# Students Are Invited To Attend Open House

By L. B. HARDAGE **Extension Chairman** 

Warren County high school students, especially juniors and seniors, are being invited to attend the annual Open House program, Saturday, October 10, at North Carolina State University in Raleigh.

The Open House is sponsored by the University's School of Agriculture and Life Sciences and School of Forest Re-

Open House is held for career minded high school students, their parents, teachers and career advisors. Also invited are other adults who are interested in finding out more about the statewide activities of N. C. State through its' research and extension programs.

Special exhibits will be open to the public beginning at 11:30 a. m. in Reynolds Coliseum. will show the many phases of agriculture, life sciences, and forestry available to students at N. C. State. Faculty members and students will be on hand to discuss career opportunities, curriculums, admission requirements and campus life activities. The exhibits will remain open

until 3 p. m. Time will also be provided for visitors to tour various departments of the two schools. A dutch lunch will be provided by the State Poultry Science Club.

The day's program will end with the State vs. East Carolina football game Saturday night at 7:30 p. m. in Carter Stadium. Tickets for the game will be available at a reduced price for Open House visitors.

#### National 4-H Week Is Set For Oct. 4-10

North Carolina's 75,000 4-H members and their adult leaders will join forces Oct. 4-10 - and have placed a birdfeeder with some four million youth in 50 states and Puerto Rico tocelebrate National 4-H Week.

The theme of the special observance is "We Care", according to Dr. Chester Black, state 4-H leader at North Carolina State University.

"The theme indicates that 4-H members are concerned about the problems of their community and country, and that they are involved in helping combat poverty, malnutrition and the pollution of our environment," Dr. Black said.

# Warren Academy News

By CATHERINE BLANKENSHIP

School has begun again and everyone at Warren Academy has finally gotten back into the swing of things. Mr. Fleming announces that there are 232 students enrolled at Warren Academy for the 1970-71 school year. A ninth grade has been added this year and a room has been built to accomodate the seventh grade.

The first grade teacher, Mrs. Traylor, reports that her class has been learning color and number words and that one of the reading groups has started their first reading book. Their classroom has been decorated by the class with autumn leaves to give it a seasonal effect.

Mrs. Abbott says that her second grade has been studying animals in science. The students have brought insects to study, have set up an aquarium,

The state 4-H leader said each Tar Heel county is planning activities during National 4-H Week to:

-Report the year's accomplishments toward the betterof their communities. -Consider future needs and

plans for next year. -Encourage more youth, ages 9 to 19, to take advantage of 4-H opportunities. -Urge more men and wo-

men to volunteer as 4-H lead--Recognize important contributions of parents to 4-H and influence their continued

cooperation.

-Acknowledge the support of 4-H friends and express appreciation to them.

The 4-H program is part of the national educational system of the Cooperative Extension Service. Tar Heel 4-H members receive training through programs conducted by N. C. State University and the N. C. Agricultural Extension Service through programs conducted by N. C. State University and the N. C. Agricultural Extension Service through county agricultural and home economics agents.

The Record Printing Co., Supplies, Sheriff's Office . . ..

outside their window to watch these animals. In Math they are learning all about sets and subsets and have added many new words to their Math vocabulary.

The third grade in Mrs. Fleming's room have plunged into their studies and are looking forward to a good school year. They have decorated the hall outside their room with pictures of various species of fish that they are studying in

a fourth grade got off to a start last week by elect-.ass officers. Mrs. Troutall says that her pupils are learning new things very well and that a promising year lies ahead.

Mrs. Brown's fifth grade has elected class officers. They are studying many things, but as science has become a favorite subject, they have acquired a fish aquarium to aid them in their studies.

The sixth grade has decorated their room with colorful pictures and have drawn a time line. At the present time they are studying the Middle East and Mrs. King asked them to listen to news reports to bring in any extra information for discus-

The students in Mrs. Hundley's seventh grade are very excited about being the first occupants of the new building. They have elected their officers and have gained seven new students since last year.

There are 29 students in Mr. Davis' eighth grade and they have just finished achievement tests. At the end of the year they will be tested again to show the progress they have made. In science they recently started studying the stars and the students find it very interesting.

Mrs. Jones' ninth graders have many new subjects this year such as Algebra and French I and are getting along very well. In English they are learning the importance of good composition and writing and are putting it to use.

All of the students and teachers are looking forward to a good year at Warren Academy.
