whose major emphasis was on baseball. Plaster said Monday afternoon that he could not make any predictions as to the prospects for local teams as he is not familiar with the conference. He said that the girls have been practicing hard and will give a good account of

themselves. The boys varsity and junior varsity will be coached this year by Jon Burwell, who came back to the school this year after a two year's absence to take over the boys teams. Formerly he had coached the girls teams with

considerable success. Burwell would not make any predictions as to the prospects for the boys having a winning team, but said he feels certain that the record will be better than that of last year. He said that the principle emphasis will be on defense, which seems to have been a weakness last year, and in working to lay the foundation for teams in the future years. The 12man team as of now is composed of one senior, four juniors and seven sophomores, with about half the players from the football squad, who were unable to practice until (See BASKETBALL, page 4)

Blaylock Is President

Little League Football Organized At J. Graham

Little League Football will be played at John Graham High School this winter, it was determined at an organizational meeting of the Warren Little League Football Team held at the John Graham school on Monday night.

Dorman Blaylock was elected president; J. B. Thompson, vice president; and Eugene B. Rogers, secretary-treasurer.

Fred Hurst was chosen as chairman of the finance committee. Other members named are Burwell Powell, Peyton Rogers, Charlie Duncan and James Garrett. The meeting was called by

Jimmie Webb, John Graham High School Coach, who presided. He said that participating players would be from John Graham, Afton-Elberon and Macon schools.

Practice has already started, Webb said, with some 80 boys competing for places on the team. First games, Webb said, will probably be among the squads, but that he hoped to arrange about four games during the season with outside competition. The season will run until about the end of February and practice sessions will be held three afternoons a week.

Webb explained the purpose on organizing Little League Football here, and told of the value of such play to young people in the three schools. He said that it would teach the boys the value of team work and good sportsmanship, would build character and develop the boys physically. In addition it would, he said, tend to increase the calibre of varsity football at John Graham in future vears.

Approximately 24 of those present at the meeting said that they would each furnish a uniform for the players. Plans were discussed for contacting civic organizations and other interested citizens and business houses for donations for other uniforms.

No Vacant Stores On Main Street

With the expansion of Western Auto Store into the building formerly occupied by the Warren County ABC store last week, the last of the vacant stores on Main Street of Warrenton was occupied.

For the first time in several years there are no vacant stores on Main Street here. The one vacant store building in the town is located on a side street.

The majority of stores which had been vacant on Main Street were vacant because tenants had moved to new buildings where more parking room was available. These stores include A&P, Colonial, Boyd-Boyce Motor Company, and the Warren County ABC
