Morris, Extension Poultry Specialist and Specialist in Charge of the Egg Cookery Demonstration. Miss Emily Ballinger, Warren County Home Economics Extension Agent, is on the left.

Warren Girls Winners In State Contest

By EMILY BALLINGER

Two Warren County 4-H club members were declared state winners in 4-H demonstration contests last week at State 4-H Club Week held on N. C. State University Campus, Raleigh.

Laura Bender was winner in Egg Cookery demonstration and Arlene Bender was winner in Girl's Electric demonstration competition. Laura and Arlene are daughters of Mr. and Mrs. William H. Bender and are members of the Afton-Elberon-Vickstoro Community 4-H Club. Earlier in the summer, they had been declared district winners with their demonstrations and won expense paid trips to Club Week.

As a state winner, Laura received a \$50.00 U. S. Savings Bond given by the North Carolina Egg Marketing Association and Arlene received a piece of luggage given by the Tar Heel Electric Membership Association.

The demonstration that won Laura first place was "Lemon Chess at It's Best." In giving the demonstration, she discussed the nutritive value of eggs, care of eggs and proper cooking of eggs along with making a Lemon Chess pie.

Arlene's demonstration "It's Magic" pointed out the magic of electricity and the electric blender. She demonstrated the use of the blender in making bread crumbs, powdered

sugar from granulated sugar, chipping cabbage for slaw and making a strawberry pie.

The state winners, agents, leaders, extension specialists in charge of 4-H demonstration programs and representatives of the donors of the 4-H awards attended a special recognition banquet on Thursday night at College Union on N. C. State University Campus. Mr. and Mrs. Bender, 4-H Leaders, attended this event with their daughters. Mrs. William T. Skinner, III, a previously announced State Alumni Recognition winner, also attended the banquet along with Miss Emily Ballinger, Home Economics Extension Agent.

Linda Holtzmann a previously announced district winner in Early Teen Dairy Foods demonstration, competed in the State Dairy Foods demonstration contest last week and represented Warren County and the East Central District well in this competition with her demonstration "Let's Crown Milk King of All Foods." In her demonstration, Linda made a dessert, Strawberry Jubilee, in which she used milk, cream, pudding mix and strawberries. As district winner, Linda won an expense paid trip to State 4-H Club Week. The donor of this trip was the American Dairy Association of North Carolina. Linda is the daughter of Mr. and Mrs. Richard Holtzmann and a member of the Ridgeway Community 4-H Club.

During the 4-H Club Week activities, Delaine Meek, daughter of Mr. and Mrs. A. L. Meek and a member of the Wise Paschall Community 4-H Club and a Key Award recipient attended a special Key Award Banquet given by the Cities Service Oil Company, sponsor of the Key Award Program.

Sidney Fleming, Jr., Warren County Health King and district blue ribbon winner in Health Improvement, and Valerie Fleming, Warren County Health Queen, participated in the State Health Pageant presented on Tuesday evening.

Another honor coming Warren County's way in relation to State 4-H Club Week was the invitation for a group of girls from the Norlina and Ridgeway area who had won a blue ribbon in district competition in their dance routine. (See **CONTEST**, page 4)

White Man Sentenced To Roads

A Warren County white man was sentenced to the roads for 18 months when he was found guilty last Friday in Warren County Recorder's Court of an assault with a deadly weapon. Henry E. Robertson, charged with striking Willie Moseley with a thrown soft drink bottle in his right side causing serious bodily injury, through his attorneys Clayton and Ballance, pled not guilty. The bottle was allegedly thrown at the home of Moseley on July 20. Robertson gave notice of appeal to Superior Court and appearance bond was set at \$250.

Three defendants, Garland Rainey, William Woodard and James Privette, were each charged with larceny. Each was found not guilty. Clarence Plummer Williams was sentenced to the roads for 60 days after he was found guilty of drunk driving and having no operator's license. The sentence was suspended for two years provided the defendant does not operate a motor vehicle upon the highways of North Carolina for one year and pays a \$125 fine and court costs.

William Justis Alston was ordered to pay a fine of \$100 and court costs when he pled guilty to a charge of drunk driving. Osborne Vernard Palmer pled guilty to having no operator's license. He was ordered to pay a \$25 fine and court costs.

James Otis Perry was ordered to pay a \$25 fine and court costs when he pled guilty to a charge of reckless driving.

