Offices In Court House To Be **Closed Saturdays After March 29**

All offices, in the Warren | keeping their offices in the court County Court House will be closed on Saturdays, beginning the first .Saturday in April, with the exception of the office of the Sheriff's Department. Sheriff Clarence Davis said yesterday that he feels that the Sheriff's office is too close to the people to close on Saturday.

This was determined by the Board of County Commissioners in regular meeting here on Monday morning. The Clerk of Court's office began Saturday closing when its operation was taken over by the state in early December. The Veteran's Office, like other federal offices, had been closed on Saturdays for months, leaving only the offices of the Auditor, the Register of Deeds and Sheriff open on Saturdays.

All the offices in the Agricultural Building have been on Saturdays for closing months. It was stated that only ning Board for a five-year around five counties were still period, following the expira-

The board ordered that the commissioners sit as a Board. of Equalization and Review for three days, April 21, 22, 23, beginning at 10 a. m., each day. Persons with complaints concerning valuations placed on their property are asked to appear before the Board of Equalization on the days set aside for

this purpose. R. L. Tolbert and William Leach were re-appointed members of the Warren County Plan-

tion of their terms. Tolbert was re-appointed for five years from Nov. 1968, and Leach for five years from Nov. 1967.

J. H. Limer, submitted plans for additions at the Welfare Building on the hospital grounds. These plans are to be approved by the State Board of Welfare before bids will be advertised.

The commissioners ended their session at 12:30 p. m. when they went to the jail for dinner as guests of Jailer w. P. Pegram and Mrs. Pegram.

Schools To Collect **Discarded** Articles

A campaign to collect discarded materials through the

Warren County schools will begin today (Thursday) and continue through March 20, H. Brevard Brown, executive director of Goodwill Industries of the Research Triangle Area, Inc., announced yesterday.

The purpose of the program is to collect donations of usable and repairable clothing, shoes, toys, and small appliances for the Goodwill Industries. The discards make available vocational training and
