Warrenton All-Stars Lose In State Playoffs

By HOWARD OAKLEY Randleman, champions of District II, out-classed the Warrenton All Stars by 12 to 1 in the semi-finals of the State Championship Tournament at Winston-Salem last Thursday. Randleman went on to beat Rutherfordton the following night 10 to 3 to win the State Championship for the Senior Division of the Little League and advance in tournament play to Division level.

Warrenton, by reason of the loss, ranks third in the State which is real good when you consider this is their first venture in tournament play. (Other games, page 4) Although Warrenton scored first in their half of the first inning and put Randleman down one, two, three in their half of the inning, our boys were tense and could never get loosened up during the remainder of the game.

Randleman scored in their half of the second when their first batter uplifted one over the left field fence. They scored three in the third on two walks and a home run over the right field fence by Meredith their third baseman. They had their big inning in the fourth when they scored six runs and a triple, two doubles, two singles, a walk and three errors by the Warrenton boys. Their final scores came in the fifth on a walk, a single

and two more errors by Warrenton. Durwood Wright, the first man up for Warrenton in the first inning, got a hit and stole second on the next pitch, went to third on Lynch's infield out, and scored when a low pitch got by the Randleman catcher.

Steve White got the only other hits of the Randleman pitcher, one in the second and another in the fourth, but our boys were unable to push him across for a score. The only other Warrenton men to reach base were on two walks by the Randleman pitcher, but like White they were left stranded. Our boys did well when you consider they were playing a team from an area that has been in Little League play for the past eight years. During the last six of which they have advanced four times to Region level and once have played in the World Series.

This was Warrenton's first venture in tournament play and everyone from here who saw the games were well pleased with their performance and proud of the fight they put up. They played well under pressure, went down fighting, and showed fine sportsmanship when they rushed from their dug-out at the end of the game to congratulate the victorious Randleman players.

There were 120 fans in attendance for the game. The game was played at 7:00 p. m. on Thursday, August 3, at the Little League stadium in Winston-Salem, N. C. The game was a doubleheader. The first game was won by Randleman 12 to 1. The second game was won by Randleman 10 to 3.
