**JANE PARKER  
WHITE BREAD ISN'T  
THE BEST SELLING  
IN THE U.S.A.**

**KNOW WHY?**

Because it's not for sale in most stores.  
Only A&P.

And so, it's only  
one of the ten best-selling breads in the U.S.A.

But what a "ten-bester" Jane Parker White Bread is!  
It's the one that's dated on the wrapper  
so you can see it's fresh.

It's the one with quality that  
equals or surpasses the others in the top ten.

It's the one with so good  
it's guaranteed to please your family  
—unconditionally guaranteed.

It's the one that, chances are, sells for a lot less  
than all the others in the top ten.

And remember, it's the one that's sold only at A&P.

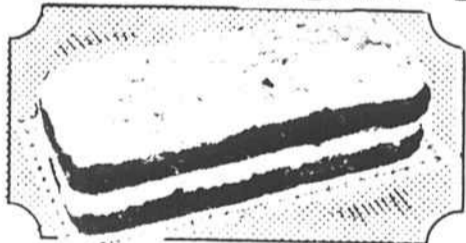

When you think about it, shouldn't A&P be your store?
