## Three Teenagers Jailed On Charges Of Break-In

Three teenagers were arrested within an hour after they had allegedly broken into John Dore's Service Station at Norlina shortly after 10 o'clock Tuesday night.

George Rawlings, 18, and John Earl Rawlings, 16, of Warrenton and Lawrence Jiggetts, 17, of near Norlina are being held in the Warren County jail on charges of breaking, entering and larceny.

The break-in at Dore's Service Station was discovered shortly after 10 p. m. by Norlina Night Officer Carlton Pridgen and Deputy Sheriff Bonnie Stevenson, who reported it to the Warrenton Police Station with a description of three toys who had been seen around the

station earlier in the night. The Rawlings brothers were picked up a short time later near the Warren General Hospital by Deputy Sheriff Dorsey Capps and Warrenton Police Officers Grady Haynes and Freddie Robinson.

Deputy Sheriff Bonnie Stevenson and Norlina Officer Carlton Pridgen arrested Jiggetts at the home of a neighbor on the Norlina Road a short time after the break-in. Entry into the Dore Service Station was made by breaking a back window. Stolen were watch bands, cigarettes, cigarette lighters and a small amount of money.

Lawrence Jiggetts and George Rawlings will also be (See TEENAGER, page 6)

Liz Kilgore, left, and Janet Harris stand with E. T. Odom at Odom's Flower Shop where the young ladies were preparing flowers for an Easter Sunrise Service sponsored by the Warrenton Junior Woman's Club.

## Warren Schools To Close Only One Day

Warren County schools will be closed Monday for the Easter holiday, it was announced yesterday at the office of the Superintendent of Schools.

A spokesman said that plans for a long Easter holiday had to be abandoned due to the late opening of schools last fall.

All Postoffices in the county will not be closed as the Government does not recognize Easter Monday as a legal holiday. However, the ASCS office will be closed this year in spite of it being a federal agency. T. E. Watson, executive secretary, said yesterday that the State ASCS Committee had recognized the day as a holiday and the office would be permitted to close on Easter Mon-

day for the first time since he has been connected with it.

Offices in the Warrenton County Court House will be closed, although census workers will be working in the grand jury room. The Agricultural Extension Offices will be closed.

Both the Citizens Bank of Warrenton and its branch on the Norlina Road and Peoples Bank and Trust Company of Norlina will be closed for the holiday.

With the announcement at press time Wednesday that both A. & P. and Colonial Stores would be closed Monday, it is expected that practically all business houses and stores of the town will be closed for the holiday.

## Lunch Prices To Be Upped 5¢ In Warren Schools

Beginning April 1, lunch prices in Warren County Schools will be raised 5¢, Mrs. Sue Skinner, school lunch room coordinator, announced yesterday.

The prices, which have been 15¢ for elementary children and 20¢ for high school students will now be 20¢ for elementary students and 25¢ for those in high school.

Mrs. Skinner said that due to the fact that so many families of Warren County school children depend on outdoor work for their income and so much work time is lost because of bad weather during February and March, prices had been lowered for these two months to help during this low income

period. It is felt at this time, she said, when weather conditions should be improving, the 5¢ raise should not work undue hardship.

Lunches served in Warren County schools meet the Type A lunch requirements of two ounces of protein, 3/4 cups of two or more vegetables and/or fruits, 1/2 pint milk, a serving of bread and one teaspoon of butter or oleomargarine, Mrs. Skinner said. Each school receives a reimbursement rate of 20¢ per lunch from the U. S. Department of Agriculture. In addition, the U. S. Department of Agriculture provides numerous foods for distribution in schools through the Commodity Distribution Program.

He has also served as the Chairman of the Vance County Democratic Executive Committee for two years.

In announcing his candidacy for the State Legislature, Rogers states that he favors economy in state government spending, that he is concerned about the growing drug problem in the State of North Carolina and would support stringent laws to stop profiteering in this area, that he is in favor of enacting legislation to protect our environment and prevent further pollution of our environment and in areas where pollution is a problem he would support government action to eradicate this.

ROGERS

Mr. Rogers further states that he is aware that the tobacco farmers in this area are facing a problem regarding the many proposed onslaught against the use of tobacco and the marketing of this product by the federal government and would support any reasonable legislation to aid the tobacco farmer in solving these problems.

Rogers is married to the former Nancy Bell of Henderson and they have four children.

This was assured last Friday when William T. Skinner of Littleton announced that he would oppose Amos L. Capps for commissioner and paid his filing fee.

Henry M. Myrick made it a three-way race for the seat now held by John Wilson of Manson when he paid his filing fee prior to the close of the filing date at noon last Friday. Clyde R. Edwards of Norlina has previously filed for this position.

The winner of this race will have opposition in the General Election next fall as John J. Hawkins of Warrenton has announced his candidacy for county commissioner on the Republican ticket. He is without opposition in the Primary.

The filing deadline passed without opposition for three candidates who will enter the Primary unopposed. They are Mrs. Lanie Hayes, Clerk of Court; Clarence A. Davis, Sheriff; and Bobby Blaylock, Coroner.