Larry Arnold Richardson pled guilty to charges of having no operator's license and to improper passing. He was ordered to pay a \$25 fine and court costs.

James P. Somerville was ordered to pay a \$100 fine and court costs when he pled guilty to a charge of drunk driving.

McHopkins Henderson pled guilty to a charge of drunk driving and was ordered to pay a \$100 fine and court costs.

Milton Lee Moore was ordered to pay a \$25 fine and court costs when he was found guilty of reckless driving. The defendant noted an appeal to Superior Court. Appearance bond was set at \$100.00.

James Campbell, charged with drunk driving and having no operator's license, entered a plea of guilty of having no operator's license but not guilty to the drunk driving charge. The court ruled that he was guilty of both charges and ordered him to pay a \$125 fine and court costs.

In a second case James Campbell was found guilty of assault and sentenced to the roads for six months. He gave notice of appeal to Superior Court and appearance bond was set at \$200.

James Alfred Fields was ordered to pay a \$100 fine and court costs when he was found guilty of drunk driving.

Willie James Hicks failed to appear in court to answer to a charge of speeding. A capias was issued to the Sheriff of Cabarrus County.

Robert Leonard West was found guilty of an assault on a female. Prayer for judgment was continued for two years provided the defendant not violate any of the criminal laws of the state for two years and pays court costs.

Harry Bennie Harrison, who entered a plea of nolo contendere to a speeding charge, was sentenced to the roads for 60 days. He gave notice of appeal and appearance bond was set at \$100.

James Richard Jenkins was sentenced to the roads for 60 days when he was found guilty of speeding and passing in a no passing zone. He gave notice of appeal and appearance bond was set at \$250.

The state took a nol pros with leave in the case of Edgar Wayne Wilson, charged with speeding.

Defendants in other speeding cases and verdicts of the court were as follows:

Kermit Cameron Copley, costs; Arthur William Hoover, costs; Lewis Cooper Lawrence, costs; Caille D. Lytle, costs; James Thomas Arrington, costs; Harold Lloyd Spruill, costs.

Total School Integration Is Ordered For Warren County

Drafts Totalling More Than \$177,400 Are Mailed To Warren County Farmers

Drafts amounting to over \$177,400 have been mailed to producers participating in the 1968 Cotton and Feed Grain-Wheat programs in Warren County, Tom Watson, ASCS office manager, announced yesterday. He said these payments cover both diversion

and price support final payments.

In Warren County 1440 farms are participating in the 1968 cotton program; 880 are participating in the feed grain program, and 355 in the wheat program.

About 2100 drafts have been received in the county office from New Orleans. Watson said that this represents about one-half of the farms that are participating in all the programs in the county. He said all drafts will be mailed just as soon as possible after they are received

from the data processing center in New Orleans.

Watson stated that these payments are a definite part of the farmer's income from cotton, feed grain and wheat. He said that the ASCS office realizes that farmers need money to defray expenses of this year's crop and will make all payments as soon as possible. He said it will not be necessary for farmers to visit or call the county office because every effort will be made to get these drafts to the producers as soon as they are received.

Freedom Of Choice Inadequate

Warren County schools must be fully integrated by the 1969-70 school year, Judge A'geron Butler ruled in Federal Court at Clinton last Wednesday after hearing evidence in the case of Turner vs. the Warren County Board of Education. Judge Butler said that freedom of choice had proven inadequate in Warren County.

Present at the meeting were Supt. J. Roger Peeler and members of the school board. The county was represented by school board attorney Frank B. Banzet.

Judge Butler ordered that a plan for total integration of Warren County schools by the 1969-70 school year be prepared and submitted to him on or before Aug. 5. He ordered that the plan include some further steps towards integration for the 1968-69 session.

Members of the Board of Education met on last Thursday night and were scheduled to meet again tonight (Thursday) to try to work out some plan to meet with the court's requirements.

Little League Is Downed By Pope AFB In District Playoff

By HOWARD OAKLEY
Last Wednesday in All Star Tournament play at Tarboro, Warren County bowed to the team from Pope Air Force Base by a score of 6 to 2.

It was another one of those games where the breaks decided the winner. Greg Williams pitched the entire game and allowed only seven hits, but one of these was the home run in the fifth with two men on base.

The Warren County boys garnered six hits, two of them by Eddie King, our catcher, and scored twice. They had men on base in all but one inning but could not advance them for a score.

