Julian Farrar (left) is shown presenting Rev. and Mrs. Millard Warren with a mantel clock given to them by the Norlina Methodist Church.

## Minister And Wife Honored

Sunday, May 2, was celebrated as Millard Warren Day at the Norlina United Methodist Church. The Rev. and Mrs. Warren have announced their retirement from active pastoral leadership at the end of the conference year in June.

A special morning worship service was held in their honor with Leigh Traylor, church lay leader, presiding. Dr. J. V. Early of Rockingham was guest minister and preached on important attributes of a minister emphasizing humility, integrity, personal example and ability for pastoral duties. He said that all of these Mrs. Warren has shown in his "five extraordinarily active and

productive years in Norlina and Warren County."

The Rev. Millard Warren, Jr., of Durham, gave the morning prayer and Graham Grissom the benediction.

Music chosen for the day were favorites of the Warren's with the anthem by the chancel choir being "God So Loved The World" and the solo by Mrs. Bob Traylor being "The Holy City."

Toward the close of the service Mary Lou Traylor, president of the UMYF gave Mr. Warren a silver cross. Mrs. Fred Newsom, president of the Women's Society, presented Mrs. Warren with a life membership in USCS. A

beautiful mantel clock was the church's gift to the Warrens. Julian Farrar, chairman of the council on ministries, made this presentation with appropriate remarks.

Following the service, a bountiful covered dish dinner was enjoyed by all.

Besides Warren County residents, special guests included relatives and friends from Laurel, Md., New York City, Richmond, Va., Durham, Wake Forest, Rockingham, Candor, Youngsville and Louisburg.

## Brooks To Seek N. C. Labor Post

John Brooks, a Raleigh attorney, announced his candidacy last week for the Democratic nomination for Commissioner of Labor. Brooks, a native of Greenville, is trying again for the office after running second to the late Billy Creel in the 1972 primary.

In announcing his candidacy, Brooks stressed the need for a coordinated development plan to attract new industry, to modernize existing industry, the guarantee equal opportunity, to train workers for better jobs, and to insure safe and healthy working conditions.

A former Morehead Scholar at UNC, Brooks has served as a clerk to former Chief Justice William Bobbitt, as administrative officer of the North Carolina General Assembly, and as a special assistant to former Governor Terry Sanford.

When early settlers came to New England they called the corn they found there "turkey wheat."

## Norlina Girls Win Softball Contest

Norlina and Bunn split a girls (softball) and boys baseball doubleheader Monday at Bunn. The Lady Waves won 26-23 in the preliminary game, then the Bulldogs gained revenge in the nightcap with a 10-2 upset of the Blue Waves.

**Girls Game**  
Norlina used five pitchers in Monday's game to post its win over Bunn. The Bunn ballclub posed a winning threat in the final inning of play with five runs.

Bunn, who has had its share of troubles this season, was unable to stop the "Belkin" Blue Waves hitting attack. Norlina bomb-shelled the Bunn pitcher with 26 hits.

Leading hitters for Norlina were Linda Henderson, 4-4 and two homeruns; Vicki Martin, 4-5, and Cindy King, 3-5 and two homeruns.

**Boys Game**  
Powerful Bill Galloway slammed a homerun on Blue Wave pitcher Lee Stultz to lead his team to a 10-2 victory. The win for Bunn precedes an earlier loss to Norlina on the road.

Bunn gained the early lead, 2-0, as the first inning of play ended. Norlina was held scoreless until the sixth inning

when they scored their first run.

Gary Rogers lead the Bulldogs in hitting with a triple and two hits. Dennis Tabron followed with two hits.

Al Alston, Floyd Shaw and Charles Montague led the Blue Wave hitting attack with two each.

Norlina out hit the Bulldogs with nine hits, but good defensive play by Bunn was the winning factor.

The Waves conference now stands at 6-1.

## Stiffknees Rally To Down John Graham

The Warren County Stiffknees rallied in the top of the seventh inning, with two outs, to make a comeback victory over John Graham 7-6.

Winning pitcher for the Stiffknees was Jim Overby, head baseball coach, Vance Senior High. Losing pitcher was Larry Alston, who relieved Darryl Lyles in the top of the fifth inning.

Generally, five per cent more male babies are born than females, but the mortality rate for males is higher than for females.

## Dress Up Window Shades For Show

Plain white window shades may be less than exciting to look at.

But with a little time and money, you can dress them up for eye-catching results.

Wilma Scott, extension house furnishings specialist at North Carolina State University suggests making simple felt cutouts.

You can clip them in a variety of shapes and sizes—flower designs for your bath area and paper doll or animal patterns for a youngster's room, she says.

To coordinate your shade with the rest of the room, repeat colors or patterns found elsewhere—from your sofa, bedspread or pillow cover. With white glue, attach the

felt cutouts to your shades. If you plan to leave a shade down, you can glue the pieces anywhere.

But if you will be rolling the shade, glue cutouts near the bottom edge. Then leave this portion of the shade unrolled. Too much bending might crack the glue or damage your design.

Delicate moiré pattern interpreted in snowy vinyl with a finishing touch of braid at hem and slit pocket. Available in carry-home widths to 37" (every inch). All shades 72" long. Patrician elegance, practical price.

## Deep Fertilization

If you have trees that need fertilizer this spring, you'll get better results if the plant food is placed deep in the soil rather than spread on the surface.

North Carolina State University landscape horticulturist Henry J. Smith points out that surface applications often are consumed by grasses. Even worse, the fertilizer could cause

the tree roots to surface where they will be vulnerable to summer heat.

Smith suggests fertilizing trees by making a series of 1/2-inch diameter holes 8 to 10 inches deep. Begin holes about three to four feet from the trunk and extend them just beyond the spread of the branches. Use a pound to a pound and a half of a complete fertilizer, such as 8-8-8, per one inch of tree trunk diameter.

## Track Meet

Yesterday (Wednesday) John Graham and Norlina traveled to Franklinton to participate in the annual conference track meet.

Statistics of the meet were not available at press time.

Virginia became known for its hams and bacon and began exporting them to England around 1639. Queen Victoria placed an order for six hams a week to be shipped from Smithfield.

### The COOK'S CORNER

PUBLISHED BY SANFORD MILLING CO., INC. OF HENDERSON The area's flour and feed leader. Do you have a favorite recipe in which Snow Flake or Hartness Choice Flour is used? Send it to COOK'S CORNER in care of this paper.

SHORT PATENT SNOW FLAKE SELF-RISING FLOUR

food news & cues

**APPLE FRITTERS**  
5 tart apples  
3 tblsp. cider  
1/2 tsp. cinnamon  
1 tsp. sugar  
1 cup Snowflake flour  
1/2 tsp. baking powder  
2 eggs  
1 cup milk

Core and pare the apples and then cut them into circular slices about 1/2" thick. Soak them for 2 hours in a mixture of cider, sugar and cinnamon. Drain and dry with clean towel. Make batter of Snowflake flour, baking powder, adding the yolks of the eggs and milk; then mix in the egg whites (beaten). Dip the apples in the batter and fry in butter.—Dust with sugar before serving.