After the games on Wednesday, the host club, Tarboro, gave a banquet in the armory for all eight participating teams. Needless to say the boys enjoyed the Bar-b-cue and fried chicken. They spent the night at the armory and returned home on Thursday.

Both Coach William Thompson and Manager Larry Hayes said, "We were pleased and proud of our boys. They played well, and on a couple of occasions recovered from what at first looked like costly miscues, and came up with sterling plays."

The leading hitters in the league were all on the All Star Team. Those who hit .300 or better are as follows: Jack Thompson (Braves) .470, Eddie King (Indians) .460, Willie Coleman (Dodgers) .373, Andy Garrett (Yankees) .354, Waverly Thompson (Braves) .325.

Churches Join For Worship In August

Warrenton Baptist Church and Wesley Memorial Methodist Church will hold joint services during the month of August.

The first two Sunday services will be held at Wesley Memorial with the Rev. L. T. Wilson as minister. The last two Sundays the congregation will worship at the Baptist church.

JOB CORPS GRADUATE

Solicitor, Vance County Recorder's Court, 1953 - 1960. Member: Vance County, North Carolina and American Bar Associations; The North Carolina State Bar.

Mr. and Mrs. David Scott and daughter, Lynn, of Boone, spent Sunday night and Monday with Mr. and Mrs. R. D. Scott.

Warrenton Water Co. Profits Reduce Taxes

Net profits from the Warrenton Water Company are nearly three times the amount received by the Town of Warrenton for both property taxes and polls, it was revealed in the 1968-69 budget recently formally adopted by the Board of Town Commissioners.

Profits from the Water Company are sufficient to retire bonds for the town's new water tank without any increase in the tax rate. As a result, in spite of an \$18,000 decrease in property valuation, the tax rate for the 1968-69 fiscal year remains at \$1.15, the same rate that has been in effect for many years.

The budget calls for a total expenditure of \$109,565, of which \$59,000 is expected to come from water sales, sewer service charge and water taps. The total from property taxes and polls is anticipated to be \$11,716.00, 8.2 per cent of the total cost of operating the town's affairs.

Another large source of revenue is from parking meters. It is estimated that the town will receive \$5,000 from this

source. Beer and wine taxes are expected to bring in \$1,100, and ABC store profits, \$2,000. A number of other revenue sources of under \$1,000, plus an appropriated surplus of \$25,699 make up the difference between total expenditures, property and poll taxes and profits from the Water Company.

Estimated profits from water sales are \$50,000; from sewer service charge \$9,000, and from water taps 500, making up the total Water Company revenues of \$59,500.

Estimated expenditures for the water department is \$28,400; leaving a net profit of \$31,100.

Other estimated expenditures for the operations of the town, allocated in the general funds, are: General and administrative, \$19,350; Civil Defense \$350; Street Department, \$22,675; Police Department, \$28,710; Fire Department, \$5,080; contingency and emergency, \$5,000.

The bond fund calls for \$14,000 in principal and \$6,872.50 in interest on bonds.

Local Draft Board Mails Questionnaires

The Warren County Draft Board began mailing Selective Service Questionnaires to registrants classified in Class I-Y last week. Fred Hurst, Secretary, announced yesterday. He said questionnaires are being mailed as rapidly as possible and the board requests each registrant to complete and return them promptly.

Hurst said that men are still required to report to the Selective Service Office for registration upon their 18th birthdays.

VISITING HERE

Mrs. Elizabeth Wagner Palmer and daughter, Mary Danylu, and young friend, Jeannie McDowell, of St. Petersburg, Fla., are visiting Mrs. Palmer's sisters, Mrs. Robert Scott and Mrs. Bignall Jones.

Tobacco Field Day Set At Reidsville

A tobacco field day will be held Friday, Aug 2, at the Upper Piedmont Research Station near Reidsville.

Farmers and others interested in the production of flue-cured tobacco have been invited to visit research plots and review progress of studies with scientists from North Carolina State University.

The program begins at 9 a. m. with remarks by station superintendent Howell O. Gentry, Jr. Seven stops are scheduled with the last one set for 11:25 a. m. The program is expected to end by noon.

Subjects to be covered include chemical weed killers for tobacco tests, varietal development, incorporation of weed killers into the soil, time of nitrogen application, and 2, 4-D study on tobacco.

David Worth, representing the North Carolina Growers' Association, is shown presenting Mr. L. E. ...
